PATENT AND TRADEMARK SECURITY AGREEMENT dated as of December 16, 2010 (this "Agreement"), among Integrated Solutions, LLC ("Holdings"), Presidio, Inc. (the "Company"), the Subsidiaries of Holdings listed on the signature pages hereto (collectively, together with Holdings and the Company, the "Grantors") and PNC Bank, National Association ("PNC"), as Administrative Agent.

Reference is made to (a) the Credit Agreement dated as of December 16, 2010 (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among Holdings, the Company, the other Borrowers from time to time party thereto, the Lenders from time to time party thereto and PNC, as Administrative Agent, and (b) the Guarantee and Collateral Agreement dated as of December 16, 2010 (as amended, restated, supplemented or otherwise modified from time to time, the "Collateral Agreement"), among Holdings, the Company, the Subsidiaries from time to time party thereto and PNC, as Administrative Agent. The Lenders and the Issuing Bank have extended, and have agreed to extend, credit to the Borrowers on the terms and subject to the conditions set forth in the Credit Agreement. The obligations of the Lenders and the Issuing Bank to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. The Grantors are Affiliates of the Borrowers, will derive substantial benefits from the extension of credit to the Borrowers under the Credit Agreement and are willing to execute and deliver this Agreement in order to induce the Lenders and the Issuing Bank to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Each capitalized term used but not otherwise defined herein shall have the meaning specified in the Credit Agreement or the Collateral Agreement, as applicable. The rules of construction specified in Section 1.03 of the Credit Agreement also apply to this Agreement, mutatis mutandis.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Secured Obligations, each Grantor, pursuant to the Collateral Agreement, did and hereby does grant to the Administrative Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in all right, title and interest in, to and under any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time hereafter may acquire any right, title or interest (collectively, the "Patent and Trademark Collateral"):

(a) all letters patent of the United States, all registrations and recordings thereof, and all applications for letters patent of the United States, including registrations, recordings and pending applications in the United States Patent and Trademark Office, including those listed on Schedule I;

(b) all reissues, continuations, divisions, continuations-in-part, renewals or extensions thereof, and the inventions disclosed or claimed therein, including the right to make, use and/or sell the inventions disclosed or claimed therein;

(c) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office or any similar offices in any State of the United States, and all extensions or renewals thereof, including those listed on Schedule II;

(d) all goodwill associated therewith or symbolized thereby; and

(e) all other assets, rights and interests that uniquely reflect or embody such goodwill.

SECTION 3. Collateral Agreement. The security interests granted to the Administrative Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Administrative Agent pursuant to the Collateral Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Patent and Trademark Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

SECTION 4. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging shall be effective as delivery of a manually executed counterpart of this Agreement.

[Remainder of this page intentionally left blank]

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
