TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT ("Assignment") is by and between MGM Well Services Inc., a Texas corporation, ("MGM") and Integrated Production Services, Inc., a Delaware corporation, ("IPS"). This Assignment is effective as of December 31, 2010.

This Assignment is contemporaneously executed with an Intellectual Property Assignment Agreement wherein this Assignment is reference and to which this Assignment is attached;

MGM is the owner of all right, title, and interest in and to worldwide common law trademarks as well as registrations and/or applications for registration of trademarks, including United States Registered Trademark "PACEMAKER PLUNGER" bearing registration number 3,209,877 and the common law trademark "PACEMAKER PLUNGER" (collectively, the "Trademarks"), together with the associated goodwill of the business connected with and symbolized by the Trademarks; and

IPS desires to acquire all right, title and interest in and to the Trademarks.

Now, therefore, for good and valuable consideration, the receipt and adequacy of which are acknowledged, the parties hereby agree as set forth below.

MGM hereby assigns, transfers and conveys to IPS the entire right title, and interest in and to the Trademarks in the United States and all jurisdictions outside the United States, together with the goodwill of the business connected with and symbolized by the Trademarks (including, without limitation, the right to renew any registrations included in the Trademarks, the right to apply for trademark registrations within or outside the United States based in whole or in part upon the Trademarks, and any priority right that may arise from the Trademarks, the right to sue for past, current, or future infringement of the Trademarks, and the right to collect damages for the same and the right to collect for past, present or future royalties, if any), the same to be held and enjoyed by IPS as fully and entirely as said interest could have been held and enjoyed by MGM had this sale, assignment, transfer and conveyance not been made.

MGM authorizes the Commissioner of Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office and in any applicable jurisdictions outside the United States to record the transfer of the registrations and/or applications for registration set forth in this Assignment to IPS as assignee of MGM's entire right, title and interest therein. MGM agrees to further execute any documents reasonably necessary to effect this assignment or to confirm Assignee's ownership of the Trademarks.
