**INTELLECTUAL PROPERTY SECURITY AGREEMENT**

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT is entered into as of March 25, 2011 by and among M86 SECURITY, INC., a Delaware corporation (“**Borrower**”), M86 AMERICAS, INC., a Delaware corporation and wholly-owned subsidiary of Borrower (“**M86 Americas**”), and AVINTI ACQUISITION CORP., a Delaware corporation and wholly-owned subsidiary of Borrower (“**Avinti**”), and PROVIDENCE TMT DEBT OPPORTUNITY FUND II L.P., a Cayman Islands exempted limited partnership and PECM STRATEGIC FUNDING L.P., a Cayman Islands exempted limited partnership (together, “**Secured Party**”). Each of Borrower, M86 Americas and Avinti is referred to herein from time to time as a “**Grantor**,” and collectively as the “**Grantors**.”

**RECITALS**

A. Secured Party has made an advance of money (the “**Term Loan**”) and certain financial accommodations to Borrower, repayment of which has been guaranteed by each of M86 Americas and Avinti as evidenced by that certain Loan and Security Agreement dated as of even date herewith by and among the Grantors and Secured Party (as the same may be amended, modified or supplemented from time to time, the “**Loan Agreement**”). Secured Party is willing to enter into the Loan Agreement and to make the Term Loan to Borrower, but only upon the condition, among others, that Borrower and each other Grantor grant to Secured Party a security interest in certain Copyrights, Trademarks and Patents to secure the obligations of Grantors under the Term Note and the Loan Agreement. All capitalized terms used but not otherwise defined herein shall have the respective meanings assigned to them in the Loan Agreement.

B. As security for the repayment of the Term Loan and the satisfaction of all obligations of Borrower under the Loan Agreement, each Grantor has granted to Secured Party a continuing first priority security interest in all of such Grantor’s right, title and interest in, to or under all of the Grantor’s tangible and intangible assets.

**AGREEMENT**

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, as collateral security for the prompt and complete payment when due of its obligations under the Term Loan, the Loan Agreement and each of the other Loan Documents, each Grantor hereby represents, warrants, covenants and agrees as follows:

To secure its obligations under the Loan Documents and under all other agreements now existing or hereafter arising between any of the Grantors and Lender, each Grantor grants and pledges to Secured Party a first priority security interest and lien in all of such Grantor’s right, title and interest in, to and under its Intellectual Property (including without limitation those Patents, Copyrights and Trademarks (and applications thereof) set forth on Schedules A, B and C hereto), and including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions continuations, renewals, extensions and continuations-in-part thereof.

This security interest is granted in conjunction with the security interest granted to Secured Party under the Loan Agreement. The rights and remedies of Secured Party with respect to the security interest granted hereby are subject to the terms of the Loan Agreement and are in addition to those set forth in the Loan Agreement and the other Loan Documents, and those which are now or hereafter available to Secured Party as a matter of law or equity. Each right, power and remedy of Secured Party provided for herein or in the Loan Agreement or any of the other Loan Documents, or now or hereafter existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein and the exercise by the Secured Party of any one or more of the rights, powers or remedies provided for in this Intellectual Property Security Agreement, the Loan Agreement or any of the other Loan Documents, or now or hereafter existing at law or in equity, shall not preclude the simultaneous or later exercise by any Person, including Secured Party, of any or all other rights, powers or remedies.

Each Grantor represents and warrants that Exhibits A, B, and C attached hereto set forth any and all Intellectual Property rights in connection to which such Grantor has registered or filed an application with either the United States Patent and Trademark Office or the United States Copyright Office, as applicable.

None of the terms or provisions of this Intellectual Property Security Agreement may be waived, altered, modified or amended except by an instrument in writing, duly executed by the Grantors and Secured Party.

This Intellectual Property Security Agreement and all obligations of each Grantor hereunder shall be binding upon the successors and assigns of each of the Grantors, and shall, together with the rights and remedies of Secured Party hereunder, inure to the benefit of Secured Party, any future holder of any of the Obligations and their respective successors and assigns. No sales of participations, other sales, assignments, transfers or other dispositions of any agreement governing or instrument evidencing the Obligations or any portion thereof or interest therein shall in any manner affect the lien granted to Secured Party hereunder.

In all respects, including all matters of construction, validity and performance, this Intellectual Property Security Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of New York applicable to contracts made and performed in such state, without regard to the principles thereof regarding conflict of laws, except to the extent that the UCC provides for the application of the law of a different jurisdiction.
