This Trademark Security Agreement is subject to the terms and provisions of the Intercreditor and Subordination Agreement executed by Sun Scooter Store Finance, LLC and CIT HEALTHCARE LLC dated as of February 1, 2011 (as amended, restated, supplemented or otherwise modified from time to time) and each holder of this Trademark Security Agreement, by its acceptance hereof, shall be bound by the provisions of the Intercreditor and Subordination Agreement.

TRADEMARK SECURITY AGREEMENT

This Trademark Security Agreement (this "Trademark Security Agreement") is made as of February 1, 2011, by the Grantors listed on the signature pages hereof (each a "Grantor" and collectively, the "Grantors"), in favor of SUN SCOOTER STORE FINANCE, LLC, a Delaware limited liability company, in its capacity as agent for the Lenders (together with its successors and assigns in such capacity, "Agent").

WITNESSETH:

WHEREAS, pursuant to that certain Senior Subordinated Term Loan and Security Agreement dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, including all exhibits and schedules thereto, the "Credit Agreement") among the Grantors, certain of their affiliates, the lenders from time to time party thereto (the "Lenders"), and Agent, the Lenders agreed to make term loans to the Grantors and their affiliates from time to time pursuant to the terms and conditions of the Credit Agreement;

WHEREAS, pursuant to the Credit Agreement, the Grantors are required to execute and deliver to Agent, for the benefit of the Lenders, this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Credit Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Each Grantor hereby grants to Agent, for the benefit of the Lenders, a continuing first priority security interest in all of such Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral"):

(a) all of such Grantor's trademarks, trademark applications, service marks, trade names and associated goodwill (collectively, "Trademarks"), and licenses for any of the foregoing ("Licenses"), including those U.S. trademarks and U.S. trademark applications referred to on Schedule I hereto; and

(b) all proceeds of the foregoing, including any claim by such Grantor against third parties for past, present or future infringement or dilution of any Trademark or any Trademark licensed under any License.

3. SECURITY FOR OBLIGATIONS. This Trademark Security Agreement and the security interest created hereby secure the payment and performance of all the Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts that constitute part of the Obligations and would be owed by any Grantor to Agent, the Lenders or any of them, whether or not they are unenforceable or not allowable due to the existence of an insolvency proceeding involving any Grantor.

4. CREDIT AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Agent, for the benefit of the Lenders, pursuant to the Credit Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Credit Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

5. AUTHORIZATION TO SUPPLEMENT. If any Grantor shall obtain rights to any new Trademarks or Licenses for Trademarks, this Trademark Security Agreement shall automatically apply thereto. Each Grantor shall give notice in writing to Agent within thirty (30) days after the end of each fiscal quarter with respect to any new registered U.S. Trademarks, U.S. trademark applications and Licenses for registered Trademarks from such fiscal quarter. Without limiting any Grantor's obligations under this Section 5, each Grantor hereby authorizes Agent unilaterally to modify this Trademark Security Agreement by amending Schedule I to include any such new registered U.S. trademarks (to the extent provided in the Credit Agreement), U.S. trademark applications and Licenses for registered Trademarks of such Grantor. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Agent's continuing security interest in all Trademark Collateral, whether or not listed on Schedule I.

6. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument. In proving this Trademark Security Agreement or any Other Document in any judicial proceedings, it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom such enforcement is sought. Any signatures delivered by a party by facsimile transmission or by e-mail transmission shall be deemed an original signature hereto.

7. CONSTRUCTION. Unless the context of this Trademark Security Agreement or any Other Document clearly requires otherwise, references to the plural include the singular, references to the singular include the plural, the terms "includes" and "including" are not limiting, and the term "or" has, except where otherwise indicated, the inclusive meaning represented by the phrase "and/or." The words "hereof," "herein," "hereby," "hereunder," and similar terms in this Trademark Security Agreement or any Other Document refer to this Trademark Security Agreement or such Other Document, as the case may be, as a whole and not to any particular provision of this Trademark Security Agreement or such Other Document, as the case may be. Section, subsection, clause, schedule, and exhibit references herein are to this Trademark Security Agreement unless otherwise specified. Any reference in this Trademark

Security Agreement or in any Other Document to any agreement, instrument, or document shall include all alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements, thereto and thereof, as applicable (subject to any restrictions on such alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements set forth herein). Any reference herein or in any Other Document to the satisfaction or repayment in full of the Obligations shall mean the repayment in full in cash (or cash collateralization in accordance with the terms of the Credit Agreement) of all Obligations other than unasserted contingent indemnification Obligations. Any reference herein to any Person shall be construed to include such Person's successors and assigns.

8. INTERCREDITOR DOCUMENTS. Notwithstanding anything herein to the contrary, the priority of the security interest granted to the Agent in the Trademark Collateral pursuant to this Agreement and the exercise, after the occurrence and during the continuance of an Event of Default, of any right or remedy by the Agent or any Lender with respect to certain of the Trademark Collateral hereunder are subject to the provisions of the Intercreditor Documents. In the event of any conflict between the terms of the Intercreditor Documents and this Agreement with respect to (a) the priority of security interests granted to the Agent in the Trademark Collateral pursuant to this Agreement or (b) the rights of the Agent or any Lender under this Agreement, the terms of the Intercreditor Documents shall govern and control. Any reference in this Agreement to "first priority lien" or words of similar effect in describing the security interest in the Trademark Collateral created hereunder shall be understood to refer to such priority as set forth in the Intercreditor Documents. All representations, warranties and covenants in this Agreement shall be subject to the provisions and qualifications set forth in this Section 8. Nothing in this Section 8 shall be construed to provide that any Grantor is a third party beneficiary of the provisions of the Intercreditor Documents and each Grantor (a) agrees that, except as expressly otherwise provided in the Intercreditor Documents, the terms of the Intercreditor Documents shall not give any Grantor any, nor modify any, substantive rights vis-à-vis the Agent or any Lender, or any obligations or liabilities owing to the Agent and/or the Lenders, under this Agreement and (b) if the Agent shall enforce its rights or remedies in violation of the terms of the Intercreditor Documents, agrees that it shall not use such violation as a defense to any enforcement of remedies otherwise made in accordance with the terms of this Agreement by the Agent or any Lender or assert such violation as a counterclaim or basis for set-off or recoupment against the Agent or any Lender and agrees to abide by the terms of this Agreement and to keep, observe and perform the several matters and things herein intended to be kept, observed and performed by it; provided, however, no Default or Event of Default shall arise as a result of any Grantor complying with the provisions of the Intercreditor Documents.

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the date first written above.
