A copy of this notice could not be mailed to each creditor listed below because the court does not have both a city and state for the creditor or, if being mailed to a foreign country, both a city and country. Immediately contact the court in writing if you believe it failed to properly add to its database all of the addresses you provided in your mailing matrix. Please be advised that a creditor's failure to receive some notice of your case could mean the debt owed to that creditor may not be discharged (debtor should contact their attorney with questions).
