TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT ("Assignment") is entered into as of the 3rd day of December 2010, by Sartomer Technology Company, Inc., a Delaware corporation ("Assignor") in favor of Sartomer Technology USA, LLC, a Delaware limited liability company ("Assignee") (collectively, the "Parties" and each a "Party").

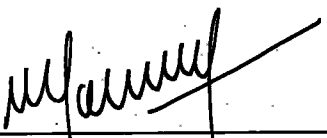

WHEREAS, Assignor is the owner of the trademarks identified on Schedule A hereto (the "Trademarks") and has agreed to assign to Assignee, and Assignee has agreed to acquire, all of Assignor's right, title and interest in and to the Trademarks on the terms set out below.

NOW, THEREFORE, for good and valuable consideration, the receipt, adequacy and sufficiency of which are hereby acknowledged, the Parties hereby agree:

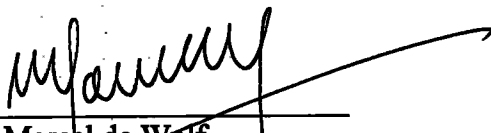

1. Assignment. Assignor hereby assigns to Assignee, and Assignee hereby accepts the assignment of all of Assignor's right, title and interest in and to the Trademarks, together with the goodwill associated therewith as well as all claims against third parties for infringements, misappropriations or other violation of any law with respect to any of the Trademarks, whether past, present or future, and together with all rights as opponent in any opposition proceedings.
2. Further Assurances. Assignor shall take all actions and execute and deliver such other documents that Assignee may reasonably require to effect the terms of this Assignment and to perfect Assignee's title in and to the Trademarks, including, without limitation, entering into individual trademark assignment agreements for the purposes of evidencing and recording Assignee's rights in and to the Trademarks.
3. No Warranties. Assignor makes no warranties, express or implied, with respect to the Trademarks.
4. Recordation. Any bearer of a copy of this Assignment may record it in the United States Patent and Trademark Office or any similar office or agency anywhere in the world. Recordation of the Assignment shall be made at Assignee's expenses.
5. Entire Agreement. This Assignment constitutes the whole agreement between the Parties and supersedes all previous agreements between the Parties relating to its subject matter. No variation of this Assignment shall be effective unless it is in writing and executed by the Parties.
6. Governing Law and Jurisdiction. This Assignment shall be governed by and construed in accordance with the laws of the State of Delaware, without giving effect to any choice of law or rules that might require the application of the laws of another jurisdiction. The Parties irrevocably agree that the courts of the State of Delaware shall have jurisdiction to settle any dispute or claim that arises out of, or in connection with, this Assignment.

IN WITNESS WHEREOF, the undersigned have caused this Assignment to be executed by Assignor's and Assignee's duly authorized officer.

Sartomer Technology Company, Inc.
