**COLLATERAL ASSIGNMENT OF
AFTER-ACQUIRED INTELLECTUAL PROPERTY SECURITY**

This COLLATERAL ASSIGNMENT OF AFTER-ACQUIRED INTELLECTUAL PROPERTY SECURITY, dated as of December 29, 2010, (as amended, supplemented or otherwise modified from time to time, the “Intellectual Property Collateral Assignment”), is made by **TCO FUNDING CORP.** (“TCO” or, the “Assignor”) in favor of **CREDIT SUISSE AG, CAYMAN ISLANDS BRANCH** as administrative agent and collateral agent (in such capacity and together with its successors, the “Administrative Agent” or, the “Assignee”) for (i) the banks and other financial institutions or entities (the “Lenders”) from time to time parties to the Amended and Restated Credit Agreement, dated as of June 22, 2006, (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), among TCO, as borrower, the Lenders party thereto, Credit Suisse AG, Cayman Islands Branch, as sole lead bookrunner, sole lead arranger, administrative agent and collateral agent, General Electric Capital Corporation as syndication agent, and Freeport Financial LLC as documentation agent and (ii) the other Secured Parties.

WHEREAS, it is a condition precedent to the obligation of the Lenders to make their respective extensions of credit to TCO under the Credit Agreement that TCO shall have granted a security interest in all of its assets to the Administrative Agent for the benefit of the Secured Parties and TCO has executed and delivered the Collateral Agreement, dated as of October 31, 2005, in favor of the Administrative (as amended, restated, supplemented, replaced or otherwise modified from time to time, the “Collateral Agreement”);

WHEREAS, certain of the assets of TCO consist of (i) a security interest granted to TCO under the After-Acquired Intellectual Property Security Agreement (First Supplemental Filing), dated as of the date hereof, by Tensar Corporation (f/k/a Tensar Holdings, Inc.), Tensar Holdings Corporation (f/k/a The Tensar Corporation), Tensar Corporation, LLC (f/k/a The Tensar Corporation, LLC), and the other signatories party thereto, as Grantors in favor of TCO for the benefit of the Secured Parties (as amended, restated, supplemented or otherwise modified from time to time, the “After-Acquired Intellectual Property Security Agreement”), and (ii) a security interest granted to TCO under any additional “after-acquired” intellectual property security agreements executed in favor of TCO after the date hereof (such security agreements, as amended, restated, supplemented or otherwise modified from time to time, the “Additional After-Acquired Intellectual Property Security Agreements”) (the security interests granted in items (i) and (ii), collectively, the “Tensar Intellectual Property Security Interest”); and

WHEREAS, to evidence the collateral assignment of the Tensar Intellectual Property Security Interest to the Administrative Agent for the benefit of the Secured Parties, TCO has agreed to execute this Intellectual Property Collateral Assignment for recording with the United States Patent and Trademark Office, the United States Copyright Office, and other applicable Governmental Authorities.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor agrees as follows:

SECTION 1. Defined Terms. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Collateral Agreement, and, if not therein defined, in the Credit Agreement.

SECTION 2. Grant of Security. TCO hereby collaterally assigns, grants and pledges to the Agent for the ratable benefit of the Secured Parties a first priority security interest in all of TCO's right, title and interest in and to the Tensar Intellectual Property Security Interest as evidenced by that certain After-Acquired Intellectual Property Security Agreement and the Additional After-Acquired Intellectual Property Security Agreements.

SECTION 3. Recordation. TCO authorizes and requests that the Register of Copyrights, the Commissioner of Patents and Trademarks and any other applicable government officer record this Intellectual Property Collateral Assignment.

SECTION 4. Execution in Counterparts. This Intellectual Property Collateral Assignment may be executed in any number of counterparts (including by fax or other electronic transmission), each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

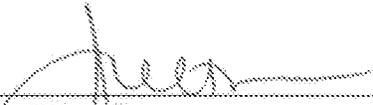

SECTION 5. Governing Law. This Intellectual Property Collateral Assignment shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

SECTION 6. Conflict Provision. This Intellectual Property Collateral Assignment has been entered into in conjunction with the provisions of the Collateral Agreement, the TCO Intercreditor Agreement and the Credit Agreement. The rights and remedies of each party hereto with respect to the collateral assignment granted herein are without prejudice to, and are in addition to those set forth in the Collateral Agreement, the TCO Intercreditor Agreement and the Credit Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Intellectual Property Collateral Assignment are in conflict with the Collateral Agreement or the Credit Agreement, the provisions of the TCO Intercreditor Agreement shall govern.

[signature page follows]

IN WITNESS WHEREOF, each of the undersigned has caused this Intellectual Property Collateral Assignment to be duly executed and delivered as of the date first above written.
