INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Intellectual Property Security Agreement is entered into as of February 11, 2011 by and among Escalate Capital I, L.P. ("Lender"), LDR SPINE USA, INC., a Delaware corporation ("Opco"), and LDR HOLDING CORPORATION, a Delaware corporation ("Parent" and together with Opco, each a "Borrower," and collectively, jointly and severally, "Borrowers").

RECITALS

Lender has agreed to make certain advances of money and to extend certain financial accommodations to Borrower under that certain Amended and Restated Loan and Security Agreement by and between Lender and Borrowers dated of even date herewith (as amended from time to time, the "Loan Agreement"). Capitalized terms used herein are used as defined in the Loan Agreement. Pursuant to the terms of the Loan Agreement, Borrowers have granted to Lender a security interest in its personal property.

NOW, THEREFORE, each Borrower agrees as follows:

AGREEMENT

To secure its obligations under the Loan Agreement and under any other agreement now existing or hereafter arising between such Borrower and Lender, such Borrower grants to Lender a security interest in all of such Person's right, title and interest in, its Intellectual Property (including without limitation those Copyrights, Patents and Trademarks listed on Exhibits A, B and C hereto) and all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions continuations, renewals, extensions and continuations-in-part thereof such Borrower represents and warrants that Exhibits A, B, and C attached hereto set forth any and all intellectual property rights in connection to which such Borrower has registered or filed an application with either the United States Patent and Trademark Office or the United States Copyright Office or any other agency of any state or country responsible for the registration of any patent, trademark, copyright, or similar protection, as applicable. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute the same instrument.

[Signature page follows.]

IN WITNESS WHEREOF, the parties have caused this Intellectual Property Security Agreement to be duly executed by its officers thereunto duly authorized as of the first date written above.
