**ASSIGNMENT OF
INVENTIONS, UTILITY PATENTS AND PATENT APPLICATIONS, TRADEMARKS
AND TRADEMARK APPLICATIONS, AND COPYRIGHTS**

THIS ASSIGNMENT is made by and between Adept MobileRobots LLC, a limited liability company having an office at 5960 Inglewood Drive, Pleasanton, CA 94588 (hereinafter referred to as Assignor) AND Adept Technology, Inc., a corporation also having an office at 5960 Inglewood Drive, Pleasanton, CA 94588 (hereinafter referred to as Assignee);

WHEREAS, Assignor is the owner by assignment of certain inventions, certain Letters Patent issued by the United States Patent Office, and certain applications for Letters Patent filed and pending in the U.S. Patent and Trademark Office, as listed in the attached Exhibit A, and is the owner of the entire right, title and interest in and to said inventions, Letters Patent and patent applications described therein; and

WHEREAS, Assignor is the owner by assignment of certain registered trademarks, and certain applications for trademark registration filed and pending in the U.S. Patent and Trademark Office, as listed in the attached Exhibit B, and is the owner of the entire right, title and interest to said registered trademarks and trademark applications, together with the goodwill of the business activities symbolized thereby in connection with the goods and services on which the trademarks are used and are or will be registered; and

WHEREAS, Assignor is the owner by assignment of certain copyrights registered with the U.S. Copyright Office, as listed in attached Exhibit C, and is the owner of the entire right, title and interest to said copyright registrations; and

WHEREAS, Assignee wishes to acquire from Assignor, and Assignor wishes to convey to Assignee, the entire right, title and interest in and to said inventions, said Letters Patent and patent applications, said registered trademarks and trademark applications, said registered copyrights, and in and to any Letters Patent, trademark registrations or copyright registrations of the United States and all foreign countries to be obtained therefore and thereon.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned,

transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to:

(a) the inventions, patents and patent applications listed in Exhibit A, and in and to any and all patent applications which may claim priority thereto, and any and all direct and indirect divisions, continuations and continuations-in-part based on said patent applications, and any and all Letters Patent in the United States and all foreign countries which may be granted therefore and thereon, and reissues, reexaminations and extensions of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property;

(b) the trademark applications and trademark registrations listed in Exhibit B, together with the goodwill of the business activities relating to the goods and services upon which the trademarks are used and for which they are and will be registered; and

(c) the copyright registrations listed in Exhibit C, and to all renewals and extensions of said copyright registrations, and all rights to seek copyright for the works listed in Exhibit C that may now or hereinafter be secured or securable under the laws of the United States and all foreign countries;

the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, the full end of the terms of the trademark registrations and the full end of the terms of the copyright registrations, as fully and entirely as the same would have been held and enjoyed by Assignor, had this sale and assignment not been made;

AND, for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, for said trademark applications and registrations and said copyright registrations without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said trademark applications, or said trademark registrations, or said copyright registrations, or said inventions, or said applications for Letters Patent, or any proceeding in connection with any Letters Patent or applications for Letters

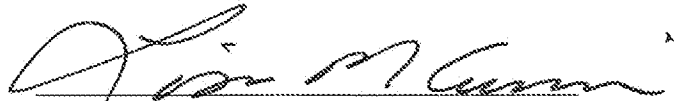

Patent for said inventions in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any applications for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable;

AND, Assignor and Assignee will cooperate and consult with one another in good faith, if necessary in the future to carry out the intent of this document.

IN WITNESS WHEREOF, Assignor and Assignee have caused this Assignment to be duly executed by their duly authorized representatives.

SIGNED, for and on behalf of Assignor, by:
