ASSIGNMENT OF TRADEMARKS

THIS ASSIGNMENT OF TRADEMARKS ("Assignment") is made as of the 1st day of November, 2009, by and between Ezon, Inc., a Florida corporation, having a principal place of business at 1100 Fifth Avenue South, Suite 210, Naples, Florida 34102 ("Assignor") and DYK Automotive, LLC, a Delaware limited liability company, having a principal place of business at 1000 Ridgeway Loop Road, Suite 203, Memphis, TN 38120 ("Assignee").

RECITALS:

WHEREAS, Assignor and DY Automotive, LLC ("DY"), a Delaware limited liability company and an affiliate of Assignee, were parties to a certain Asset Purchase Agreement dated October 1, 2008 (the "Asset Purchase Agreement"), under the terms of which Assignor sold and transferred, and DY purchased, the Acquired Assets (as such term is defined in the Asset Purchase Agreement);

WHEREAS, Assignor was the owner of certain trademarks, trademark applications and trade names, which constitute part of the Acquired Assets;

WHEREAS, pursuant to the Asset Purchase Agreement, Assignor was to transfer to DY all of Assignor's right, title and interest in, to and under said trademarks, and all of the goodwill associated therewith;

WHEREAS, some trademarks were inadvertently omitted from the Asset Purchase Agreement, such trademarks now being listed on Exhibit A, being those trademarks unregistered with the US Patent and Trademark Office and on Exhibit B, being those trademarks registered with the US Patent and Trademark Office (collectively, Exhibits A and B are the "Trademarks"), and the Assignor desires to correct such omission by transferring such omitted trademarks pursuant to this Assignment as though such Trademarks were transferred on the date of the Asset Purchase Agreement;

WHEREAS, because of a corporate restructuring, DY is no longer the owner of the trademarks previously assigned to DY and the Assignee is now the owner of such trademarks;

WHEREAS, since Assignee is now the owner of the trademarks previously assigned to DY, Assignor has agreed to transfer to Assignee all of Assignor's right, title and interest in, to and under the Trademarks and all of the goodwill associated with such Trademarks to Assignee;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by Assignor, Assignor hereby sells, conveys, assigns, transfers and delivers to Assignee, its successors and assigns, all of the right, title and interest Assignor has in and to said Trademarks and the registrations thereof together with all of the goodwill associated with said Trademarks; all extensions or renewals thereof; the right to sue and recover damages for past and future infringements thereof and to stand in the place of Assignor in all matters related thereto. Assignor further covenants that Assignee will, upon its request, be provided promptly with all pertinent facts and documents relating to said Trademarks as may be

known and accessible to Assignor and will promptly execute and deliver to Assignee or its legal representatives any and all papers, instruments or affidavits required to carry out said transfer of said Trademarks to Assignee.

IN WITNESS WHEREOF, the parties hereto have caused this Assignment of Trademarks to be executed as of the day and year first written above.
