2. Assignor hereby requests the Commissioner of Patents and Trademarks, and the corresponding entities or agencies in any applicable foreign countries or multinational authorities, to record Assignee as the assignee and owner of the Marks and to deliver to

3. Assignor shall provide Assignee, its successors and assigns, or their legal representatives such information and assistance as Assignee may reasonably request (including, without limitation, execution and delivery of any affidavits, declarations, oaths or other documents as may reasonably be required) in connection with: (1) the preparation of any application for registration or any application for renewal any Mark; (2) the prosecution or defense of any infringement or other proceedings that may arise in connection with any of the Marks including, but not limited to, testifying as to any facts relating to the Marks assigned herein and this Assignment; (3) obtaining any additional protection for the Marks that Assignee reasonably may deem appropriate that may be secured under the laws now or hereafter in effect in the United States, foreign countries and multinational authorities; and (4) otherwise effectuating and implementing this Assignment.
