RELEASE OF SECURITY INTEREST

THIS RELEASE OF SECURITY INTEREST, effective as of August 9, 2005 (“Release”), is made by and between Citizens Bank of Pennsylvania, a Pennsylvania financial institution (“Citizens Bank”), as assignee of Heller Financial, Inc. (“Heller”), in favor of Interface Solutions, Inc., a Delaware corporation, and any and all predecessors of Interface Solutions, Inc. (collectively, “Interface”) with respect to a Credit Agreement dated June 30, 1999 (as the same has been subsequently amended, supplemented or otherwise modified) and a related Security Agreement, Patent Mortgage and Trademark Mortgage, the latter of which have been recorded in the records of the United States Patent and Trademark Office at Patent Reel 010103, Frame 0583, Patent Reel 010710, Frame 0334, Patent Reel 010756, Frame 0631, Trademark Reel 002010, Frame 0749 and Trademark Reel 002057, Frame 0868 (collectively referred to hereinafter as the “Credit Agreement”).

W I T N E S S E T H:

WHEREAS, pursuant to the Credit Agreement, Interface granted to Heller a security interest in certain of Interface’s patents, including those set forth on Schedule A hereto (the “Patents”); and

WHEREAS, pursuant to the Credit Agreement, Interface granted to Heller a security interest in Interface’s trade names and certain of Interface’s trademarks, including those set forth on Schedule A hereto, and the registrations and pending applications therefor and the goodwill of Interface’s business symbolized thereby (the “Trademarks”); and

WHEREAS, pursuant to an Assignment and Acceptance Agreement dated April 8, 2005 by and between Heller and Citizens Bank, Heller assigned to Citizens Bank its interest in the Credit Agreement relevant to the Patents and the Trademarks and thereby effectively assigned Heller’s security interest in the Patents and the Trademarks to Citizens Bank; and

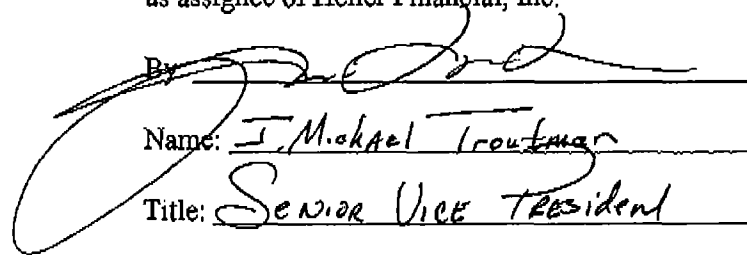

WHEREAS, Citizens Bank, in favor of and for the benefit of Interface, wishes to confirm hereby as of the effective date set forth above: (i) the release all of its security interest covering the Patents and the Trademarks; (ii) the revocation of any assignments of the Patents and the Trademarks that would have been caused by the Credit Agreement; (iii) the restoration of all right, title and interest in and to the Patents and the Trademarks to Interface; and (iv) the dissolution of any and all liens and encumbrances in its favor with respect to the Patents and the Trademarks.

[Remainder of page intentionally left blank.]

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Citizens Bank releases its security interest in the Patents and the Trademarks, revokes any assignments of the Patents and the Trademarks effectuated by the Credit Agreement and assigns, discharges, quit claims and relinquishes unto Interface (in each case without recourse and without any representation or warranty) any and all right, title and interest it has in and to the Patents and the Trademarks, all as of the effective date set forth above.

IN WITNESS WHEREOF, Citizens Bank has caused this Release to be duly executed and delivered by its officer thereunto duly authorized as of the day and year first above written.
