DECLARATION OF CHRIS HUNTER
UNDER 37 C.F.R. §2.20

I, Chris Hunter, am Managing Partner of Phusion Projects, LLC, a Delaware limited liability company ("Applicant"), which is the current owner of the application for registration of EARTHQUAKE HIGH GRAVITY LAGER (STYLIZED), Application No. 77/695,481 ("the Mark"), and have personal knowledge of the events relating to ownership of the Mark.

On March 20, 2009, Applicant filed a U.S. Trademark Application for the Mark but made a mistake in the way the Applicant's name was set forth in the application. Specifically, Applicant's name was entered as "Phusion Projects, Inc., a Delaware Limited Liability Company". The term "Inc." was clearly a mistake and not a part of Applicant's name.

Attached as Exhibit A is a certified copy of Articles of Incorporation of Phusion Projects, LLC, a Delaware limited liability company filed May 12, 2008.

Phusion Projects, LLC is a corporation in good standing under the laws of the State of Delaware, and has since 2008, been the owner of the Mark, and in control of the nature and quality of the goods and services provided under the Mark.

The undersigned, being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statements and the like may jeopardize the validity of the application or document or any registration resulting therefrom, declares that all statements made of his own knowledge are true; and all statements made on information and belief are believed to be true.
