NOTICE
OF
GRANT OF SECURITY INTEREST
IN
TRADEMARKS

United States Patent and Trademark Office

Ladies and Gentlemen:

Please be advised that pursuant to the Security Agreement dated as of December 30, 2010 (as the same may be amended, modified, extended or restated from time to time, the "Agreement") by and among the Grantors party thereto (each a "Grantor" and collectively, the "Grantors") and MCG Capital Corporation, in its capacity as administrative agent (in such capacity, the "Administrative Agent") for the holders of the secured obligations identified therein, the undersigned Grantor has granted a continuing security interest in and continuing lien upon the United States trademark registrations and applications identified on Schedule 1 hereto to the Administrative Agent for the benefit of the holders of the secured obligations identified therein. Notwithstanding anything to the contrary herein or in the Agreement, no security interest in or lien is granted with respect to any United States trademark applications filed on an "intent-to-use" basis (but only if the grant of security interest with respect to such "intent to use" trademark applications could result in the voiding, unenforceability, cancellation or invalidity of such trademark applications pursuant to 15 U.S.C. § 1060(a)) unless and until such time as a "Statement of Use" or "Amendment to Allege Use" is filed in the United States Patent and Trademark Office.

The undersigned Grantor and the Administrative Agent hereby acknowledge and agree that the security interest in the foregoing trademarks (i) may only be terminated in accordance with the terms of the Agreement and (ii) is not to be construed as an assignment of any trademark.

Very truly yours,

CHASE INDUSTRIES, INC., an Ohio corporation
