CONFIRMATION OF TRADEMARK ASSIGNMENT

This CONFIRMATION OF TRADEMARK ASSIGNMENT is by and between LevTech, Inc., a Delaware corporation ("LevTech"), and ATMI Packaging, Inc., a Minnesota corporation ("ATMI"), and is to be effective at the Effective Time set forth below.

WHEREAS, LevTech, in accordance with (i) ARTICLES OF MERGER filed with the Secretary of State of the State of Minnesota and (ii) CERTIFICATE OF MERGER filed with the Secretary of State of the State of Delaware, is merging with and into ATMI (the "Merger"), with ATMI as the surviving entity of the Merger; and

WHEREAS, LevTech is the sole and exclusive owner of all rights, title and interest, including all substantial trademark rights, in and to the United States Trademark Registrations identified in Schedule A attached hereto; and

WHEREAS, for the avoidance of doubt, LevTech and ATMI wish to confirm that the Merger includes an assignment from LevTech to ATMI of all rights, title and interest, including all substantial trademark rights, in and to the United States Trademark Registrations identified in Schedule A attached hereto, as set forth below; and

WHEREAS, for the avoidance of doubt, LevTech and ATMI hereby confirm that by operation of law, pursuant to the Merger, all rights, title and interest, including all substantial trademark rights, in and to the United States Trademark Registrations identified in Schedule A attached hereto, have been assigned, and are hereby assigned, from LevTech to ATMI, as set forth below.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, be it known that LevTech has sold, conveyed, assigned and transferred, and does hereby sell, convey, assign, transfer and set over exclusively unto ATMI, all rights, title and interest, including all substantial trademark rights, in and to: (i) the United States Trademark Registrations listed in Schedule A attached hereto; (ii) any and all pending trademark applications listed in Schedule A; and (iii) any and all statutory or common law rights in the marks listed in Schedule A ((i) - (iii) collectively, the "Trademarks").

Said sale, conveyance, assignment and transfer from LevTech exclusively to ATMI of all rights, title and interest in and to the Trademarks includes, without limitation, all substantial trademark rights, including, but not limited to, all rights to exclude others from the use of the Trademarks, and all rights to enforce, assert and sue for past, present and future infringement of the Trademarks, and all rights to recover and collect for past, present and future damages related to the Trademarks, and all rights to license the Trademarks, and all rights to sell, convey, assign or transfer the Trademarks, and all rights to settle any and all litigation involving the Trademarks. The substantial trademark rights described herein are illustrative and not exhaustive of the substantial trademark rights sold, conveyed, assigned and transferred from LevTech exclusively to ATMI.

The Effective Time of said sale, conveyance, assignment and transfer of the Trademarks from LevTech to ATMI shall be and is contemporaneous with the effectiveness of the Merger.

LevTech shall retain no rights in the Trademarks after the Effective Time.

LevTech hereby authorizes and requests the competent authorities to grant and to issue any and all such Trademarks in the United States and throughout the world to ATMI and all rights, title and interest therein, as fully and entirely as the same would have been held and enjoyed by LevTech had this assignment not been made.

LevTech hereby authorizes and appoints ATMI to execute on LevTech's behalf such additional documents, if any, as are necessary or desirable to secure trademark protection on said trademarks throughout all countries of the world, and otherwise to do such acts as are necessary to give full effect to and to perfect the rights of ATMI under this Assignment, including the execution, delivery and procurement of any and all further documents evidencing this assignment, transfer and sale as may be necessary or desirable.

LevTech hereby covenants that at the time of execution of this assignment, it was the sole and exclusive owner of all rights, title and interest, including all substantial trademark rights, in and to the Trademarks, and that no assignment, sale, agreement or encumbrance has been or will be made or entered into which conflicts or would conflict with this assignment.

[Remainder of page intentionally left blank. Signature page follows.]

IN WITNESS WHEREOF, LevTech and ATMI have duly signed this CONFIRMATION OF TRADEMARK ASSIGNMENT as of December 31, 2010.
