## TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT (this "*Assignment*") is made and effective on the 3 day of March, 2011 (the "*Effective Date*") by and between ISKA ENTERTAINMENT COMPANY, a Florida Corporation ("*Assignor*"), and EXPLOSION ENTERTAINMENT, LLC, a California limited liability company ("*Assignee*").

### RECITALS

WHEREAS, Assignor wishes to convey to Assignee any and all of Assignor's rights in and to the trademarks set forth on Schedule A to this Assignment (hereinafter the "*Marks*") together with all of the goodwill associated with and symbolized by the Marks; and

WHEREAS, the Assignee wishes to acquire all of Assignor's right, title and interest in and to the Marks and all goodwill associated therewith.

NOW, THEREFORE, for \$100,000.00 ( one hundred thousand dollars and no cents) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. Assignment. Assignor does hereby sell, assign, and transfer to Assignee and Assignee hereby accepts the sale, assignment, and transfer of all Assignor's right, title, and interest in and to the Marks, including, without limitation, the goodwill associated with and symbolized by the Marks, and all registrations and applications therefor in the United States and any foreign country, including any renewals and extensions of the registrations that are or may be secured under the laws of the United States and/or any foreign country, now or hereafter in effect, together with all income, royalties or payments due or payable with respect to the Marks as of the Effective Date and hereafter, including, without limitation, and all claims for damages by reason of past, present, or future infringement or other unauthorized use of the Marks, with the right to sue for, and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns, affiliates or other legal representatives.

2. Transfer. Assignor hereby authorizes the Commissioner of Patents and Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office to transfer all registrations and applications for the Marks to Assignee as assignee of the entire right, title and interest therein or otherwise as Assignee may direct, in accordance with this instrument of assignment, and to issue to Assignee all registrations which may issue with respect to any applications for trademark or service mark included in the Marks.

3. Governing Law. This Assignment and the rights of the parties hereunder shall be governed by and construed in accordance with the laws of the State of California (other than the choice of law principles thereof). Except as otherwise provided herein, any action, suit or other proceeding relating to this Agreement may be brought in any federal or state court in the State of California, as the party bringing such action, suit or proceeding shall elect, having jurisdiction over the subject matter thereof.

4. Counterparts. This Assignment may be executed in any number of counterparts, and any party hereto may execute any such counterpart, each of which when executed and

delivered shall be deemed to be an original and all of which counterparts taken together shall constitute but one and the same instrument. The parties agree that the delivery of this Assignment may be effected by means of an exchange of facsimile signatures with original copies to follow by mail or courier service.

5. Assignment. This Assignment and all of the provisions hereof shall be binding upon and inure to the benefit of each of the parties hereto and their respective successors and permitted assigns.

6. Parties in Interest. This Assignment shall be binding upon and inure solely to the benefit of each party hereto and their respective successors and permitted assigns and, except as expressly provided in this Assignment, nothing in this Assignment, express or implied, is intended to or shall confer upon any other Person any rights, interests, benefits or remedies of any nature whatsoever under or by reason of this Assignment.

7. Descriptive Headings. The descriptive headings of this Assignment are for convenience of reference only and shall not control or affect the meaning or construction of any provision of this Assignment.

8. Severability. If any term or provision of this Assignment shall, in any jurisdiction, be invalid, illegal or unenforceable, such term or provision shall be ineffective as to such jurisdiction to the extent of such invalidity or unenforceability, without invalidating or rendering unenforceable such term or provision in any other jurisdiction. All other terms and other provisions of this Assignment shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated by this Assignment is not affected in any manner materially adverse to Assignee. Upon such determination that any term or provision is invalid, illegal or unenforceable, the parties hereto shall negotiate in good faith to modify this Assignment so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that the transactions contemplated by this Assignment are fulfilled to the greatest extent possible.

*[Signature Pages follow]*

IN WITNESS WHEREOF, the parties hereto have executed the signature page to this Assignment as of the day and year first above written.
