Grantor: AMERICAN MEDICAL TECHNOLOGIES, INC. 5855 BEAR LN. CORPUS CHRISTI, TX 78405	Lender: Compass Bank Yvonne Processing Center 1300 Mason Drive Houston, TX 77057
---	---

THIS COMMERCIAL SECURITY AGREEMENT dated February 8, 2008, is made and executed between AMERICAN MEDICAL TECHNOLOGIES, INC. ("Grantor") and Compass Bank ("Lender").

GRANT OF SECURITY INTEREST. For valuable consideration, Grantor grants to Lender a security interest in the Collateral to secure the indebtedness and agrees that Lender shall have the rights stated in this Agreement with respect to the Collateral, in addition to all other rights which Lender may have by law.

COLLATERAL DESCRIPTION. The word "Collateral" as used in this Agreement means the following described property, whether now owned or hereafter acquired, whether now existing or hereafter arising, and wherever located, in which Grantor is giving to Lender a security interest for the payment of the indebtedness and performance of all other obligations under the Note and this Agreement:

All General Intangibles

In addition, the word "Collateral" also includes all of the following, whether now owned or hereafter acquired, whether now existing or hereafter arising, and wherever located:

- (A) All accessions, attachments, accessories, replacements of and additions to any of the collateral described herein, whether added now or later.
- (B) All products and produce of any of the property described in this Collateral section.
- (C) All accounts, general intangibles, instruments, rents, monies, payments, and all other rights, arising out of a sale, lease, consignment or other disposition of any of the property described in this Collateral section.
- (D) All proceeds (including insurance proceeds) from the sale, destruction, loss, or other disposition of any of the property described in this Collateral section, and sums due from a third party who has damaged or destroyed the Collateral or from that party's insurer, whether due to judgment, settlement or other process.
- (E) All records and data relating to any of the property described in this Collateral section, whether in the form of a writing, photograph, microfilm, microfiche, or electronic media, together with all of Grantor's right, title, and interest in and to all computer software required to utilize, create, maintain, and process any such records or data on electronic media.

CROSS-COLLATERALIZATION. In addition to the Note, this Agreement secures all obligations, debts and liabilities, plus interest thereon, of Grantor to Lender, or any one or more of them, as well as all claims by Lender against Grantor or any one or more of them, whether now existing or hereafter arising, whether related or unrelated to the purpose of the Note, whether voluntary or otherwise, whether due or not due, direct or indirect, determined or undetermined, absolute or contingent, liquidated or unliquidated, whether Grantor may be liable individually or jointly with others, whether obligated as guarantor, surety, accommodation party or otherwise. However, this Agreement shall not secure, and the "indebtedness" shall not include, any obligations arising under Subchapters E and F of Chapter 342 of the Texas Finance Code, as amended.

RIGHT OF SETOFF. To the extent permitted by applicable law, Lender reserves a right of setoff in all Grantor's accounts with Lender (whether checking, savings, or some other account). This includes all accounts Grantor holds jointly with someone else and all accounts Grantor may open in the future. However, this does not include any IRA or Keogh accounts, or any trust accounts for which setoff would be prohibited by law. Grantor authorizes Lender, to the extent permitted by applicable law, to charge or setoff all sums owing on the indebtedness against any and all such accounts.

GRANTOR'S REPRESENTATIONS AND WARRANTIES WITH RESPECT TO THE COLLATERAL. With respect to the Collateral, Grantor represents and promises to Lender that:

Organization. Grantor is a corporation for profit which is, and at all times shall be, duly organized, validly existing, and in good standing under and by virtue of the laws of the State of Delaware. Grantor is duly authorized to transact business in all other states in which Grantor is doing business, having obtained all necessary filings, governmental licenses and approvals for each state in which Grantor is doing business. Specifically, Grantor is, and at all times shall be, duly qualified as a foreign corporation in all states in which the failure to so qualify would have a material adverse effect on its business or financial condition. Grantor has the full power and authority to own its properties and to conduct the business in which it is presently engaged or presently proposes to engage. Grantor maintains an office at 5855 BEAR LN., CORPUS CHRISTI, TX 78405. Unless Grantor has designated otherwise in writing, the principal office is the office at which Grantor keeps its books and records including its records concerning the Collateral. Grantor will notify Lender prior to any change in the location of Grantor's state of organization or any change in Grantor's name. Grantor shall do all things necessary to preserve and to keep in full force and effect its existence, rights and privileges, and shall comply with all regulations, rules, ordinances, statutes, orders and decrees of any governmental or quasi-governmental authority or court applicable to Grantor and Grantor's business activities.

Authorization. Grantor's execution, delivery, and performance of this Agreement and all the Related Documents has been duly authorized by all necessary action by Grantor, do not require the consent or approval of any other person, regulatory authority, or governmental body, and do not conflict with, result in a violation of, or constitute a default under (1) any provision of (a) Grantor's articles of incorporation or organization, or bylaws, or (b) any agreement or other instrument binding upon Grantor or (2) any law, governmental regulation, court decree, or order applicable to Grantor or to Grantor's properties. Grantor has the power and authority to enter into the Note and the Related Documents and to grant collateral as security for the indebtedness. Grantor has the further power and authority to lease and to hold all of Grantor's assets and properties, and to carry on Grantor's business as presently conducted.

Perfection of Security Interest. Grantor agrees to take whatever actions are requested by Lender to perfect and maintain Lender's security interest in the Collateral. Upon request of Lender, Grantor will deliver to Lender any and all of the documents evidencing or constituting the Collateral, and Grantor will note Lender's interest upon any and all chattel paper and instruments if not delivered to Lender for possession by Lender. This is a continuing Security Agreement and will continue in effect even though all or any part of the indebtedness is paid in full. Grantor agrees to promptly notify Lender of any change in Grantor's name, address shown above (or such other addresses as Lender may designate from time to time) prior to any (1) change in Grantor's name; (2) change in Grantor's assumed business name(s); (3) change in the management of the Corporation Grantor; (4) change in the authorized signor(s); (5) change in Grantor's principal office address; (6) change in Grantor's state of organization; (7) conversion of Grantor to a new or different type of business entity; or (8) change in any other aspect of Grantor that directly or indirectly relates to any agreement between Grantor and Lender. No change in Grantor's name or state of organization will take effect until after Lender has received notice. Grantor represents and warrants to Lender that Grantor has provided to Lender its correct and true Grantor Identification Number. Grantor promptly shall notify Lender should Grantor apply for or

No Violation. The execution and delivery of this Agreement will not violate any law or agreement governing Grantor or to which Grantor is a party, and its certificate or articles of incorporation and bylaws do not prohibit any term or condition of this Agreement.

Enforceability of Collateral. To the extent the Collateral consists of accounts, chattel paper, or general intangibles, as defined by the Uniform Commercial Code, the Collateral is enforceable in accordance with its terms, to genuine, and fully complies with all applicable laws and regulations concerning form, content and manner of preparation and execution, and all persons appearing to be the owner of the Collateral have authority to contract and are in fact obligated as they appear to be on the Collateral, and no agreement shall have been made under which any individual or entity is

Location of the Collateral. Except in the ordinary course of Grantor's business, Grantor agrees to keep the Collateral (or to the extent the Collateral consists of intangible property such as accounts or general intangibles, the records concerning the Collateral) at Grantor's address shown above or at such other locations as are acceptable to Lender. Upon Lender's request, Grantor will deliver to Lender in form satisfactory to Lender a schedule of real properties and Collateral locations relating to Grantor's operations, including without limitation the following: (1) all real property Grantor owns or is purchasing; (2) all real property Grantor is renting or leasing; (3) all storage facilities Grantor owns, rents, leases, or uses; and (4) all other properties where Collateral is or may be located.

Removal of the Collateral. Except in the ordinary course of Grantor's business, Grantor shall not remove the Collateral from its existing location without Lender's prior written consent. If Grantor moves from Grantor's address shown above to another location within the same state, Grantor may move the Collateral to Grantor's new address, but only if Grantor gives Lender the new address in writing prior to Grantor's moving. In any event, Grantor agrees to keep Lender informed at all times of Grantor's current address. Grantor shall, whenever requested, advise Lender of the exact location of the Collateral.

Transactions Involving Collateral. Except for inventory sold or accounts collected in the ordinary course of Grantor's business, or as otherwise provided for in this Agreement, Grantor shall not sell, offer to sell, or otherwise transfer or dispose of the Collateral. Grantor shall not pledge, mortgage, encumber or otherwise permit the Collateral to be subject to any lien, security interest, encumbrance, or charge, other than the security interest provided for in this Agreement, without the prior written consent of Lender. This includes security interests even if (under its right to the security interests granted under this Agreement, unless waived by Lender, all proceeds from any disposition of the Collateral (for whatever reason) shall be held in trust for Lender and shall not be commingled with any other funds; provided however, this requirement shall not constitute consent by Lender to any sale or other disposition. Upon receipt, Grantor shall immediately deliver any such proceeds to Lender.

Title. Grantor represents and warrants to Lender that Grantor holds good and marketable title to the Collateral, free and clear of all liens and encumbrances except for the lien of this Agreement. No financing statement covering any of the Collateral is on file in any public office other than those which reflect the security interest created by this Agreement or to which Lender has specifically consented. Grantor shall defend Lender's rights in the Collateral against the claims and demands of all other persons.

Collateral Schedules and Locations. As often as Lender shall require, and insofar as the Collateral consists of general intangibles, Grantor shall deliver to Lender schedules of such Collateral, including such information as Lender may require, including without limitation names and addresses of account debtors and aging of general intangibles. Such information shall be submitted for Grantor and each of its subsidiaries or related companies.

Inspection of Collateral. Lender and Lender's designated representatives and agents shall have the right at all reasonable times to examine and inspect the Collateral wherever located.

Taxes, Assessments and Liens. Grantor will pay when due all taxes, assessments and liens upon the Collateral, its use or operation, upon this Agreement, upon any promissory note or notes evidencing the indebtedness, or upon any of the other Related Documents. Grantor may withhold any such payment or may elect to contest any lien if Grantor is in good faith conducting an appropriate proceeding to contest the obligation to pay and so long as Lender's interest in the Collateral is not jeopardized in Lender's sole opinion. In any contest Grantor shall defend itself and Lender and shall satisfy any final adverse judgment before enforcement against the Collateral. Grantor shall name Lender as an additional obligee under any surety bond furnished in the contest proceedings.

Repairs and Maintenance. Grantor shall keep and maintain and shall cause others to keep and maintain the Collateral in good order, repair and merchantable condition. Grantor shall further make and/or cause all necessary repairs to be made to the Collateral, including the repair and restoration of any portion of the Collateral that may be damaged, lost or destroyed. In addition, Grantor shall not, without the prior written consent of Lender, make or permit to be made any alterations to any of the Collateral that may reduce or impair the Collateral's use, value or marketability. Furthermore, Grantor shall not, nor shall Grantor permit others to abandon, commit waste, or destroy the Collateral or any part or parts thereof. Grantor further agrees to furnish Lender with evidence that such taxes, assessments, and governmental and other charges have been paid in full and in a timely manner. Grantor may withhold any such payment or may elect to contest any lien if Grantor is in good faith conducting an appropriate proceeding to contest the obligation to pay and so long as Lender's interest in the Collateral is not jeopardized.

Compliance with Governmental Requirements. Grantor shall comply promptly with all laws, ordinances, rules and regulations of all governmental authorities, now or hereafter in effect, applicable to the ownership, production, disposition, or use of the Collateral, including all laws or regulations relating to the undue erosion of highly-erodible land or relating to the conversion of wetlands for the production of an agricultural product or commodity. Grantor may contest in good faith any such law, ordinance or regulation and withhold compliance during any proceeding, including appropriate appeals, so long as Lender's interest in the Collateral, in Lender's opinion, is not jeopardized.

Hazardous Substances. Grantor represents and warrants that the Collateral never has been, and never will be so long as this Agreement remains a lien on the Collateral, used in violation of any Environmental Laws or for the generation, manufacture, storage, transportation, treatment, disposal, release or threatened release of any Hazardous Substances. The representations and warranties contained herein are based on Grantor's due diligence in investigating the Collateral for Hazardous Substances. Grantor hereby (1) releases and waives any future claims against Lender for indemnity or contribution in the event Grantor becomes liable for cleanup or other costs under any Environmental Laws, and (2) agrees to indemnify, defend, and hold harmless Lender against any and all claims and losses resulting from a breach of this provision of this Agreement. This obligation to indemnify and defend shall survive the payment of the indebtedness and the satisfaction of this Agreement.

Maintenance of Casualty Insurance. Grantor shall procure and maintain all risks insurance, including without limitation fire, theft and liability coverage together with such other insurance as Lender may require with respect to the Collateral, in form, amounts, coverages and basis reasonably acceptable to Lender. Grantor, upon request of Lender, will deliver to Lender from time to time the policies or certificates of insurance in form satisfactory to Lender, including stipulations that coverages will not be cancelled or discontinued without at least thirty (30) days' prior written notice to Lender and not including any disclaimer of the insurer's liability for failure to give such a notice. Each insurance policy also shall include an endorsement providing that coverage in favor of Lender will not be impaired in any way by any act, omission or default of Grantor or any other person. In connection with all policies covering assets in which Lender holds or is offered a security interest, Grantor will provide Lender with such loss payable or other endorsements as Lender may require. If Grantor at any time fails to obtain or maintain any insurance as required under this Agreement, Lender may (but shall not be obligated to) obtain such insurance on Grantor's behalf at Lender's expense, including if Lender so chooses "single interest insurance," which will cover only Lender's interest in the Collateral. Grantor shall promptly notify Lender of any loss or damage to the Collateral, whether or not such casualty or loss is covered by insurance. Lender may make proof of loss if Grantor fails to do so within fifteen (15) days of the casualty. All proceeds of any insurance on the Collateral, including accrued proceeds thereon, shall be held by Lender as part of the Collateral. If Lender consents to repair or replacement of the damaged or destroyed Collateral, Lender shall, upon satisfactory proof of expenditures, pay or reimburse Grantor from the proceeds for the reasonable cost of repair or restoration. If Lender does not consent to repair or replacement of the Collateral, Lender shall retain a sufficient amount of the proceeds to pay off of the indebtedness, and shall pay the balance to Grantor. Any proceeds which have not been disbursed within six (6) months after their receipt and which Grantor has not committed to the repair or restoration of the Collateral shall be used to prepay the indebtedness.

Required Insurance. So long as this Agreement remains in effect, Grantor shall, at its sole cost, keep and/or cause others, at their expense, to keep the Collateral constantly insured against loss by fire, by hazards included within the term "extended coverage," and by such other hazards (including flood insurance where applicable) as may be required by Lender. Lender shall have the right to directly receive the proceeds of all insurances protecting the Collateral. In the event that Grantor should receive any such insurance proceeds, Grantor agrees to immediately turn over and to pay such proceeds directly to Lender. All insurance proceeds may be applied, at its sole option and discretion, and in such a manner as Lender may determine (after payment of all reasonable costs, expenses and attorneys' fees necessarily paid or incurred by Lender in this connection), for the purpose of: (1) repairing or restoring the lost, damaged or destroyed Collateral; or (2) reducing the then outstanding balance of Grantor's indebtedness.

Lender's receipt of such insurance proceeds and the application of such proceeds as provided herein shall not, however, effect the lien of this Agreement. Nothing under this section shall be deemed to excuse Grantor from its obligations promptly to repair, replace or restore any lost or damaged Collateral, whether or not the same may be covered by insurance, and whether or not such proceeds of insurance are available, and whether such proceeds are sufficient in amount to complete such repair, replacement or restoration to the satisfaction of Lender. Furthermore, unless otherwise confirmed by Lender in writing, the application or release of any insurance proceeds by Lender shall not be deemed to cause or waive any Event of Default under this Agreement. Any proceeds which have not been disbursed within six (6) months after their receipt and which Grantor has not committed to the repair or restoration of the Collateral shall be used to prepay the indebtedness.

Insurance Reserves. Lender may require Grantor to maintain with Lender reserves for payment of insurance claims. Such reserves shall be created by monthly payments from Grantor of a sum estimated by Lender to be sufficient to produce, at least fifteen (15) days before

the premium due date, amounts at least equal to the insurance premiums to be paid. If fifteen (15) days before payment is due, the reserve funds are insufficient, Grantor shall upon demand pay any deficiency to Lender. The reserve funds shall be held by Lender as a general deposit and shall constitute a non-interest-bearing account which Lender may satisfy by payment of the insurance premiums required to be paid by Grantor as they become due. Lender does not hold the reserve funds in trust for Grantor, and Lender is not the agent of Grantor for payment of the insurance premiums required to be paid by Grantor. The responsibility for the payment of premiums shall remain Grantor's sole responsibility.

Insurance Reports. Grantor, upon request of Lender, shall furnish to Lender reports on each existing policy of insurance showing such information as Lender may reasonably request including the following: (1) the name of the insurer; (2) the risks insured; (3) the amount of the policy; (4) the property insured; (5) the then current value on the basis of which insurance has been obtained and the manner of determining that value; and (6) the expiration date of the policy. In addition, Grantor shall upon request by Lender (however not more often than annually) have an independent appraiser satisfactory to Lender determine, as applicable, the cash value or replacement cost of the Collateral.

Prior Encumbrances. To the extent applicable, Grantor shall fully and timely perform any and all of Grantor's obligations under any prior Encumbrances affecting the Collateral. Without limiting the foregoing, Grantor shall not commit or permit to exist any breach of or default under any such prior Encumbrances. Grantor shall further promptly notify Lender in writing upon the occurrence of any event or circumstance that would, or that might, result in a breach of or default under any such prior Encumbrance. Grantor shall further not modify or extend any of the terms of any prior Encumbrance or any indebtedness secured thereby, or request or obtain any additional loans or other extensions of credit from any third party creditor or creditors whenever such additional loan advances or other extensions of credit may be directly or indirectly secured, whether by cross-collateralization or otherwise, by the Collateral, or any part or parts thereof, with possible preference and priority over Lender's security interest. Grantor additionally agrees to obtain, upon Lender's request, and in form and substance as may then be satisfactory to Lender, appropriate waivers and subordinations of any lessor's liens or privileges, vendor's liens or privileges, purchase money security interests, and any other Encumbrances that may affect the Collateral at any time.

Future Encumbrances. Grantor shall not, without the prior written consent of Lender, grant any Encumbrance that may affect the Collateral, or any part or parts thereof, nor shall Grantor permit or consent to any Encumbrance attaching to or being filed against any of the Collateral in favor of anyone other than Lender. Grantor shall further promptly pay when due all statements and charges of mechanics, materialmen, laborers and others incurred in connection with the alteration, improvement, repair and maintenance of the Collateral, or otherwise furnish appropriate security or bond, so that no future Encumbrance may ever attach to or be filed against any Collateral. In the event that the Collateral or any part or parts thereof is and/or may be located in and/or on leased premises, Grantor shall promptly pay the full amount of such rental or lease payments whenever the same shall be due so that no lessor's lien or privilege may ever attach to or affect any of the Collateral with possible preference and priority over the lien of this Agreement. In the event that any of the Collateral is purchased or otherwise acquired by Grantor on a credit or deferred payment basis, Grantor shall promptly pay the full amount of the purchase or acquisition price of such Collateral so that no vendor's lien or privilege, or purchase money security interest, may ever attach to or be asserted against any of the Collateral with possible preference and priority over the lien of this Agreement. Grantor additionally agrees to obtain, upon request by Lender, and in form and substance as may then be satisfactory to Lender, appropriate waivers and/or subordinations of any lessor's liens or privileges, vendor's liens or privileges, purchase money security interests, and any other Encumbrances that may affect the Collateral at any time.

As long as this Agreement remains in effect, Grantor will not permit any levy, attachment or restraint to be made affecting any of the Collateral, or permit any notice of lien to be filed with respect to the Collateral or any part or parts thereof, or permit any receiver, trustee, custodian or assignee for the benefit of creditors to be appointed to take possession of any of the Collateral. Notwithstanding the foregoing, Grantor may, at its sole expense, contest in good faith by appropriate proceedings the validity or amount of any levy, attachment, restraint or lien filed against or affecting the Collateral, or any part or parts thereof; provided that: (1) Grantor notifies Lender in advance of Grantor's intent to contest such a levy, attachment, restraint or lien, and (2) Grantor provides additional security to Lender, in form and amount satisfactory to Lender.

Notice of Encumbrances. Grantor shall immediately notify Lender in writing upon the filing of any attachment, lien, judicial process, claim, or other Encumbrance. Grantor additionally agrees to notify Lender immediately in writing upon the occurrence of any default, or event that with the passage of time, failure to cure, or giving of notice, might result in a default under any of Grantor's obligations that may be secured by any presently existing or future Encumbrance, or that might result in an Encumbrance affecting the Collateral, or should any of the Collateral be seized or attached or levied upon, or threatened by seizure or attachment or levy, by any person other than Lender.

Books and Records. Grantor will keep proper books and records with regard to Grantor's business activities and the Collateral in which a security interest is granted hereunder, in accordance with GAAP, applied on a consistent basis throughout, which books and records shall at all reasonable times be open to inspection and copying by Lender or Lender's designated agents. Lender shall also have the right to inspect Grantor's books and records, and to discuss Grantor's affairs and finances with Grantor's officers and representatives, at such reasonable times as Lender may designate.

Financing Statements. Grantor authorizes Lender to file a UCC financing statement, or alternatively, a copy of this Agreement to perfect Lender's security interest. At Lender's request, Grantor additionally agrees to sign all other documents that are necessary to perfect, protect, and continue Lender's security interest in the Property. Grantor will pay all filing fees, title transfer fees, and other fees and costs involved unless prohibited by law or unless Lender is required by law to pay such fees and costs. Grantor irrevocably appoints Lender to execute documents necessary to transfer title if there is a default. Lender may file a copy of this Agreement as a financing statement. If Grantor changes Grantor's name or address, or the name or address of any person granting a security interest under this Agreement changes, Grantor will promptly notify the Lender of such change.

GRANTOR'S RIGHT TO POSSESSION. Until default, Grantor may have possession of the tangible personal property and beneficial use of all the Collateral and may use it in any lawful manner not inconsistent with this Agreement or the Related Documents, provided that Grantor's right to possession and beneficial use shall not apply to any Collateral where possession of the Collateral by Lender is required by law to perfect Lender's security interest in such Collateral. If Lender at any time has possession of any Collateral, whether before or after an Event of Default, Lender shall be deemed to have exercised reasonable care in the custody and preservation of the Collateral if Lender takes such action for that purpose as Grantor shall request or as Lender, in Lender's sole discretion, shall deem appropriate under the circumstances, but failure to honor any request by Grantor shall not be deemed to be a failure to exercise reasonable care. Lender shall not be required to take any steps to preserve any rights in the Collateral against prior parties, nor to protect, preserve or maintain any security interest given to secure the indebtedness.

LENDER'S EXPENDITURES. If any action or proceeding is commenced that would materially affect Lender's interest in the Collateral or if Grantor fails to comply with any provision of this Agreement or any Related Documents, including but not limited to Grantor's failure to discharge or pay when due any amounts Grantor is required to discharge or pay under this Agreement or any Related Documents, Lender or Grantor's behalf may (but shall not be obligated to) take any action that Lender deems appropriate, including but not limited to discharging or paying all taxes, liens, security interests, encumbrances and other claims, at any time levied or placed on the Collateral and paying all costs for insuring, maintaining and preserving the Collateral. All such expenditures paid by Lender for such purposes will then bear interest at the Note rate from the date paid by Lender to the date of repayment by Grantor. To the extent permitted by applicable law, all such expenses will become a part of the indebtedness and, at Lender's option, will (A) be payable on demand; (B) be added to the balance of the Note and be apportioned among and be payable with any installment payments to become due during either: (1) the term of any applicable insurance policy; or (2) the remaining term of the Note; or (C) be treated as a balloon payment which will be due and payable at the Note's maturity. The Agreement also will secure payment of these amounts. Such right shall be in addition to all other rights and remedies to which Lender may be entitled upon Default.

DEFAULT. Each of the following shall constitute an Event of Default under this Agreement:

Payment Default. Grantor fails to make any payment when due under the indebtedness.

Other Defaults. Grantor fails to comply with or to perform any other term, obligation, covenant or condition contained in this Agreement or in any of the Related Documents or to comply with or to perform any term, obligation, covenant or condition contained in any other agreement between Lender and Grantor.

Default in Favor of Third Parties. Grantor defaults under any loan, extension of credit, security agreement, purchase or sales agreement, or any other agreement, in favor of any other creditor or person that may materially affect any of Grantor's property or ability to perform Grantor's obligations under this Agreement or any of the Related Documents.

False Statements. Any warranty, representation or statement made or furnished to Lender by Grantor or on Grantor's behalf, or made by Grantor, or any other guarantor, endorser, guarantor, or accommodation party, under this Agreement or the Related Documents in connection with the obtaining of the indebtedness evidenced by the Note or any security document directly or indirectly related to the Note is false or misleading in any material respect, either now or at the time made or furnished or becomes false or misleading at any time thereafter.

Defective Collateralization. This Agreement or any of the Related Documents ceases to be in full force and effect (including failure of any

collateral document to create a valid and perfected security interest of (it) at any time and for any reason.

Insolvency. The dissolution or termination of Grantor's existence as a going business, the insolvency of Grantor, the appointment of a receiver for any part of Grantor's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Grantor.

Creditor or Foreclosure Proceedings. Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Grantor or by any governmental agency against any collateral securing the indebtedness. This includes a garnishment of any of Grantor's accounts, including deposit accounts, with Lender. However, this Event of Default shall not apply if there is a good faith dispute by Grantor as to the validity or reasonableness of the claim which is the basis of the creditor or foreclosure proceeding and if Grantor gives Lender written notice of the creditor or foreclosure proceeding and deposits with Lender monies or a surety bond for the creditor or foreclosure proceeding, in an amount determined by Lender, in its sole discretion, as being an adequate reserve or bond for the dispute.

Execution; Attachment. Any execution or attachment is levied against the Collateral, and such execution or attachment is not set aside, discharged or stayed within thirty (30) days after the same is levied.

Change in Zoning or Public Restriction. Any change in any zoning ordinance or regulation or any other public restriction is enacted, adapted or implemented, that limits or defines the uses which may be made of the Collateral such that the present or intended use of the Collateral, as specified in the Related Documents, would be in violation of such zoning ordinance or regulation or public restriction, as changed.

Default Under Other Lien Documents. A default occurs under any other mortgage, deed of trust or security agreement covering all or any portion of the Collateral.

Judgment. Unless adequately covered by insurance in the opinion of Lender, the entry of a final judgment for the payment of money involving more than ten thousand dollars (\$10,000.00) against Grantor and the failure by Grantor to discharge the same, or cause it to be discharged, or bonded off to Lender's satisfaction, within thirty (30) days from the date of the order, decree or process under which or pursuant to which such judgment was entered.

Events Affecting Guarantor. Any of the preceding events occurs with respect to any Guarantor, or any other guarantor, endorser, surety, or accommodation party of any of the indebtedness or Guarantor, or any other guarantor, endorser, surety, or accommodation party dies or becomes incompetent or revokes or disputes the validity of, or liability under, any Guaranty of the indebtedness.

Adverse Change. A material adverse change occurs in Grantor's financial condition, or Lender believes the prospect of payment or performance of the indebtedness is impaired.

Insecurity. Lender in good faith believes itself insecure.

Cure Provisions. If any default, other than a default in payment is curable, it may be cured if Grantor, after receiving written notice from Lender demanding cure of such default: (1) cures the default within twenty (20) days; or (2) if the cure requires more than twenty (20) days, immediately initiates steps which Lender deems in Lender's sole discretion to be sufficient to cure the default and thereafter continues and completes all reasonable and necessary steps sufficient to produce compliance as soon as reasonably practical.

RIGHTS AND REMEDIES ON DEFAULT. If an Event of Default occurs under this Agreement, at any time thereafter, Lender shall have all the rights of a secured party under the Texas Uniform Commercial Code. In addition and without limitation, Lender may exercise any one or more of the following rights and remedies:

Accelerate Indebtedness. Lender may declare the entire indebtedness immediately due and payable, without notice of any kind to Grantor.

Assemble Collateral. Lender may require Grantor to deliver to Lender all or any portion of the Collateral and any and all certificates of title and other documents relating to the Collateral. Lender may require Grantor to assemble the Collateral and make it available to Lender at a place to be designated by Lender. Lender also shall have full power to enter, provided Lender does so without a breach of the peace or a trespass, upon the property of Grantor to take possession of and remove the Collateral. If the Collateral contains other goods not covered by this Agreement at the time of repossession, Grantor agrees Lender may take such other goods, provided that Lender makes reasonable efforts to return them to Grantor after repossession.

Sell the Collateral. Lender shall have full power to sell, lease, transfer, or otherwise deal with the Collateral or proceeds thereof in Lender's own name or that of Grantor. Lender may sell the Collateral at public auction or private sale. Unless the Collateral threatens to decline speedily in value or is of a type customarily sold on a recognized market, Lender will give Grantor, and other persons as required by law, reasonable notice of the time and place of any public sale, or the time after which any private sale or any other disposition of the Collateral is to be made. However, no notice need be provided to any person who, after Event of Default occurs, enters into and authenticates an agreement waiving that person's right to notification of sale. The requirements of reasonable notice shall be met if such notice is given at least ten (10) days before the time of the sale or disposition. All expenses relating to the disposition of the Collateral, including without limitation the expenses of retaking, holding, insuring, preparing for sale and selling the Collateral, shall become a part of the indebtedness secured by this Agreement and shall be payable on demand, with interest at the Note rate from date of expenditure until repaid.

Appoint Receiver. Lender shall have the right to have a receiver appointed to take possession of all or any part of the Collateral, with the power to protect and preserve the Collateral, to operate the Collateral pending foreclosure or sale, and to collect the rents from the Collateral and apply the proceeds, over and above the cost of the receivership, against the indebtedness. The receiver may serve without bond if permitted by law. Lender's right to the appointment of a receiver shall exist whether or not the apparent value of the Collateral exceeds the indebtedness by a substantial amount. Employment by Lender shall not disqualify a person from serving as a receiver.

Collect Revenues; Apply Accounts. Lender, either itself or through a receiver, may collect the payments, rents, income, and revenues from the Collateral. Lender may at any time in Lender's discretion transfer any Collateral into Lender's own name or that of Lender's nominee and receive the payments, rents, income, and revenues therefrom and hold the same as security for the indebtedness or apply it to payment of the indebtedness in such order of preference as Lender may determine. Insofar as the Collateral consists of accounts, general intangibles, insurance policies, instruments, chattel paper, choses in action, or similar property, Lender may demand, collect, receipt for, settle, compromise, adjust, sue for, foreclose, or realize on the Collateral as Lender may determine, whether or not indebtedness of Collateral is then due. For these purposes, Lender may, on behalf of and in the name of Grantor, receive, open and dispose of mail addressed to Grantor; change any address to which mail and payments are to be sent; and endorse notes, checks, drafts, money orders, documents of title, instruments and keys pertaining to payment, shipment, or storage of any Collateral. To facilitate collection, Lender may notify account debtors and obligors on any Collateral to make payments directly to Lender.

Obtain Deficiency. If Lender chooses to sell any or all of the Collateral, Lender may obtain a judgment against Grantor for any deficiency remaining on the indebtedness due to Lender after application of all amounts received from the exercise of the rights provided in this agreement. Grantor shall be liable for a deficiency even if the transaction described in this subsection is a sale of accounts or chattel.

Other Rights and Remedies. Lender shall have all the rights and remedies of a secured creditor under the provisions of the Uniform Commercial Code, as may be suspended from time to time. In addition, Lender shall have and may exercise any or all other rights and remedies it may have available at law, in equity, or otherwise.

Waiver of Remedies. Except as may be prohibited by applicable law, all of Lender's rights and remedies, whether evidenced by this Agreement, the Related Documents, or by any other writing, shall be cumulative and may be exercised singularly or concurrently. Grantor by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Grantor under this Agreement, after Grantor's failure to perform, shall not affect Lender's right to declare a default and exercise its remedies.

NON-LIABILITY OF LENDER. The relationship between Borrower and Lender created by this Agreement is strictly a debtor and creditor relationship and not fiduciary in nature, nor is the relationship to be construed as creating any partnership or joint venture between Lender and Borrower. Borrower is exercising Borrower's own judgment with respect to Borrower's business. All information supplied to Lender is for Lender's protection only and no other party is entitled to rely on such information. There is no duty for Lender to review, inspect, supervise or inform Borrower of any matter with respect to Borrower's business. Lender and Borrower intend that Lender may reasonably rely on all information supplied by Borrower and any investigation or failure to investigate will not diminish Lender's right to rely.

ADDITIONAL EVENTS OF DEFAULT. Notwithstanding any other provisions herein to the contrary, each of the following also shall be an Event of Default hereunder:

(B) If the Borrower is an LLC, any change in the ownership of twenty-five percent (25%) or more of the membership interests in Borrower.

(C) Any material adverse change in the financial condition of any guarantor.

ACCOUNTS. Notwithstanding any other provisions of this Agreement to the contrary, the word "Account" also includes the meaning provided in the Uniform Commercial Code, as amended from time to time.

NO ASSIGNMENT. Notwithstanding any other provisions herein to the contrary, each party signing below agrees not to assign any of the party's rights or obligations hereunder.

AUTHENTICATED DEMANDS AND REQUESTS. If Grantor makes an authenticated demand or a request for an accounting, a request regarding the Collateral, a request regarding a statement of Grantor's account or a request for a termination statement under the Uniform Commercial Code, Grantor agrees to address the demand or request to Lender at the following address: **Compass Bank Loan Research Dept., P. O. Box 11830, Birmingham, Alabama 38202.** Grantor agrees that, to the extent permitted by applicable law, Lender has no duty or obligation to respond to the demand or request until Lender receives it or notice of it at this address.

VALUATION. All securities and other investment property included in the Collateral have been duly and validly issued and are fully paid and are non-assessable.

CONSTRUCTION OF DOCUMENTS. In the event of any conflict within the provisions of this document or between this document and any Related Document, and notwithstanding any other provision to the contrary in any of the foregoing, the provisions most favorable to Lender shall control. The parties hereto agree and acknowledge that no rule of construction permitting or requiring any claimed ambiguity to be resolved against the drafting party shall be employed in the interpretation of this document or any of the Related Documents.

JURISDICTION. Except as otherwise provided, any legal action or proceeding arising out of or relating to the loan or other extension of credit secured by this instrument, or to enforce and defend any rights, remedies, or provisions contained in this instrument, (a "Proceeding") shall be instituted in the federal court for or the state court sitting in the county where Lender's office that made this loan is located. With respect to any Proceeding, brought by or against Lender, each of the other parties hereto, to the fullest extent permitted by law: (i) waives any objections that such party may now or hereafter have based on venue and/or forum non conveniens of any Proceeding in such court; and (ii) irrevocably submits to the jurisdiction of any such court in any Proceeding. Notwithstanding anything to the contrary herein, Lender may commence legal proceedings or otherwise proceed against any other party in any other jurisdiction if determined by Lender to be necessary in order to fully enforce or exercise any right or remedy of Lender relating to this loan including without limitation realization upon collateral that secures this loan.

ERRORS AND OMISSIONS. The parties agree that if deemed necessary by Lender or any agent closing the loan evidenced by the Note, Lender or the agent may correct and adjust this document and any Related Documents on behalf of any other party, as if such other party were making the correction or adjustment, in order to correct clerical errors. A clerical error is information in a document that is missing or that does not reflect accurately another party's agreement with Lender at the time the document was executed. If any such clerical errors are material changes, the other party agrees to fully cooperate in correcting such errors within 30 days of the date of mailing by Lender of a request to do that. Any change in the documents after they are signed to reflect a change in the agreement of the parties is an "alteration" or "amendment," which must be in writing and signed by the party that will be bound by the change.

MISCELLANEOUS PROVISIONS. The following miscellaneous provisions are a part of this Agreement:

Amendments. This Agreement, together with any Related Documents, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Agreement. No alteration or amendment to this Agreement shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

Attorneys' Fees; Expenses. Grantor agrees to pay upon demand all of Lender's costs and expenses, including Lender's reasonable attorneys' fees and Lender's legal expenses, incurred in connection with the enforcement of this Agreement. Lender may hire or pay someone else to help enforce this Agreement, and Grantor shall pay the costs and expenses of such enforcement. Costs and expenses include Lender's reasonable attorneys' fees and legal expenses whether or not there is a lawsuit, including Lender's reasonable attorneys' fees and legal expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services. Grantor also shall pay all court costs and such additional fees as may be directed by the court.

Caption Headings. Caption headings in this Agreement are for convenience purposes only and are not to be used to interpret or define the provisions of this Agreement.

Governing Law. This Agreement will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the State of Texas without regard to its conflicts of law provisions. This Agreement has been accepted by Lender in the State of Texas.

Non-Reliance of Lender. The relationship between Grantor and Lender created by this Agreement is strictly a debtor and creditor relationship and not fiduciary in nature, nor is the relationship to be construed as creating any partnership or joint venture between Lender and Grantor. Grantor is exercising Grantor's own judgment with respect to Grantor's business. All information supplied to Lender is for Lender's protection only and no other party is entitled to rely on such information. There is no duty for Lender to review, inspect, supervise or inform Grantor of any matter with respect to Grantor's business. Lender and Grantor intend that Lender may reasonably rely on all information supplied by Grantor to Lender, together with all representations and warranties given by Grantor to Lender, without investigation or confirmation by Lender and that any investigation or failure to investigate will not diminish Lender's right to so rely.

Notice of Lender's Breach. Grantor must notify Lender in writing of any breach of this Agreement or the Related Documents by Lender and any other claim, cause of action or offset against Lender within thirty (30) days after the occurrence of such breach or after the accrual of such claim, cause of action or offset. Grantor waives any claim, cause of action or offset for which notice is not given in accordance with this paragraph. Lender is entitled to rely on any failure to give such notice.

Indemnification of Lender. Grantor agrees to indemnify, to defend and to save and hold Lender harmless from any and all claims, suits, obligations, damages, losses, costs and expenses (including, without limitation, Lender's reasonable attorneys' fees), demands, liabilities, penalties, fines and forfeitures of any nature whatsoever that may be asserted against or incurred by Lender, its officers, directors, employees, and agents arising out of, relating to, or in any manner occasioned by this Agreement and the exercise of the rights and remedies granted Lender under this, as well as by: (1) the ownership, use, operation, construction, renovation, demolition, preservation, management, repair, condition, or maintenance of any part of the Collateral; (2) the exercise of any of Grantor's rights collateralized and pledged to Lender hereunder; (3) any failure of Grantor to perform any of its obligations hereunder and/or (4) any failure of Grantor to comply with the environmental and ERISA obligations, representations and warranties set forth herein. The foregoing indemnity provisions shall survive the cancellation of this Agreement as to all matters arising or occurring prior to such cancellation and the foregoing indemnity shall survive in the event that Lender elects to exercise any of the remedies as provided under this Agreement following default hereunder. Grantor's indemnity obligations under this section shall not in any way be affected by the presence or absence of covering insurance, or by the amount of such insurance or by the failure or refusal of any insurance carrier to perform any obligation on its part under any insurance policy or policies affecting the Collateral and/or Grantor's business activities. Should any claim, action or proceeding be made or brought against Lender by reason of any event as to which Grantor's indemnification obligations apply, then, upon Lender's demand, Grantor, at its sole cost and expense, shall defend such claim, action or proceeding in Grantor's name, if necessary, by the attorneys for Grantor's insurance carrier (if such claim, action or proceeding is covered by insurance), or otherwise by such attorneys as Lender shall approve. Lender may also engage its own attorneys of its reasonable discretion to defend Grantor and to assist in its defense and Grantor agrees to pay the fees and disbursements of such attorneys.

No Waiver by Lender. Lender shall not be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by Lender of a provision of this Agreement shall not prejudice or constitute a waiver of Lender's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by Lender, nor any course of dealing between Lender and Grantor, shall constitute a waiver of any of Lender's rights or of any of Grantor's obligations as to any future proceedings. Whenever the consent of Lender is required under this Agreement, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be given or withheld by the sole discretion of Lender. This Agreement shall be given in writing, and shall be effective when actually delivered, when actually received by telefacsimile (unless otherwise required by law), when deposited with a nationally recognized overnight courier, or, if mailed, when deposited in the United States mail, or first class, certified or registered mail postage prepaid, directed to the addresses shown near the beginning of this Agreement. Any party may change its address for notices under this Agreement by giving formal written notice to the other parties, specifying that the purpose of the notice is to change the party's address. For notice purposes, Grantor agrees to keep Lender informed at all times of Grantor's current address. Unless otherwise provided or required by law, if there is more than one Grantor, any notice given by Lender to any Grantor is deemed to be notice given to all Grantors.

Power of Attorney. Grantor hereby appoints Lender as Grantor's irrevocable attorney-in-fact for the purpose of executing any documents necessary to perfect, amend, or to continue the security interest granted in this Agreement or to demand termination of the security interest secured parties. Lender may at any time, and without further authorization from Grantor, file a carbon, photograph or other reproduction of any financing statement or of this Agreement for use as a financing statement. Grantor will execute, and Lender will cause to be executed, for the perfection and the continuation of the perfection of Lender's security interest in the Collateral.

Severability. If a court of competent jurisdiction finds any provision of this Agreement to be illegal, invalid, or unenforceable as to any circumstance, that finding shall not make the offending provision illegal, invalid, or unenforceable as to any other circumstance. If feasible, the offending provision shall be considered modified so that it becomes legal, valid and enforceable. If the offending provision cannot be so modified, it shall be considered deleted from this Agreement. Unless otherwise required by law, the illegality, invalidity, or unenforceability of any provision of this Agreement shall not affect the legality, validity or enforceability of any other provision of this Agreement.

Sole Discretion of Lender. Whenever Lender's consent or approval is required under this Agreement, the decision as to whether or not to consent or approve shall be in the sole and exclusive discretion of Lender and Lender's decision shall be final and conclusive.

Subject to any limitations stated in this Agreement on transfer of Grantor's Interest, this Agreement shall be binding upon and inure to the benefit of the parties, their successors and assigns. Survival of Representations and Warranties. All representations, warranties, and agreements made by Grantor in this Agreement shall survive the execution and delivery of this Agreement, shall be continuing in nature, and shall remain in full force and effect until such time as Grantor's indebtedness shall be paid in full.

Time is of the Essence. Time is of the essence in the performance of this Agreement.
