### WITNESSETH:

**WHEREAS**, each Assignor holds all right, title and interest in and to the trademarks, trademark applications and trademark licenses listed on Annex I attached hereto opposite the name of such Assignor, which trademarks, trademark applications and trademark licenses are registered or applied for in the United States Patent and Trademark Office (collectively, the "Trademarks");

**WHEREAS**, each Assignor has entered into a Security Agreement, dated as of the date hereof (the "Security Agreement"), in favor of the Assignee, for its benefit and the benefit of the Secured Parties;

**WHEREAS**, pursuant to the Security Agreement, each Assignor has assigned to the Assignee and granted to the Assignee, for the benefit of the Secured Parties, a continuing security interest in all right, title and interest of such Assignor in, to and under the Trademarks, together with, among other things, the applications and registrations thereof, and all proceeds thereof, including, without limitation, any and all causes of action which may exist by reason of infringement thereof and any and all damages arising from past, present and future violations thereof (collectively, the "Collateral"), to secure the payment, performance and observance of the Senior Secured Obligations (as defined in the Security Agreement, the "Obligations");

**NOW, THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Assignor and the Assignee hereby agrees as follows:

(a) Each Assignor does hereby pledge and collaterally assign unto the Assignee and grants to the Assignee, for the benefit of the Secured Parties, a continuing security interest in its Collateral to secure, for the benefit of the Secured Parties, the prompt payment and performance of the Obligations.

(b) Each Assignor does hereby further acknowledge and affirm that the rights and remedies of the Assignee with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein.

(c) This Agreement may not be amended, restated or otherwise modified except in accordance with the terms of the Security Agreement, pursuant to which the Assignee may modify this Agreement (after obtaining the applicable Assignor's approval) by amending Annex I attached hereto to include reference to any right, title or interest of the Assignee in any

additional Trademarks or to delete any reference to any Trademarks in which the applicable Assignor no longer has any right, title or interest.

(d) This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois.

(e) This Agreement shall be binding upon and inure to the benefit of the Assignors and the Assignee and their respective successors and assigns.
