12. GENERAL.

12.1 Severability. If any term of this Agreement is found invalid under California law or other laws of mandatory application by a court of competent jurisdiction, the invalid term will be considered excluded from this Agreement and will not invalidate the remaining terms of this Agreement.

12.2 GOVERNING LAW. THIS AGREEMENT HAS BEEN DELIVERED AND ACCEPTED AT AND SHALL BE DEEMED TO HAVE BEEN MADE AT NEWPORT BEACH, CALIFORNIA. THIS AGREEMENT SHALL BE DEEMED TO BE A CONTRACT MADE UNDER AND GOVERNED BY THE INTERNAL LAWS OF THE STATE OF CALIFORNIA (WITHOUT REGARD TO CALIFORNIA CONFLICTS OF LAW PRINCIPLES).

12.3 WAIVER OF JURISDICTION. AS A SPECIFICALLY BARGAINED INDUCEMENT FOR BANK TO ENTER INTO THIS AGREEMENT AND EXTEND CREDIT TO BORROWER, PLEDGOR AND BANK AGREE THAT ANY ACTION, SUIT OR PROCEEDING IN RESPECT OF OR ARISING OUT OF THIS AGREEMENT, ITS VALIDITY OR PERFORMANCE AND WITHOUT LIMITATION ON THE ABILITY OF BANK, ITS SUCCESSORS AND ASSIGNS, TO INITIATE AND PROSECUTE IN ANY APPLICABLE JURISDICTION ACTIONS RELATED TO THE REPAYMENT AND COLLECTION OF THE OBLIGATIONS AND THE EXERCISE OF ALL OF BANK'S RIGHTS AGAINST PLEDGOR WITH RESPECT THERETO, THE INTELLECTUAL PROPERTY COLLATERAL AND ANY OTHER SECURITY OR PROPERTY OF PLEDGOR, INCLUDING DISPOSITIONS OF THE COLLATERAL, SHALL BE INITIATED AND PROSECUTED AS TO ALL PARTIES AND THEIR SUCCESSORS AND ASSIGNS AT ORANGE COUNTY, CALIFORNIA. BANK AND PLEDGOR EACH CONSENTS TO AND SUBMITS TO THE EXERCISE OF JURISDICTION OVER ITS PERSON BY ANY COURT SITUATED AT ORANGE COUNTY CALIFORNIA HAVING JURISDICTION OVER THE SUBJECT MATTER, AND CONSENTS THAT ALL SERVICE OF PROCESS BE MADE BY CERTIFIED MAIL DIRECTED TO PLEDGOR AND BANK AT THEIR RESPECTIVE ADDRESSES SET FORTH IN ITS GUARANTY, THE OTHER LOAN DOCUMENTS OR AS OTHERWISE PROVIDED UNDER THE LAWS OF THE STATE OF CALIFORNIA. PLEDGOR WAIVES ANY OBJECTION BASED ON FORUM NON CONVENIENS, AND ANY OBJECTION TO VENUE OF ANY ACTION INSTITUTED HEREUNDER, AND CONSENTS TO THE GRANTING OF SUCH LEGAL OR EQUITABLE RELIEF AS IS DEEMED APPROPRIATE BY THE COURT.

12.4 Survival and Continuation of Representations and Warranties. All of Pledgor's representations and warranties contained in this Agreement shall (i) survive the execution, delivery and acceptance hereof by the parties hereto and the closing of the transactions described herein or related hereto, and (ii) remain true until the Obligations are fully performed, paid and satisfied, made by Pledgor with the same effect as though the representations and warranties had been made again on, and as of, each day of the term of this Agreement, subject to such changes as may not be prohibited hereby, do not constitute Events of Default, and have been consented to by Bank in writing.

12.5 Bank's Additional Rights Regarding Collateral. All of the Obligations shall constitute one obligation secured by all of the Intellectual Property Collateral. In addition to Bank's other rights and remedies under the Loan Documents, Bank may, in its discretion exercised in good faith, following the occurrence and during the continuance of any Event of Default, but subject to Section 10.4(iv) above: (i) exchange, enforce, waive or release any of the Intellectual Property Collateral or portion thereof, (ii) apply the proceeds of the Intellectual Property Collateral against the Obligations and direct the order or manner of the liquidation thereof (including any sale or other disposition), as Bank may, from time to time, in each instance determine, and (iii) settle, compromise, collect or otherwise liquidate any such security in any manner without affecting or impairing its right to take any other further action with respect to any security or any part thereof.

12.6 Application of Payments; Revival of Obligations. Bank shall have the continuing right to apply or reverse and reapply any payments to any portion of the Obligations. To the extent Pledgor makes a payment or payments to Bank or Bank receives any payment or proceeds of the Intellectual Property Collateral or any other security for Pledgor's benefit, which payment(s) or proceeds or any part thereof are subsequently voided, invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy act, state or federal law, common law or equitable cause, then, to the extent of such payment(s) or proceeds received, the Obligations or part thereof intended to be satisfied shall be revived and shall continue in full force and effect, as if such payment(s) or proceeds had not been received by Bank.

12.7 Additional Waivers by Pledgor. Pledgor waives presentment and protest of any instrument and notice thereof, and, except as expressly provided in the Loan Documents, demand, notice of default and all other notices to which Pledgor might otherwise be entitled. Pledgor shall also assert no claim against Bank on any theory of liability for consequential, special, indirect or punitive damages.

12.8 Equitable Relief. Pledgor recognizes that, in the event Pledgor fails to perform, observe or discharge any of its obligations or liabilities under this Agreement, any remedy of law may prove to be inadequate relief to Bank; therefore, Pledgor agrees that Bank, if Bank so requests, shall be entitled to temporary and permanent injunctive relief in any such case without the necessity of proving actual damages.

12.9 Entire Agreement; Counterparts; Fax Signatures. This Agreement and the other Loan Documents set forth the entire agreement of the parties with respect to subject matter of this Agreement and supersede all previous understandings, written or oral, in respect thereof. Any request from time to time by Pledgor for Bank's consent under any provision in the Loan Documents must be in writing, and any consent to be provided by Bank under the Loan Documents from time to time must be in writing in order to be binding on Bank; *however*, Bank will have no obligation to provide any consent requested by Pledgor, and Bank may, for any reason in its discretion exercised in good faith, elect to withhold the requested consent. Two or more duplicate originals of this Agreement may be signed by the parties, each of which shall be an original but all of which together shall constitute one and the same instrument. Any

documents delivered by, or on behalf of, Pledgor by fax transmission (i) may be relied on by Bank as if the document were a manually signed original and (ii) will be binding on Pledgor for all purposes of the Loan Documents.

12.10 Headings. Section headings in this Agreement are included for convenience of reference only and shall not relate to the interpretation or construction of this Agreement.

12.11 Cumulative Remedies. The remedies provided in this Agreement and the other Loan Documents are cumulative and not exclusive of any remedies provided by law. Exercise of one or more remedy(ies) by Bank does not require that all or any other remedy(ies) be exercised and does not preclude later exercise of the same remedy. If there is any conflict, ambiguity, or inconsistency, in Bank's judgment, between the terms of this Agreement or any of the other Loan Documents, then the applicable terms and provisions, in Bank's judgment, providing Bank with greater rights, remedies, powers, privileges, or benefits will control. Without limiting the generality of the foregoing, the description of the Intellectual Property Collateral in this Agreement does not in any way limit the description of, or Bank's Lien on, the "Collateral" as defined in the Security Agreement, or Bank's remedies respecting the "Collateral."

12.12 Waivers and Amendments in Writing. Failure by Bank to exercise any right, remedy or option under this Agreement or in any Loan Documents or delay by Bank in exercising the same shall not operate as a waiver by Bank of its right to exercise any such right, remedy or option. No waiver by Bank shall be effective unless it is in writing and then only to the extent specifically stated. This Agreement cannot be amended, modified, changed or terminated orally.

12.13 Recourse to Directors or Officers. The obligations of Bank under this Agreement are solely the corporate obligations of Bank. No recourse shall be had for the payment of any amount owing in respect to this Agreement or for the payment of any fee hereunder or for any other obligation or claim arising out of or based upon this Agreement against any stockholder, employee, officer, or director of Bank.

12.14 Assignment. Bank shall have the right to assign this Agreement and the other Loan Documents. Pledgor may not assign, transfer or otherwise dispose of any of its rights or obligations hereunder, by operation of law or otherwise, and any such assignment, transfer or other disposition without Bank's written consent shall be void. All of the rights, privileges, remedies and options given to Bank under the Loan Documents shall inure to the benefit of Bank's successors and assigns, and all the terms, conditions, covenants, provisions and warranties in this Agreement shall inure to the benefit of and bind the permitted successors and assigns of Pledgor and Bank, respectively.

12.15 Continuing Rights. This Agreement creates a continuing Lien on the Intellectual Property Collateral and will (i) remain in full force and effect until the full and final payment of all the Obligations, (ii) be binding on Pledgor, its successors and assigns, and (iii) inure, together with the rights and remedies of Bank under this Agreement, to the benefit of Bank and Bank's successors, transferees and assigns.

12.16 Term; Intellectual Property Collateral Reversion. Subject to Section 12.6, this Agreement will terminate upon the full performance, payment and satisfaction of the Obligations (other than contingent and unliquidated indemnity claims; provided, that any reasonably anticipated claims such as NSF check or ACH charge-back rights shall remain secured by a reserve to be established in Bank's reasonable discretion) and termination of the commitment to make additional loans or advances to Borrower, at which time the Lien granted by this Agreement will terminate (except as to the aforementioned reserve) and all rights to the Intellectual Property Collateral will revert to Pledgor (without representation, warranty or recourse). On any such termination, Bank will, at Pledgor's expense, sign and deliver to Pledgor such documents as Pledgor reasonably requests to evidence such termination (without representation, warranty or recourse).

12.17 Conflict. If there is any conflict, ambiguity, or inconsistency, in Bank's judgment, between the terms of this Agreement and any of the other Loan Documents, then the applicable terms and provisions, in Bank's judgment, providing Bank with greater rights, remedies, powers, privileges, or benefits will control. Without limiting the generality of the foregoing, the description of the Intellectual Property Collateral in this Agreement does not in any way limit the description of, or Bank's Lien on, the "Collateral" as defined in the Security Agreement, or Bank's remedies respecting the "Collateral."

12.18 WAIVER OF JURY TRIAL. AS A SPECIFICALLY BARGAINED INDUCEMENT FOR BANK TO ENTER INTO THIS AGREEMENT AND EXTEND CREDIT TO BORROWER, PLEDGOR AND BANK EACH WAIVES TRIAL BY JURY WITH RESPECT TO ANY ACTION, CLAIM, SUIT OR PROCEEDING IN RESPECT OF OR ARISING OUT OF THIS AGREEMENT OR THE CONDUCT OF THE RELATIONSHIP BETWEEN BANK AND PLEDGOR.

12.19 Consents. Each Pledgor hereby unconditionally consents and agrees that, without notice to or further assent from such Pledgor:

- a. the principal amount of the Obligations secured by each Pledgor may be increased or decreased, and additional indebtedness or obligations of Borrower under the Loan Documents may be incurred, by one or more amendments, modifications, renewals or extensions of any of the Loan Documents or otherwise;
- b. the time, manner, place or terms of any payment under any Loan Document may be extended or changed, including by an increase or decrease in the interest rate on any Obligation or any fee or other amount payable under any such Loan Document, by an amendment, modification or renewal of any such Loan Document or otherwise;
- c. the time for Borrower's (or any other party's) performance of or compliance with any term, covenant or agreement on its part to be performed or observed under any Loan Document may be extended,

or such performance or compliance waived, or failure in or departure from such performance or compliance consented to, all in such manner and upon such terms as Bank may deem proper;

- d. Bank may discharge or release, in whole or in part, any other Pledgor, any other guarantor or any other party liable for the payment and performance of all or any part of the Obligations, and may permit or consent to any such action or any result of such action, and shall not be obligated to demand or enforce payment upon any collateral securing any of the Obligations or any guaranty thereof, nor shall Bank be liable to such Pledgor for any failure to collect or enforce payment or performance of the Obligations from any party or to realize on the collateral for any of the Obligations or any guaranty thereof;
- e. In addition to any collateral already securing any of the Obligations or any guaranty thereof, Borrower or another party may provide and Bank may take and hold other security (legal or equitable) of any kind, at any time, as collateral for the Obligations, and may, from time to time, in whole or in part, exchange, sell, surrender, release, subordinate, modify, waive, rescind, compromise or extend such security and may permit or consent to any such action or the result of any such action, and may apply such security and direct the order or manner of sale thereof;
- f. Bank may request and accept other guaranties of the Obligations and any other indebtedness, obligations or liabilities of the Borrower to Bank and may, from time to time, in whole or in part, surrender, release, subordinate, modify, waive, rescind, compromise or extend any such guaranty or any security therefor and may permit or consent to any such action or the result of any such action; and
- g. Bank may exercise, or waive or otherwise refrain from exercising, any other right, remedy, power or privilege (including the right to accelerate the maturity of any Obligation and any power of sale) granted by any Loan Document or other security document or agreement, or otherwise available to Bank, with respect to the Obligations, or any collateral or other security for any or all of the Obligations or any guaranty thereof, even if the exercise of such right, remedy, power or privilege affects or eliminates any right of subrogation, reimbursement, contribution or any other right of such Pledgor against Borrower or against any other guarantor; all as Bank may deem advisable, and all without impairing, abridging, releasing or affecting its guaranty or its obligations hereunder.

12.20 Joint and Several Liability; Waivers. Each Pledgor acknowledges that it is jointly and severally liable for the Obligations described herein and waives and agrees not to assert:

- a. any right to require Bank (A) to marshal assets in favor of Borrower, guarantor, or any other party, (B) to proceed against Borrower, any other guarantor or any other party, (C) to proceed against or exhaust any of the collateral or any other security held for any of the Obligations or any guaranty thereof, (D) subject to Section 10 (iv) above, to give notice of the terms, time and place of any public or private sale of personal property security held for any of the Obligations or any guaranty thereof or comply with any other provisions of the Code (or any equivalent provision of any other applicable law) or (E) to pursue any other right, remedy, power or privilege of Bank whatsoever;
- b. the defense of the statute of limitations in any action hereunder or for the collection or performance of the Obligations;
- c. any defense arising by reason of any lack of corporate or other authority or any other defense of Borrower, guarantor or any other party;
- d. any defense based upon Bank's errors or omissions in the administration of the Obligations;
- e. any rights to set-offs, recoupments and counterclaims;
- f. until the date that is 91 days after the date on which all Obligations have been paid in full and all commitments to make additional loans or advances to Borrower have terminated, such Pledgor's rights of subrogation, reimbursement, indemnification, and contribution and any other rights and defenses that are or may become available to such Agreement Party by reason of California Civil Code Sections 2787 to 2855, 2899 and 3433 inclusive;
- g. any rights or defenses such Pledgor may have in respect of its obligations as a guarantor or other surety by reason of any election of remedies by the creditor;
- h. any rights or defenses it may have because the Obligations are secured by real property or an estate for years. These rights or defenses include, but are not limited to, any rights or defenses that are based upon, directly or indirectly, the application of Section 580a, 580b, 580d or 726 of the California Code of Civil Procedure to any of the Obligations. This means, among other things: (A) Bank may collect from such Pledgor without first foreclosing on any real or personal property collateral pledged by Borrower or any other

guarantor; and (B) if Bank forecloses on any real property collateral pledged by Borrower or any other guarantor: (1) The amount of the Obligations may be reduced only by the price for which that collateral is sold at the foreclosure sale, even if the collateral is worth more than the sale price; and (2) Bank may collect from such Pledgor even if Bank, by foreclosing on the real property collateral, has destroyed any right such Pledgor may have to collect from Borrower or other guarantor. This is an unconditional and irrevocable waiver of any rights and defenses such Pledgor may have because Borrower's or other guarantor's debt is secured by real property;

- i. all rights and defenses arising out of an election of remedies by the creditor, even though that election of remedies, such as a nonjudicial foreclosure with respect to security for the Obligations, has destroyed such Pledgor's rights of subrogation and reimbursement against the principal by the operation of California Code of Civil Procedure Section 580d or otherwise;
- j. without limiting the generality of the foregoing, to the fullest extent permitted by law, but subject to Section 12.20(f) above, any defenses or benefits that may be derived from or afforded by applicable law limiting the liability of or exonerating guarantors or sureties, or which may conflict with the terms of this Agreement, including, without limitation, any and all benefits that otherwise might be available to Pledgor under California Civil Code Sections 1432, 2899 and 3433 and California Code of Civil Procedure Sections 580a, 580b, 580d, 580e and 726 (such Pledgor specifically agreeing that the "fair value" provisions of Code of Civil Procedure Section 580a shall not apply when determining such Pledgor's liability hereunder).

Each Pledgor waives any and all notice of the acceptance, and any and all notice of the creation, renewal, modification, extension or accrual of the Obligations, or the reliance by Bank upon any guarantor's guaranty, or the exercise of any right, power or privilege thereunder. The Obligations shall conclusively be deemed to have been created, contracted, incurred and permitted to exist in reliance upon each such Pledgor's guaranty or pledge. Each Pledgor waives promptness, diligence, presentment, protest, demand for payment, notice of default, dishonor or nonpayment and all other notices to or upon Borrower, guarantor or any other party with respect to the Obligations.

The obligations of each such Pledgor under his or its respective guaranty are independent of and separate from the obligations of the Borrower and any other guarantor, and upon the occurrence and during the continuance of any event of default under any of the Loan Documents, a separate action or actions may be brought against each such Pledgor,

whether or not Borrower or any other guarantor is joined therein or a separate action or actions are brought against Borrower or any other guarantor.

Each such Pledgor agrees that he or it shall not have any right to require Bank to obtain or disclose any information with respect to: (i) the financial condition or character of Borrower, any other guarantor or any other such Pledgor or the ability of Borrower, any other guarantor and any other such Pledgor to pay and perform the Obligations; (ii) the Obligations; (iii) any collateral or other security for any or all of the Obligations or any guaranty thereof; (iv) the existence or nonexistence of any other guarantees of all or any part of the Obligations; or (v) any action or inaction on the part of Bank or any other party against Borrower, any other guarantors or any other Pledgor.
