PATENT AND TRADEMARK ASSIGNMENT

This PATENT AND TRADEMARK ASSIGNMENT is dated as of March 1, 2011 (this "Assignment") by and among Elan Home Systems, L.L.C., a Kentucky limited liability company (the "Assignor") and The AVC Group, LLC, a Delaware limited liability company (the "Assignee").

RECITALS

WHEREAS, Assignor has agreed to assign to the Assignee all of the Assignor's right, title, and interest in and to all of Assignor's trademarks, including, without limitation, trade names, service marks, brand names, patents, copyrights, pending applications for patents, pending applications for trademarks, expired patents and trademarks, inventions, processes, know-how, formulae, patterns, designs, trade secrets, domain names and other intellectual property and proprietary rights, including all associated goodwill and all royalties to which Assignor is entitled with respect hereto ("Intellectual Property"), including but not limited to that Intellectual Property listed on Schedule A hereto.

NOW, THEREFORE, for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Assignment. Assignor hereby assigns, conveys, and transfers to Assignee, as successor to the business to which the mark pertains, which business is ongoing and existing, all rights, titles, and interests in and to the Intellectual Property, including the goodwill associated with the Intellectual Property and any renewals and extensions of the Intellectual Property that are or may be secured under the laws of the United States and all foreign countries, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns, or other legal representatives, together with all income, royalties, or payments due or payable as of the effective date of this Assignment or thereafter, including, without limitation, all claims for damages or causes of action by reason of past, present, or future infringement or other unauthorized use of the Intellectual Property with the right to sue for and collect the same for Assignee's own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives. This Assignment is granted free and clear of all security interests, liens, encumbrances, claims or interests of any kind or nature.

2. Authorization. Assignor authorizes and requests the Commissioner of Patents and Trademarks, or any other official whose duty is to record ownership of trademarks in the United States and in all foreign countries, to record the Assignee as the owner of the Intellectual Property.

3. Further Assurances. At Assignee's request, Assignor will assign and deliver to Assignee all files, documents, and correspondence pertaining to the Intellectual Property, including all correspondence to and from the U.S. Patent and Trademark Office, and any and all legal counsel advising on or assisting with the prosecution or maintenance of the Intellectual Property. In addition, at Assignee's expense and reasonable request, Assignor will provide further cooperation reasonably necessary (such as executing and delivering additional assignments, affidavits, and other documents and providing information and materials in the

possession of the Assignor) to obtain, perfect, and defend the Intellectual Property in this or any foreign country.

4. Facsimiles. For purposes of this Agreement, facsimile, scanned, or digitally transmitted signatures shall be deemed to be original signatures. In addition, if any of the parties sign facsimile or scanned copies of this Agreement, such copies shall be deemed originals.

5. Governing Law. This Agreement will be governed by, and construed and interpreted in accordance with, the substantive laws of the State of Delaware, without giving effect to any choice of law or conflicts of law provision or rule that would cause the application of the laws of a jurisdiction other than Delaware.

IN WITNESS WHEREOF, the parties have duly executed this Patent and Trademark Assignment as of the date first written above.
