TRADEMARK ASSIGNMENT AGREEMENT

THIS TRADEMARK ASSIGNMENT AGREEMENT (this "Assignment") is made as of the 3rd day of January, 2011 by and between GlaxoSmithKline LLC, a limited liability company organized under the laws of the State of Delaware, having a place of business at One Franklin Plaza, Philadelphia, PA 19101, U.S.A., GlaxoSmithKline Consumer Healthcare Inc., a company organized under the laws of Canada, having a place of business at 2030 Bristol Circle, Oakville L6H 5V2, Canada, and Glaxo Group Limited, a company organized under the laws of England, having a place of business at Glaxo Wellcome House, Berkeley Avenue, Greenford, Middlesex UB6 0NN, England (collectively, "Assignors"), and Meda AB, a company organized under the laws of Sweden, having a place of business at Pipers väg 2A, SE-170 09, Solna, Sweden ("Assignee"). Capitalized terms used but not defined herein shall have the meanings ascribed to such terms in the APA (as defined below).

WHEREAS, GlaxoSmithKline LLC and Assignee are entering into an Asset Purchase Agreement (the "APA") contemporaneously with the execution of this Assignment; and

WHEREAS, among the assets to be transferred to Assignee under the APA are Assignors' and their respective Affiliates' rights in and to the trademarks used or developed or held for use exclusively on or in connection with the Products in the Territory and all goodwill associated therewith, including those trademarks and registrations and applications set forth in Schedule A attached hereto (the "Trademarks").

NOW THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, Assignors do hereby sell, assign, and transfer to Assignee all of Assignors' and their respective Affiliates' right, title and interest in, to and under the Trademarks, including all rights to sue for and to receive and recover all profits and damages arising out of infringement of the Trademarks prior to the date hereof.

FURTHERMORE, Assignors shall execute and deliver to Assignee such additional documents as may be reasonably necessary to give full effect to the assignment and transfer of the rights, title and interest in, to and under the Trademarks hereunder, provided that Assignee shall be solely responsible at its own expense for all recordings of the assignment and transfer with the United States Patent and Trademark Office, the Canadian Intellectual Property Office, the International Bureau of the World Intellectual Property Organization and/or other appropriate government offices.

In the event of any ambiguity or conflict between the terms hereof and the APA, the terms of the APA shall be controlling. Nothing contained herein shall be deemed to amend any provision of the APA. No supplement, modification or amendment of this Assignment shall be binding unless executed in writing by the parties charged thereto.

This Assignment shall be binding upon the successors and assigns of Assignors and Assignee. This Assignment shall be governed by, interpreted under, and construed and enforced in accordance with the laws of the State of Delaware, without regard to the conflict of laws principles thereof. This Assignment may be executed and delivered (including by facsimile or

other electronic transmission) in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same agreement.
