INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This Agreement is effective as of, **November 1, 2010** by and among **PROFESSIONAL GOLF BALL SERVICES, LTD.**, a Texas limited partnership, the "**Company**"), **JAMES J. DENNESEN** and **DENNECO, INC.** (collectively, "**Assignors**" and individually, an "**Assignor**").

1. Assignment

In consideration of Ten and No/100 Dollars (\$10.00) and other consideration, the receipt whereof is acknowledged, Assignors hereby assign to the Company exclusively throughout the world, except as noted in "EXHIBIT B" all right, title and interest (whether or not now existing) in the (i) subject matter referred to in Exhibit "A" (the "**IP Assets**"), (ii) all precursors, portions and work in progress with respect thereto and all inventions, works of authorship, mask works, technology, information, know-how, materials and tools relating thereto or to the development, production, use, support or maintenance thereof and (iii) all copyrights, patent rights, trade secret rights, trademark rights, and other intellectual property rights (including derivative works, improvements, renewals, extensions, continuations, divisionals, continuations in part, reissues, and reexaminations of such IP Assets), and all business, contract rights and goodwill in, incorporated or embodied in, used to develop or produce or use, or related to any of the foregoing (collectively the "**Intellectual Property**").

2. Further Assurances & Moral Rights

2.1 Assignors agree to assist the Company, in every proper way to evidence, record and perfect the Section 1 assignment and to secure, enforce, maintain, and defend the assigned rights. Said assistance shall be limited to cooperation and shall not imply financial responsibility to Assignor. If the Company is unable for any reason whatsoever to secure a Assignor's signature to any document requested by the Company under this Section 2.1, Assignors hereby irrevocably designate and appoint the Company and its duly authorized officers and agents, as each Assignor's agent and attorney-in-fact, coupled with an interest and with full power of substitution, to act for and on each Assignor's behalf and instead of such Assignor, to execute and file any such document or documents and to do all other lawfully permitted acts to further the purposes of the foregoing with the same legal force and effect as if executed by such Assignor.

2.2 To the extent allowed by law, Section 1 includes all rights of paternity, integrity, disclosure and withdrawal and any other rights that may be known as or referred to as "moral rights," "artist's rights," "droit moral," or the like (collectively "**Moral Rights**"). To the extent a Assignor retains any such Moral Rights under applicable law, such Assignor hereby ratifies and consents to, and provides all necessary ratifications and consents to, any action that may be taken with respect to such Moral Rights by or authorized by the Company; Assignors agree not to assert any Moral Rights with respect thereto. Assignors will confirm any such ratifications, consents and agreements from time to time as requested by the Company.

3. Warranty

Each Assignor represents and warrants to the Company that such Assignor (i) is the sole owner of all rights, title and interest in the Intellectual Property and the IP Assets, (ii) except as noted in EXHIBIT "B" has not assigned, transferred, licensed, pledged or otherwise encumbered any Intellectual Property or the IP Assets or agreed to do so, (iii) has full power and authority to enter into this Agreement and to make the assignment as provided in Section 1, (iv) is not aware of any violation, infringement or misappropriation of any third party's rights (or any claim thereof) by the Intellectual Property or the IP Assets, and (v) is not aware of any questions or challenges with respect to the patentability or validity of any claims of any existing patents relating to the Intellectual Property.

4. Miscellaneous

This Agreement is not assignable or transferable by any of the Assignors without the prior written consent of the Company; any attempt to do so shall be void. Any notice, report, approval or consent required or permitted hereunder shall be in writing and will be deemed to have been duly given if delivered personally or mailed by first-class, registered or certified U.S. mail, postage prepaid to the respective addresses of the parties as set forth below (or such other address as a party may designate by ten (10) days notice). No failure to exercise, and no delay in exercising, on the part of either party, any privilege, any power or any rights hereunder will operate as a waiver thereof, nor will any single or partial exercise of any right or power hereunder preclude further exercise of any other right hereunder. If any provision of this Agreement shall be adjudged by any court of competent jurisdiction to be unenforceable or invalid, that provision shall be limited or eliminated to the minimum extent necessary so that this Agreement shall otherwise remain in full force and effect and enforceable. This Agreement shall be deemed to have been made in, and shall be construed pursuant to the laws of the State of Texas and the United States without regard to conflicts of laws provisions thereof. The prevailing party in any action to enforce this Agreement shall be entitled to recover costs and expenses including, without limitation, attorneys' fees. Any waivers or amendments shall be effective only if made in writing and signed by a representative of the respective parties authorized to bind the parties. The parties agree that this Agreement is the complete and exclusive statement of the mutual understanding of the parties and supersedes and cancels all previous written and oral agreements and communications relating to the subject matter of this Agreement.
