TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Agreement") is made this 19th day of January, 2011, among the Grantors listed on the signature pages hereof (collectively, the "Grantors"), and Wells Fargo Bank, National Association, a Delaware limited liability company, in its capacity as a collateral trustee for the Secured Parties (in such capacity, together with its permitted successors and assigns, if any, "Collateral Trustee").

WITNESSETH:

WHEREAS, AS America, Inc., a Delaware corporation (the "Issuer") has issued the Notes pursuant to that certain Indenture, dated as of January 19, 2011 (as amended, supplemented, or otherwise modified from time to time, the "Indenture"), by and among the Issuer, the guarantors party thereto, Collateral Trustee, Wells Fargo Bank, National Association, as trustee (in such capacity, and together with its successors in such capacity, the "Trustee");

WHEREAS, the Grantors have entered into that certain Collateral Trust Agreement, dated as of January 19, 2011 (as amended, restated, waived, renewed, replaced, restructured, supplemented or otherwise modified from time to time, the "Collateral Trust Agreement"), with Collateral Trustee and the Trustee pursuant to which Collateral Trustee has agreed to act as collateral trustee for the benefit of the Secured Parties in connection with the transactions contemplated by this Agreement and the other Priority Lien Documents;

WHEREAS, it was a condition precedent to the purchase of the Notes under the purchase agreement governing the Notes that the Grantors enter into that certain Priority Lien Security Agreement, dated as of January 19, 2011 (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Security Agreement"), by and among the Issuer and each other Grantor party thereto from time to time and Collateral Trustee and grant a continuing security interest in and Lien on the Collateral to Collateral Trustee, for the benefit of the Secured Parties, in order to secure the prompt and complete payment and performance of the Secured Obligations; and

WHEREAS, pursuant to the Security Agreement, Grantor is required to execute and deliver to Collateral Trustee, for the benefit of the Secured Parties, this Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. To secure the prompt and complete payment and performance when due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise, of the Secured Obligations, of the Secured Obligations, each Grantor hereby grants to Collateral Trustee, for the benefit of the Secured Parties, a continuing first priority security interest in and Lien on (subject to Permitted Liens) all of such Grantor's right, title and interest in, to and under the following,

whether presently existing or hereafter created or acquired (other than Excluded Property) (collectively, the "Trademark Collateral"):

(a) all of its Trademarks, including those Trademarks referred to on Schedule I hereto, all renewals thereof, and all goodwill of the business symbolized by its Trademarks and connected therewith;

(b) all of its rights to sue for past, present and future infringements and dilutions of its Trademarks; and

(c) all products and proceeds of the foregoing, including, without limitation, all income, royalties, damages and payments now and hereafter due and/or payable under and with respect thereto, including, without limitation, payments under all licenses entered into in connection therewith and damages and payments for past or future infringements or dilutions thereof.

3. SECURITY AGREEMENT. The security interests granted pursuant to this Agreement are granted in conjunction with the security interests granted to Collateral Trustee, for the benefit of the Secured Parties, pursuant to the Security Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Collateral Trustee with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

4. AUTHORIZATION TO SUPPLEMENT. If a Grantor shall obtain rights to any new trademarks, the provisions of this Agreement shall automatically apply thereto. Such Grantor shall give notice in writing to Collateral Trustee with respect to any such new trademarks or renewal or extension of any trademark registration in accordance with Section 6(g)(iv) of the Security Agreement. Without limiting Grantor's obligations under this Section 4, each Grantor hereby authorizes Collateral Trustee unilaterally to modify this Agreement by amending Schedule I to include any such new trademark rights of such Grantor. Notwithstanding the foregoing, no failure to so modify this Agreement or amend Schedule I shall in any way affect, invalidate or detract from Collateral Trustee's continuing security interest in all Collateral, whether or not listed on Schedule I.

5. TERMINATION. Upon the Discharge of Priority Lien Obligations, Collateral Trustee shall promptly, at Grantor's expense, execute, acknowledge and deliver to Grantor proper documents and instruments acknowledging the release of the lien and security interest in the Trademark Collateral under this Agreement. Upon the sale or disposition of any Trademark Collateral, the Security Interest in such Trademark Collateral shall be automatically released and terminated to the extent such sale or disposition is permitted under the Priority Lien Documents and, at such time, Collateral Trustee will authorize the filing of appropriate termination statements to terminate such Security Interest.

6. COUNTERPARTS. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument. In proving this Agreement or any other Priority Lien Document in any judicial proceedings, it shall not be necessary to produce or

account for more than one such counterpart signed by the party against whom such enforcement is sought. Any signatures delivered by a party by facsimile transmission or by e-mail transmission shall be deemed an original signature hereto.
