TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (this "Assignment"), is effective as of this 20th day of December, 2010 (the "Effective Date"), by and between TSHS, LLC, a Delaware limited liability company ("Assignor"), and Top Shelf Laminated Products, Inc., an Ohio corporation ("Assignee");

WHEREAS, Assignor is the owner of all right, title, and interest in the trademarks described in detail in Exhibit A attached hereto (collectively referred to herein as the "Marks"), and of the goodwill of the business associated with the Marks and the registrations thereof; and

WHEREAS, Assignor desires to assign and transfer to Assignee all of Assignor's right, title, interest and goodwill in the Marks;

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

Assignor hereby sells, assigns, transfers, and sets over to Assignee the entire right, title and interest in and to the Marks, including, without limitation, any registrations and applications therefor, any renewals and extensions of the registrations, and all other corresponding rights that are or may be secured under the laws of the United States, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by the Assignor if this Assignment had not been made, together with all income, royalties or payments due or payable as of the Effective Date or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Marks, with the right to sue for, and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives.

Assignor shall take all further actions, and provide to Assignee, Assignee's successors, assigns or other legal representatives, all such cooperation and assistance (including, without limitation, the execution and delivery of any and all affidavits, declarations, oaths, samples, exhibits, specimens, assignments, powers of attorney or other documentation) requested by Assignee to more fully and effectively effectuate the purposes of this Assignment, including, without limitation, with respect to the following: (1) the preparation and prosecution of any application for registration, or any application for renewal of a registration, relating to any of the rights assigned herein; (2) the prosecution or defense of any interference, opposition, infringement or other proceedings that may arise in connection with any of the rights assigned herein, including, without limitation, testifying as to any facts relating to the Marks and this Assignment; (3) obtaining any additional trademark protection relating to rights assigned herein that Assignee reasonably may deem appropriate that may be secured under the laws now or hereafter in effect in the United States or in any foreign country; and (4) in the implementation or perfection of this Assignment in all applicable jurisdictions throughout the world, in each case, all on the terms and subject to the conditions set forth in the Purchase Agreement.

The Assignor hereby requests the Commissioner of Patents and Trademarks to record Assignee as the assignee and owner of the Marks.

Assignor hereby represents and warrants to Assignee that Assignor has not heretofore sold, transferred, assigned or encumbered any of its right, title or interest in the Marks, and that it has the authority to transfer and assign the Marks and associated goodwill and enter into this Assignment and perform its obligations hereunder.
