ASSIGNMENT OF TRADEMARKS

This ASSIGNMENT OF TRADEMARKS (the "Assignment") made as of December 21, 2010 by **Infimatic, LLC**, a Delaware limited liability company having a principal place of business at 6015 Center Drive, Sterling Heights, Michigan 48312 ("Assignor") to **MAG IAS, LLC**, a Delaware limited liability company, having a principal place of business at 6015 Center Drive, Sterling Heights, Michigan 48312 ("Assignee").

WHEREAS, Assignor has adopted, used and is using the marks set forth on Schedule I hereto and incorporated by reference herein, which are registered in, or for which application for registration has been filed in, the relevant filing offices of certain countries as set forth on Schedule I (together with any other trademarks which Assignor has the right to acquire on the date of this Assignment which are directly relevant to Assignee's business, collectively, the "Assigned Marks"); and

WHEREAS, Assignee desires to purchase or acquire all Assignor's right, title and interest in and to the Assigned Marks;

NOW, THEREFORE, in recognition of good and valuable consideration including, but not limited to, the consideration in connection with any agreements of company reorganization undertaken by Assignor and Assignee for the transfer of the Assigned Marks, the receipt and sufficiency of which is hereby acknowledged, Assignor and Assignee agree as follows:

Assignor does hereby sell, transfer, convey, assign and deliver to Assignee all right, title and interest of Assignor in and to the Assigned Marks, the registrations and applications for registrations thereof, and the goodwill of the business connected with the use thereof and symbolized thereby, free and clear of all liens or encumbrances; all rights of priority therein in any country as may now or hereafter be granted to it by law, treaty or other international convention; and all rights, interests, claims and demands recoverable in law or equity, that Assignor has or may have in profits and damages for past, present and future infringements of the Assigned Marks, including, without limitation, the right to compromise, sue for and collect such profits and damages; the same to be held and enjoyed by Assignee, its successors and assigns or their legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made.

At any time after the date of this Assignment, Assignor hereby agrees that Assignor shall and shall cause its affiliates and related parties to, from time to time, execute and deliver to Assignee such additional instruments, documents, conveyances or assurances and take such other action as shall be necessary, or otherwise reasonably be requested by Assignee, to confirm and assure the rights and obligations provided for in this Assignment and render effective the consummation of the transactions contemplated hereby, or otherwise to carry out the intent and purposes of this Assignment.

This Assignment shall be governed by, and construed in accordance with, the laws of the United States, in respect to trademark issues and in all other respects including as to the validity of this Assignment, its interpretation and effect, by the laws of the State of Michigan, without giving effect to the conflict of laws rules thereof.

IN WITNESS WHEREOF, Assignor and Assignee have caused this Assignment to be duly executed as of the date first written above.
