WHEREAS, Assignee is the parent company of Assignor with operations in Virginia;

WHEREAS, Assignor desires to assign to Assignee all of Assignor's rights, title, and interest that it may have in and to the Trademarks within the United States, together with the goodwill of the business in connection with which the Trademarks have been used and are used, along with the right to recover for damages and profits for past, present, and future infringements thereof and to enjoin any and all present and future infringing uses of the Trademarks; and

WHEREAS, Assignee is desirous of acquiring any and all rights that Assignor may have in and to the Trademarks together with the goodwill of the business in connection with which the Trademarks have been used and are used, along with the right to recover for damages and profits for past, present, and future infringements thereof and to enjoin any and all present and future infringing uses of the Trademarks.

NOW THEREFORE, in consideration for the mutual covenants contained herein, the above recitals that are hereby incorporated into this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. **Assignment.** Assignor hereby assigns and conveys to Assignee all rights, title, and interest that Assignor may have, free and clear of any liens or encumbrances, in and to the Trademarks as used or any portion thereof, together with the goodwill of the business connected with the use of, and any registrations and trademark applications relating thereto, and any renewals and extensions thereof, along with the Assignor's right to recover for damages and profits for any past infringements of the Trademarks.

3. **Future Assurances.** Assignor agrees that upon the written request of Assignee, it shall execute and deliver all papers and do all other reasonable acts necessary to carry out the intent of this Assignment and that Assignee may reasonably request in order to vest all of Assignor's right, title, and interest in and to the Trademarks in Assignee. Further, Assignor agrees to provide evidence to support any of the foregoing in the event such evidence is deemed necessary by Assignee and to the extent that such evidence is in the possession or control of Assignor.

4. **Binding Effect.** This Assignment shall be binding upon the Parties, their heirs, legal representatives, successors, and assigns, as the case may be, and all others acting by, through, with, or under their direction. The Parties intend for this Assignment to be both permanent and irrevocable.
