TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Agreement") effective as of February 4, 2011 ("Effective Date"), is entered into by and between Wellstream International Limited, a company incorporated in England and Wales ("Wellstream") and Prime Flexible Products, Inc., a Texas corporation ("Prime"). Each of the parties may be referred to herein individually as a "Party" and collectively as the "Parties." All capitalized terms used herein but not otherwise defined shall have the meaning set forth in the Purchase Agreement (as defined below).

RECITALS

WHEREAS, Wellstream has adopted and is using the trademark FLEXSTEEL, and is the owner of the entire right, title and interest in and to the FLEXSTEEL trademark, together with all goodwill associated therewith, in the countries listed in Exhibit A to this Agreement, including the registrations for the Trademark set forth in Exhibit A to this agreement (collectively, the "Trademark"),

WHEREAS, On or about November 11, 2010 under that certain Trademark Assignment agreement, Wellstream assigned all right, title, and interest in and to the trademark FLEXSTEEL, including registrations and/or applications therefore, in the territories of Brazil, Canada, Colombia (as to goods in Class 6 only), Nigeria, Oman, and the United Arab Emirates;

WHEREAS, Wellstream now wishes to assign all remaining right, title, and interest in and to the trademark FLEXSTEEL, including registrations and/or applications therefore, in the countries listed in Exhibit A to this Agreement and throughout the world; and

WHEREAS, Prime now wishes to obtain said Trademark together with the goodwill associated therewith, and registrations therefore, in the countries listed in Exhibit A to this Agreement and throughout the world.

ASSIGNMENT

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

1. Wellstream hereby transfers, sells, assigns, conveys and delivers to Prime and its successors and assigns, Wellstream's entire right, title and interest in and to the Trademark in the countries listed in Exhibit A to this Agreement and throughout the world, together with the goodwill associated therewith and registrations and applications therefor, and any and all accounts, contract rights, warranties, litigation claims and rights, including the right to sue for and collect upon all claims for profits and damages as a result of past infringement, if any, and other general intangibles of Wellstream related to any of the foregoing, in each case whether now existing or hereafter acquired or created, whether owned, leased or licensed beneficially or of record and whether owned, leased or

licensed individually, jointly or otherwise, together with the products and proceeds thereof (including license royalties and the proceeds of infringement suits), and all payments and other distributions with respect thereto.

2. Wellstream further agrees that it shall on the date hereof and from time to time thereafter, at the request and expense of Prime, perform or cause to be performed such acts and execute, acknowledge and deliver at the request of Prime, such documents as may reasonably be required to evidence or effectuate the sale, conveyance, assignment, transfer and delivery to Prime of the Trademark or for the performance by Wellstream of any of its obligations hereunder. Upon written request by Prime, Wellstream hereby further agrees that Wellstream will sign all lawful papers, execute such documents, make all lawful oaths and otherwise provide reasonable assistance to aid Prime and its successors, assigns and nominees to enforce the Trademark in the United States of America and throughout the world.

3. Successors and Assigns. All of the provisions hereof shall inure to the benefit of and be binding upon the respective successors and assigns of the Parties. Neither Party may transfer or otherwise assign this Agreement or any of its duties and obligations hereunder, without the prior written consent of the other Party, which shall not be unreasonably withheld.

4. Counterparts. This Agreement may be executed in several original counterparts. Each such counterpart hereof shall be deemed to be an original instrument, but all such counterparts shall constitute but one and the same instrument.

5. Entire Agreement. This Agreement supersedes all prior agreements, whether written or oral, between the Parties with respect to its subject matter and together with the Purchase Agreement, including any amendments thereof, constitutes (along with the any schedules or exhibits attached hereto and other documents delivered pursuant to this Agreement or the Purchase Agreement) a complete and exclusive statement of the terms of the agreement between the Parties with respect to its subject matter.

6. Governing Law. This Agreement will be governed by and construed under the laws of the State of Texas without regard to conflicts of laws principles that would require the application of any other law.

7. Jurisdiction; Service of Process. Any Proceeding (as defined in the Purchase Agreement) arising out of or relating to this Agreement may be brought in the courts of the State of Texas, County of Harris, or, if it has or can acquire jurisdiction, in the United States District Court for the Southern District of Texas, and each of the Parties irrevocably submits to the exclusive jurisdiction of each such court in any such Proceeding, waives any objection it may now or hereafter have to venue or to convenience of forum, agrees that all claims in respect of the Proceeding shall be heard and determined only in any such court, and agrees not to bring any Proceeding arising out of or relating to this Agreement in any other court. The Parties agree that either or both of them may file a copy of this paragraph with any court as written evidence of the knowing, voluntary and bargained agreement between the Parties irrevocably to waive

any objections to venue or to convenience of forum. Process in any Proceeding referred to in the first sentence of this paragraph may be served on any Party anywhere in the world.

8. Scope. The scope of this Agreement shall be as listed in Exhibit A to this Agreement and worldwide.
