TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Assignment") is made and entered into as of this 15th day of January, 2010 ("Effective Date") by and among Intuit Inc., a Delaware corporation ("Assignor") and MRI Acquisition LLC, a Delaware limited liability company ("Assignee").

WHEREAS, Assignor and Assignee are parties to that certain Asset Purchase Agreement, dated as of November 23, 2009 (as amended, the "Agreement"); and

WHEREAS, pursuant to the Agreement, Assignor wishes to assign to Assignee, and Assignee wishes to acquire from Assignor, the United States trademarks set forth on Schedule A attached hereto, together with the goodwill of the business associated therewith (collectively, the "Marks"); and

WHEREAS, Assignee is a successor to that part of Assignor's business to which the Marks pertain, and that business is ongoing and existing.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, transfers and sets over to Assignee the entire right, title and interest in and to the Marks, for the United States and for all foreign countries, including, without limitation, any registrations and applications therefor, any renewals and extensions of the registrations, and all other corresponding rights that are or may be secured under the laws of the United States or any foreign country, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all income, royalties or payments due or payable as of the Effective Date or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Marks, with the right to sue for, and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives.

Assignor hereby requests the Commissioner of Patents and Trademarks, and the corresponding entities or agencies in any applicable foreign countries, to record Assignee as the assignee and owner of the Marks.

At Assignee's reasonable request and expense, Assignor hereby agrees to execute and deliver such further instruments of transfer and assignment and to take such other action as Assignee may reasonably request to more effectively consummate the assignments and assumptions contemplated by this Assignment.

* * * * *

IN WITNESS WHEREOF, Assignor has caused this Assignment to be executed by its duly authorized representatives as of the Effective Date.

INTUIT INC.
