AND Assignor hereby agrees to execute and deliver at the request of Assignee, all papers, instruments, and assignments, and to perform any other reasonable acts Assignee may require in order to vest all Assignor's rights, title, and interest in and to said marks in Assignee and/or to provide evidence to support any of the foregoing in the event such evidence is deemed necessary by Assignee, to the extent such evidence is in the possession or control of Assignor.

AND Assignor authorizes and requests the Director of Patents and Trademarks to issue any registration of the marks on any said application to Assignee, and Assignee's successors and assigns, in accordance herewith.

AND Assignor sells, assigns, and transfers to Assignee the entire and exclusive right, title, and interest in and to any and all divisional applications and registrations that may be granted in the United States that are related to the listed registrations and applications, together with the goodwill of the business in which the marks are used and symbolized by the marks, along with all rights to sue and recover damages for past infringement of the marks. Assignor further authorizes and requests the Director of Patents and Trademarks to issue any said registrations to Assignee, for Assignee's exclusive benefit, to the full end of the term for which any said registrations may be granted, as fully and entirely as the same would have been held by Assignor if this assignment and sale had not been made.

AND Assignor sells, assigns, and transfers to Assignee the full and exclusive right to said trademarks in any foreign country or region in which Assignor has similar rights to those held in the United States, whether by international treaty or otherwise, and the entire right, title, and interest in and to any and all related or counterpart trademark applications and registrations that may be granted therefor in any said foreign country or region. Assignor further authorizes and requests the respective foreign trademark authority to issue any said registration to Assignee, for Assignee's exclusive benefit, to the full end of the term for which any said registration may be granted, as fully and entirely as the same would have been held by Assignor if this assignment and sale had not been made.
