**GRANT OF SECURITY INTEREST
(TRADEMARKS)
(Senior Credit Facility)**

THIS GRANT OF SECURITY INTEREST (TRADEMARKS) (this "*IP Grant*") is dated as of April 8, 2011 and is entered into by MAMMOTH MOUNTAIN SKI AREA, LLC, a Delaware limited liability company, having its chief executive office at 1 Minaret Road, Mammoth Lakes, California 93546 ("*Assignor*"), in favor of Wells Fargo Bank, National Association, having a representative office at 400 Capitol Mall, Suite 700, Sacramento, CA 95814, not in its individual capacity, but solely in its capacity as Senior Collateral Agent (as defined below) (in such capacity, "*Assignee*") under the Intercreditor Agreement (as defined below) as the representative and for the benefit of the Senior Collateral Parties (as defined in the Intercreditor Agreement).

WHEREAS, concurrently herewith, Assignor, as borrower, and certain of its Affiliates and subsidiaries, as guarantors (the "*Guarantors*"), are entering into that Credit Agreement dated as of the date of this IP Grant (as the same may from time to time be amended, modified, supplemented or restated, the "*Credit Agreement*") with the several financial institutions party thereto as Lenders and Wells Fargo Bank, National Association, in its separate capacities as Administrative Agent on behalf and for the benefit of the Senior Credit Parties, and as Swing Line Lender and L/C Issuer, pursuant to which the Lending Parties agree to make certain Credit Extensions to Assignor on behalf and for the benefit of Assignor, the Guarantors and the Subsidiary Guarantors up to an initial aggregate available principal amount of \$170,000,000 on the terms and subject to the conditions set forth therein and the other Loan Documents.

WHEREAS, concurrently herewith, Administrative Agent and each Lending Party under the Credit Agreement and each of the Subordinated Noteholders under the Subordinated Note Purchase Agreement (as defined in the Credit Agreement) are entering into that Subordination and Collateral Agency Agreement dated as of the date of this IP Grant (as the same may from time to time be amended, modified, supplemented or restated, the "*Intercreditor Agreement*"), acknowledged and agreed to by Assignor and each Guarantor, pursuant to which, among other things, Administrative Agent, each Lending Party appoints, designates and authorizes Wells Fargo Bank, National Association to act as Senior Collateral Agent (in such capacity, and as defined in the Intercreditor Agreement, the "*Senior Collateral Agent*") as the representative and for the benefit of itself and the Senior Credit Parties (collectively, the "*Senior Collateral Parties*") under the Loan Documents with respect to matters relating to the Collateral and other matters incidental thereto, subject to the terms and conditions of the Intercreditor Agreement.

WHEREAS, in order to secure Assignor's Obligations to Administrative Agent and the other Secured Parties under the Credit Agreement and the other Loan Documents, Assignor and the Guarantors also concurrently herewith are entering into that Security Agreement dated as of the date of this IP Grant (as the same may from time to time be amended, modified, supplemented or restated, the "*Security Agreement*"), in favor of Assignee, as the representative and for the benefit of the Senior Collateral Parties, pursuant to which, among other things, Assignor is granting to Assignee a security interest in all of Assignor's right, title and interest, whether presently existing or hereafter arising or acquired, in, to and under all of the "*Collateral*," as defined in the Security Agreement.

WHEREAS, the Lending Parties are willing to make, extend and maintain the credit to and for the benefit of Assignor and the Guarantors under the Credit Agreement and the other Loan Documents, but only upon the condition, among others, that Assignor will grant a security interest in and assign for security purposes (and not as an absolute assignment) in favor of and to Assignee, as the representative and for the benefit of the Senior Collateral Parties, in and to, all of Assignor's right, title and interest in and to all Trademarks (as defined and described below) to secure its payment and performance of the Secured Obligations (as such term is defined in the Security Agreement).

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, as collateral security for the prompt and complete payment and performance when due of the Secured Obligations, Assignor hereby represents, warrants, covenants and agrees as follows:

1. Unless otherwise defined herein, capitalized terms used herein shall have the same meaning when used herein as given to them in the Credit Agreement.

2. As security for the full, complete and final payment and performance when due (whether at stated maturity, by acceleration or otherwise) of all the Secured Obligations and in order to induce Administrative Agent and the Lending Parties to enter into the Credit Agreement and the other Loan Documents and to make, extend and maintain the Credit Extensions thereunder to and for the benefit of Assignor and the Guarantors upon the terms and subject to the conditions thereof, Assignor hereby assigns, conveys, mortgages, pledges, hypothecates and transfers to Assignee, as Senior Collateral Agent and representative and for the benefit of the Senior Collateral Parties, and hereby grants to Assignee, as Senior Collateral Agent and representative and for the benefit of the Senior Collateral Parties, a security interest in and to all of Assignor's respective right, title and interest in, to and under each of the following:

a. all Trademarks (as defined in the Security Agreement), including, without limitation, each registered trademark, trade name and service mark and each application for the registration of a trademark, trade name or service mark listed on *Schedules A* and *B* hereto, including, without limitation, all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all reissues, continuations, continuations-in-part and renewals thereof; and

b. the goodwill of the business connected with the use of, and symbolized by, each Trademark.

Assignor does hereby further acknowledge and affirm that the rights and remedies of Assignee with respect to the assignment of and security interest in the Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference.

Following the termination of the Security Agreement in accordance with its terms, the Trademarks and any and all financing statements filed on behalf of Assignee will be automatically terminated, released, and/or reassigned to Assignor, and Assignee shall execute such instruments as may be reasonably requested to evidence such termination, release, and/or reassignment.
