VIRGINIA ACTS OF ASSEMBLY -- 2010 SESSION

CHAPTER 117

An Act to amend and reenact § 15.2-2160 of the Code of Virginia and to amend the Code of Virginia by adding in Title 15.2 a chapter numbered 72, consisting of sections numbered 15.2-7200 through 15.2-7226, relating to the Bristol Virginia Utilities Authority.

[S 12]

Approved March 11, 2010

Be it enacted by the General Assembly of Virginia:

1. That § 15.2-2160 of the Code of Virginia is amended and reenacted and that the Code of Virginia is amended by adding in Title 15.2 a chapter numbered 72, consisting of sections numbered 15.2-7200 through 15.2-7226, as follows:

§ 15.2-2160. Provision of telecommunications services.

A. Any locality that operates an electric distribution system may provide telecommunications services, including local exchange telephone service as defined in § 56-1, within or outside its boundaries if the locality obtains a certificate pursuant to § 56-265.4:4. Such locality may provide telecommunications services within any locality in which it has electric distribution system facilities as of March 1, 2002. Any locality providing telecommunications services on March 1, 2002, may provide telecommunications, Internet access, broadband, information, and data transmission services within any locality within 75 miles of the geographic boundaries of its electric distribution system as such system existed on March 1, 2002.

B. A locality that has obtained a certificate pursuant to § 56-265.4:4 shall (i) comply with all applicable laws and regulations for the provision of telecommunications services; (ii) make a reasonable estimate of the amount of all federal, state, and local taxes (including income taxes and consumer utility taxes) that would be required to be paid or collected for each fiscal year if the locality were a for-profit provider of telecommunications services, (iii) prepare reasonable estimates of the amount of any franchise fees and other state and local fees (including permit fees and pole rental fees), and right-of-way charges that would be incurred in each fiscal year if the locality were a for-profit provider of telecommunications services, (iv) prepare and publish annually financial statements in accordance with generally accepted accounting principles showing the results of operations of its provision of telecommunications services, and (v) maintain records demonstrating compliance with the provisions of this section that shall be made available for inspection and copying pursuant to the Virginia Freedom of Information Act (§ 2.2-3700 et seq.).

C. Each locality that has obtained a certificate pursuant to § 56-265.4:4 shall provide nondiscriminatory access to for-profit providers of telecommunications services on a first-come, first-served basis to rights-of-way, poles, conduits or other permanent distribution facilities owned, leased or operated by the locality unless the facilities have insufficient capacity for such access and additional capacity cannot reasonably be added to the facilities.

D. The prices charged and the revenue received by a locality for providing telecommunications services shall not be cross-subsidized by other revenues of the locality or affiliated entities, except (i) in areas where no offers exist from for-profit providers of such telecommunications services, or (ii) as permitted by the provisions of subdivision B 5 of § 56-265.4:4. The provisions of this subsection shall not apply to Internet access, broadband, information, and data transmission services provided by any locality providing telecommunications services on March 1, 2002.

E. No locality providing such services shall acquire by eminent domain the facilities or other property of any telecommunications service provider to offer cable, telephone, data transmission or other information or online programming services.

F. Public records of a locality that has obtained a certificate pursuant to § 56-265.4:4, which records contain confidential proprietary information or trade secrets pertaining to the provision of telecommunications service, shall be exempt from disclosure under the Freedom of Information Act (§ 2.2-3700 et seq.). As used in this subsection, a public record contains confidential proprietary information or trade secrets if its acquisition by a competing provider of telecommunications services would provide the competing provider with a competitive benefit.

G. *As used in this section, "locality" shall mean any county, city, town, authority, or other governmental entity which provides or seeks to provide telecommunications services. Every locality shall comply with the requirements of § 56-265.4:4 or 56-484.7:1 unless otherwise specifically exempt. Any locality that has obtained a certificate pursuant to § 56-265.4:4, and which surrenders or transfers such certificate shall continue to remain subject to subsections C, D, and E if any substantial part of its telecommunications assets or operations are transferred to an entity in which the locality has the right to appoint board members, directors, or managers*

3. One new Bristol, Virginia, citizen, who is not a city council member. Such citizen will be appointed by the Bristol, Virginia, City Council and shall serve a term from July 1, 2010, until June 30, 2015.

D. The City Council shall elect, in addition to its Council members, three of the Bristol, Virginia, citizen Board members when the above terms expire. The remaining three Bristol, Virginia, citizen members will be elected by the Authority Board when the above terms expire. The three factors consist of the percentages that each division comprises of total plant in service, total operating revenues, and total customer accounts. Any such special conservator of the peace shall have, within the lands and facilities controlled by the Authority, the powers, functions, duties, responsibilities, and authority of any other armed conservator of the peace. The Commission shall issue appropriate documentation to effectuate this transfer without further action

on behalf of BVU Authority. It is further deemed that the Authority has met all conditions precedent to qualify for such certificates and the powers granted therein and the limitations, restrictions, and requirements set forth thereto continuing in full force and effect.

B. BVU Authority will be deemed to be an MLEC.

C. Upon enactment of this chapter, the Authority shall file a name change with the Commission.

D. No bond shall be required of BVU Authority by the Commission.

§ 15.2-7210. Transfer of properties and debt.

All of the properties, infrastructure, and other assets used by Bristol Virginia Utilities for any of its utility services or otherwise, whether held in its name or in the name of the City of Bristol, Virginia, are hereby transferred to the Authority and declared to be held by the Authority as its property. The portion of the City's debt that was incurred for the benefit of Bristol Virginia Utilities is hereby declared to be the debt of the Authority. That debt will be the sole responsibility of the Authority. The Authority will either assume that debt or issue new bonded indebtedness to pay it off as soon as practical and in accordance with all bond covenants in the BVU bonds on the City's financial statements.

§ 15.2-7211. Reports.

The Authority shall keep minutes of its proceedings, which minutes shall be open to public inspection during normal business hours. It shall keep suitable records of all its financial transactions and shall arrange to have the same audited annually by an independent certified public accountant. Such audited financial reports will be provided to the Commonwealth Auditor of Public Accounts and to each participating political subdivision each year and shall be open to public inspection.

§ 15.2-7212. Procurement.

All contracts that the Authority may let for professional services, nonprofessional services, or goods, materials, and equipment shall be subject to the Virginia Public Procurement Act (§ 2.2-4300 et seq.). Nothing herein will be construed to prevent the Authority from adopting a small purchases policy in keeping with such Act. If the Authority is procuring pursuant to a federal grant or program that requires compliance with federal procurement law, then the Authority may procure in compliance with federal law. If the Authority in the exercise of its powers is procuring in another state for use in that state, the Authority may procure in compliance with that state's procurement law.

§ 15.2-7213. Deposit and investment of funds.

All moneys of the Authority shall be deposited as soon as practicable in a separate account or accounts in one or more banks or trust companies organized under the laws of the Commonwealth or national banking associations having their principal offices in the Commonwealth. Such deposits shall be continuously secured in accordance with the Virginia Security for Public Deposits Act (§ 2.2-4400 et seq.).

Funds of the Authority not needed for immediate use or disbursement may, subject to the provisions of any contract between the Authority and the holders of its bonds or any contract between the Authority and TVA, be invested in securities that are considered lawful investments for fiduciaries.

§ 15.2-7214. Authority to issue bonds.

The Authority shall have the power to issue bonds from time to time in its discretion, for any of its purposes, including the payment of all or any part of the cost of Authority infrastructure and facilities; including the payment or retirement of bonds previously issued by it and including the costs of the issuance of such bonds. The Authority may issue such types of bonds as it may determine, including, without limitation, bonds payable, both as to principal and interest: (i) from its revenues and receipts generally and (ii) exclusively from the revenues and receipts of certain designated operations or facilities whether or not they are financed in whole or in part from the proceeds of such bonds. Any such bonds may be additionally secured (a) by a pledge of any grant or contribution from the Commonwealth, or any political subdivision, agency, or instrumentality thereof, any federal agency or any unit, private corporation, co-partnership, association, or individual, or other entity, or (b) by mortgage or encumbrance of any property or facilities of the Authority. Unless otherwise provided in the proceedings authorizing the issuance of the bonds, or in the trust indenture securing the same, all bonds shall be payable solely and exclusively from the revenues and receipts of the Authority. Bonds may be executed and delivered by the Authority at any time and from time to time, may be in such form and denominations and of such terms and maturities, may be in registered, book entry, or bearer form either as to principal or interest or both, may be payable in such installments and at such time or times, may be payable at such place or places whether within or without the Commonwealth, may bear interest at such rate or rates, may be payable at such time or times, and at such place or places, may be evidenced in such manner, and may contain such provisions not inconsistent herewith, all as shall be provided and specified by the Board of Directors in authorizing each particular bond issue including any designation of an agent or officer of the Authority to establish such provisions under guidelines established by the Authority.

If deemed advisable by the Board of Directors, there may be retained in the proceedings under which any bonds of the Authority are authorized to be issued an option to redeem all or any part thereof as may be specified in such proceedings, at such price or prices and after such notice or notices and on such terms and conditions as may be set forth in such proceedings and as may be briefly recited

on the face of the bonds, but nothing herein contained shall be construed to confer on the Authority any right or option to redeem any bonds except as may be provided in the proceedings under which they shall be issued. Any bonds of the Authority may be sold at public or private sale in such manner and from time to time as may be determined by the Board of Directors of the Authority to be most advantageous, and the Authority may pay all costs, premiums, and commissions that its Board of Directors may deem necessary or advantageous in connection with the issuance thereof. Issuance by the Authority of one or more series of bonds for one or more purposes shall not preclude it from issuing other bonds in connection with the same facility or any other facility, but the proceedings whereunder any subsequent bonds may be issued shall recognize and protect any prior pledge or mortgage made for any prior issue of bonds. Any bonds of the Authority at any time outstanding may from time to time be refunded by the Authority by the issuance of its refunding bonds in such amount as the Board of Directors may deem necessary, but not exceeding an amount sufficient to refund the principal of the bonds so to be refunded, together with any unpaid interest thereon and any costs, including insurance costs, premiums, or commissions necessary to be paid in connection therewith. Any such refunding may be effected whether the bonds to be refunded shall have then matured or shall thereafter mature, either by sale of the refunding bonds and the application of the proceeds thereof to the payment of the bonds to be refunded thereby, or by the exchange of the refunding bonds for the bonds to be refunded thereby.

All bonds shall be signed on behalf of the Authority by the chairman or vice-chairman of the Authority, or shall bear the facsimile signature of such officer, and shall bear the official seal of the Authority, or a facsimile thereof shall be impressed or imprinted thereon and shall be attested to by the manual or facsimile signature of the secretary (or the secretary-treasurer) or assistant secretary (or assistant secretary-treasurer) of the Authority. Any coupons attached thereto shall bear the signature or facsimile signature of such chairman. In case any officer whose signature or a facsimile of whose signature appears on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or facsimile signature nevertheless shall be valid and sufficient for all purposes as if such officer had remained in office until such delivery. When the signatures of both the chairman or the vice-chairman and the secretary (or the secretary-treasurer) or the assistant secretary (or the assistant secretary-treasurer) are facsimiles, the bonds must be authenticated by a corporate trustee or other authenticating agent approved by the Authority.

If the proceeds derived from a particular bond issue, due to error of estimates or otherwise, shall be less than the cost of the Authority facilities or infrastructure for which such bonds were issued, additional bonds may in like manner be issued to provide the amount of such deficit, and, unless otherwise provided in the proceedings authorizing the issuance of the bonds of such issue or in the trust indenture securing the same, shall be deemed to be of the same issue and shall be entitled to payment from the same fund without preference or priority of the bonds of the first issue. If the proceeds of the bonds of any issue shall exceed such cost, the surplus may be deposited to the credit of the sinking fund for such bonds or may be applied to the payment of the cost of any additions, improvements, or enlargements of the Authority facilities or infrastructure for which such bonds shall have been issued.

Prior to the preparation of definitive bonds, the Authority may, under like restrictions, issue interim receipts or temporary bonds with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The Authority may also provide for the replacement of any bonds that shall become mutilated or shall be destroyed or lost. Bonds may be issued under the provisions of this chapter without obtaining the consent of any department, division, commission, board, bureau, or agency of the Commonwealth, and without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions, or things that are specifically required by this chapter.

All bonds issued under the provisions of this chapter shall have and are hereby declared to have all the qualities and incidents of and shall be and are hereby made negotiable instruments under the Uniform Commercial Code of Virginia (§ 8.1A-101 et seq.), subject only to provisions respecting registration of the bonds.

The interest income from and any profit made on the sale of the obligations issued under the provisions of this Act shall at all times be free and exempt from taxation by the Commonwealth and by any municipality, county, or other political subdivision thereof.

§ 15.2-7215. Credit of Commonwealth and political subdivisions not pledged.

Bonds issued under the provisions of this chapter shall not be deemed to constitute a debt of the Commonwealth of Virginia, or any political subdivision thereof other than the Authority, but such bonds shall be payable solely from the funds provided therefor as herein authorized. All such bonds shall state on their face that neither the Commonwealth of Virginia nor any political subdivisions thereof, nor the Authority, are obligated to pay the same or the interest thereon or other costs incident thereto except from the revenues and money pledged therefor and that neither the faith and credit nor the taxing power of the Commonwealth, or any political subdivision thereof, is pledged to the payment of the principal of such bonds, the redemption premium, if any, thereon, or the interest thereon or other costs incident thereto.

All expenses incurred in carrying out the provisions of this chapter shall be payable solely from the

funds of the Authority and no liability or obligation shall be incurred by the Authority hereunder beyond the extent to which moneys shall be available to the Authority.

Bonds issued pursuant to the provisions of this Act shall not constitute indebtedness within the meaning of any debt limitation or restriction.

§ 15.2-7216. Directors and persons executing bonds not liable thereon.

Neither the Board of Directors nor any person executing the bonds shall be liable personally on the Authority's bonds by reasons of the issuance thereof.

§ 15.2-7217. Security for payment of bonds; default.

The principal of and interest on any bonds issued by the Authority shall be secured by a pledge of the revenues and receipts out of which the same shall be made payable, and may be secured by a trust indenture covering all or any part of the Authority facilities from which revenues or receipts so pledged may be derived, including any enlargements of any additions to any such projects thereafter made. The resolution under which the bonds are authorized to be issued and any such trust indenture may contain any agreements and provisions respecting the maintenance of the projects covered thereby, the fixing and collection of rents for any portions thereof leased by the Authority to others, the creation and maintenance of special funds from such revenues and the rights and remedies available in the event of default, all as the Board of Directors shall deem advisable not in conflict with the provisions hereof. Each pledge, agreement and trust indenture made for the benefit or security of any of the bonds of the Authority shall continue effective until the principal of and interest on the bonds for the benefit of which the same were made shall have been fully paid. In the event of default in such payment or in any agreements of the Authority made as a part of the contract under which the bonds were issued, whether contained in the proceedings authorizing the bonds or in any trust indenture executed as security therefor, may be enforced by mandamus, suit, action or proceeding at law or in equity to compel the Authority and the directors, officers, agents, or employees thereof to perform each and every term, provision, and covenant contained in any trust indenture of the Authority, the appointment of a receiver in equity, or by foreclosure of any such trust indenture, or any one or more of such remedies.

§ 15.2-7218. Bonds as legal investments.

All bonds issued under the provisions of this chapter are hereby made securities in which all public officers and public bodies of the Commonwealth and its political subdivisions and all insurance companies, trust companies, banking associations, investment companies, executors, administrators, trustees and other fiduciaries may properly and legally invest funds, including capital, under their control or belonging to them. Such bonds are hereby made securities that may properly and legally be deposited with and received by any state or municipal officer or any agency or political subdivision of the Commonwealth for any purpose for which the deposit of bonds or obligations is now or may hereafter be authorized by law.

§ 15.2-7219. Contracts concerning interest rates and investments.

The Authority may enter into any contract that the Board of Directors determines to be necessary or appropriate to place the obligation or investment of the Authority, as represented by the bonds or the investment of their proceeds, in whole or in part, on the interest rate, cash flow, or other basis desired by the Authority, which contract may include, without limitation, interest rate swap agreements, future contracts and contracts providing for payments based upon levels of, or changes in, interest rates. These contracts or arrangements may be entered into by the Authority in connection with, or incidental to, entering into or maintaining any (i) agreement that secures bonds or (ii) investment, or contract providing for investment, otherwise authorized by law. These contracts may contain such payment, security, default, remedy, and other terms as determined by the Authority. Any money set aside and pledged to secure payments of bonds or any contracts entered into pursuant to this section may be invested in accordance with Chapter 45 (§ 2.2-4500 et seq.) of Title 2.2 and may be pledged to and used to service any of the contracts or agreements entered into pursuant to this section.

§ 15.2-7220. Taxation.

The exercise of the powers granted by this Act shall in all respects be presumed to be for the benefit of the public, for the increase of their commerce and for the promotion of their health, safety, welfare, convenience and prosperity, and as the operation and maintenance of any service that the Authority is authorized to provide will constitute the performance of an essential governmental function, the Authority shall not be required to pay any taxes or assessments upon any facilities acquired and constructed by it under the provisions of this Act and the bonds issued under the provisions of this Act, their transfer, and the income therefrom, including any profit made on the sale thereof, shall at all times be free and exempt from taxation by the Commonwealth and by any political subdivision thereof. Persons, firms, partnerships, associations, corporations, and organizations leasing property of the Authority or doing business on property of the Authority shall be subject to and liable for payment of all applicable taxes of the political subdivision in which such leased property lies or in which business is conducted including but not limited to any leasehold tax on real property and taxes on the sale of utility services and local general retail sales and use taxes, taxes to be paid on licenses in respect to any business, profession, vocation or calling, and taxes upon consumers of gas, electricity, telephone, and other public utility services. The Authority shall continue to pay or impute any taxes presently paid

or imputed by Bristol Virginia Utilities and to collect and remit all taxes presently collected and remitted by Bristol Virginia Utilities.

§ 15.2-7221. Sovereign immunity.

No provisions of this chapter nor act of an authority, including the procurement of insurance or self-insurance, shall be deemed a waiver of any sovereign immunity to which the Authority or its directors, officers, employees, or agents are otherwise entitled.

§ 15.2-7222. Appropriation by political subdivision.

Any political subdivision of the Commonwealth is authorized to provide services, to donate real or personal property, and to make appropriations to the Authority for the acquisition, construction, maintenance, and operation of the Authority's facilities. Any such political subdivision is hereby authorized to issue its bonds, including general obligation bonds, in the manner provided in the Public Finance Act of 1991 (§ 15.2-2600 et seq.) or in any applicable municipal charter for the purpose of providing funds to be appropriated to the Authority, and such political subdivisions may enter into contracts obligating such bond proceeds to the Authority.

§ 15.2-7223. Contracts with political subdivisions.

The Authority is authorized to enter into contracts with the Commonwealth, with the states it operates within, with any one or more political subdivisions within and without the Commonwealth, and with any other person or entity for any legal purpose.

§ 15.2-7224. Application of local ordinances, service charges, and taxes upon leaseholds

Nothing herein contained shall be construed to exempt the Authority's property from any applicable zoning, subdivision, erosion, and sediment control and fire prevention codes or from building regulations of a political subdivision in which such property is located, except as otherwise specifically excluded herein. Nor shall anything herein contained exempt the property of the Authority from any service charge authorized by the General Assembly pursuant to Article X, Section 6 (g) of the Constitution of Virginia, or exempt any lessee of any of the Authority's property from any tax imposed upon his leasehold interest in such property or upon the receipts derived therefrom.

§ 15.2-7225. Existing contracts, leases, franchises, etc., not impaired.

No provisions of this Act shall relieve, impair, or affect any right, duty, liability, or obligation arising out of any contract, concession, lease, or franchise now in existence, including all contracts entered into by Bristol Virginia Utilities except to the extent that such contract, concession, lease, or franchise may permit. Notwithstanding the foregoing provisions of this section, the Authority may renegotiate, renew, extend the term of, or otherwise modify at any time any contract, concession, lease, or franchise now in existence in such manner and on such terms and conditions as it may deem appropriate, provided that the operator of or under any said contract, concession, lease, or franchise consents to such renegotiation, renewal, extension, or modification. The Authority shall be obligated for the performance of any contract of Bristol Virginia Utilities now in existence in accordance with its terms, and such contracts shall remain in full force and effect.

§ 15.2-7226. Liberal construction.

Neither this chapter nor anything contained herein is or shall be construed as a restriction or limitation upon any powers that the Authority might otherwise have under any laws of the Commonwealth, and this chapter is cumulative to any such powers; provided, however, that nothing in the foregoing provision shall be deemed to have expanded the powers of the Authority to provide and operate telecommunication and related services, including without limitation, cable television, internet, and all other services that might be rendered by use of the Authority's fiber optic system, beyond existing restrictions and limitations thereon. This chapter does and shall be construed to provide a complete, additional, and alternative method for the doing of the things authorized hereby and shall be regarded as supplemental and additional to powers conferred by other laws. The provisions of this Act are severable, and if any of its provisions shall be invalidated by a court of competent jurisdiction, the decision of such court shall not affect or impair any of the other provisions of this chapter unless said partial invalidation makes the continued operation of the Authority economically or operationally invariable, in which case, this chapter shall be deemed invalid as a whole.
