Notwithstanding anything to the contrary contained herein, the Grantors shall not be required to provide physical Collateral or to otherwise perfect a security interest in any Collateral to the extent the burden or cost of perfecting a security interest therein outweighs the benefit of the security afforded thereby as determined by the Collateral Agent in its sole discretion.

3. Secured Obligations. The security interest hereby granted shall secure the due and punctual payment and performance of the following liabilities and obligations of the Credit Parties (herein called the "Secured Obligations"):

- (a) the Obligations (as defined in the Credit Agreement);
- (b) all obligations and liabilities of the Guarantors to the Secured Parties under the Credit Agreement and the other Loan Documents, whether such obligations and liabilities are direct or indirect, absolute or contingent, due or to become due or now existing or hereafter arising; and
- (c) any and all other obligations and Indebtedness of any of the Grantors to the Secured Parties or any of them, whether direct or indirect, absolute or contingent, due or to become due or now existing or hereafter incurred under the Credit Agreement or any other Loan Document or under any Hedging Agreement permitted by the Credit Agreement, or otherwise, all as amended from time to time,

including, without limitation, any and all other fees, premiums or penalties in accordance with the Credit Agreement or any other Loan Document.

4. Perfection Certificate. Each of the Grantors has delivered to the Collateral Agent a Perfection Certificate in the form appended hereto as Schedule I. Each Grantor represents that the completed Perfection Certificate delivered to the Collateral Agent is true and correct in all material respects and the facts contained in such certificate are accurate in all material respects in each case as of the date hereof.

5. Special Warranties and Covenants of the Grantors. Each Grantor hereby warrants and covenants to the Secured Parties that:

(a) Schedule I for each Grantor attached hereto accurately sets forth the following information for such Grantor as of the Closing Date: (i) the exact legal name of such Grantor; (ii) the type of organization of such Grantor; (iii) the jurisdiction of organization of such Grantor; (iv) the organizational identification number of such Grantor or, if the Grantor does not have an organizational number, a statement that the Grantor has none; and (v) the chief executive office and the current locations of all Collateral of such Grantor. No Grantor will (x) change its type of organization, jurisdiction of organization, or other legal structure except as otherwise permitted under the Credit Agreement, (y) change its chief executive office or the location of any Collateral from the locations set forth in the respective Schedule I, except in the ordinary course of business, or (z) make any change in such Grantor's name or mailing address or organizational identification number if it has one, or conduct the Grantor's business operations under any fictitious business name or trade name, without, in each case, providing at least ten (10) Business Days' prior written notice to the Collateral Agent. If any Grantor does not have an organizational identification number and later obtains one, such Grantor will forthwith notify the Collateral Agent of such organizational identification number.

(b) Except for the security interest created hereunder, Permitted Liens and as otherwise expressly permitted by the Credit Agreement, each Grantor is the owner of its Collateral free from any lien, security interest or encumbrance (but excluding any license to intellectual property) and each Grantor will defend its Collateral against all claims and demands of all persons at any time claiming the same or any interest therein.

(c) As of the Closing Date, no Grantor holds any commercial tort claims, as defined in Article 9 of the UCC, except as indicated on the respective Schedule I of such Grantor attached hereto. If any of the Grantors shall at any time acquire a commercial tort claim, such Grantor shall immediately notify the Collateral Agent in a writing signed by such Grantor of the brief details thereof and grant to the Collateral Agent in such writing a security interest therein and in the proceeds thereof, all upon the terms of this Agreement, with such writing to be in form and substance reasonably satisfactory to the Collateral Agent.

(d) No Grantor will sell or otherwise dispose of any Collateral or any interest therein nor will any Grantor create, incur or permit to exist any mortgage, lien, charge, encumbrance (but excluding any license to intellectual property) or security interest whatsoever with respect to any Collateral except for the Permitted Liens and as permitted by the Credit Agreement or otherwise consented to in writing by the Secured Parties.

(e) Except for Collateral that is obsolete or no longer used in such Grantor's business, such Grantor will keep the Collateral in good order and repair (normal wear and tear and casualty excepted) and insured at all times in accordance with the provisions of the Credit Agreement. The Grantors will pay promptly when due all taxes and assessments on the Collateral or for its use or

operation, except for taxes and assessments permitted to be contested as provided in the Credit Agreement. Following the occurrence and during the continuance of an Event of Default, the Collateral Agent may at its option discharge any taxes, liens, security interests or other encumbrances (but excluding any license to intellectual property) to which any Collateral is at any time subject (other than those permitted by the Credit Agreement), and may, upon the failure of the Grantors to do so in accordance with the Credit Agreement, purchase insurance on any Collateral and pay for the repair, maintenance or preservation thereof in the exercise of its reasonable credit judgment concerning such Collateral, and each Grantor agrees to reimburse the Collateral Agent on demand for any payments or out-of-pocket expenses incurred by the Collateral Agent or the other Secured Parties pursuant to the foregoing authorization and any unreimbursed amounts shall constitute Secured Obligations for all purposes hereof.

(f) No consent of any third party is required for any transfer by a Grantor to the Collateral Agent, or from the Collateral Agent to any third party of any Collateral following an Event of Default.

(g) Each Grantor will promptly execute and deliver to the Collateral Agent, or authorize the filing by the Collateral Agent of, such financing statements, certificates and other documents or instruments (including, without limitation, this Agreement and licenses to use software and other property protected by copyright), in such offices (including, without limitation, the United States Patent and Trademark Office, appropriate state trademark offices, and the United States Copyright Office), with or without such Grantor's signature, as may be reasonably necessary to enable the Collateral Agent to perfect or from time to time renew the security interest granted hereby and in any additional Collateral hereafter acquired by such Grantor or in any replacements or proceeds thereof. Each Grantor authorizes and appoints the Collateral Agent, in case of need, to execute, as applicable, and file such financing statements, certificates and other documents pertaining to the Secured Parties' security interest in the Collateral in its stead if such Grantor fails to so execute or file such documents, with full power of substitution, as such Grantor's attorney in fact. During the continuance of an Event of Default the Collateral Agent may from time to time request and each Grantor shall deliver copies of all vendor lists.

(h) Each Grantor agrees that the Collateral Agent may, at any time and from time to time file in any jurisdiction financing statements and amendments thereto that (i) indicate the Collateral (x) as all assets of such Grantor or words of similar effect, regardless of whether any particular asset falls within the scope of Article 9 of the UCC of such jurisdiction or (y) as being of an equal or lesser scope or with greater detail and (ii) which contain any other information required by Article 9 of the UCC (including Part 5 thereof) for the sufficiency or filing office acceptance of any financing statement or amendment, including whether any Grantor is an organization, the type of organization and any organization identification number issued to such Grantor. The Grantors agree to furnish any such information to Collateral Agent promptly upon request.

(i) As of the Closing Date, the records concerning all accounts, accounts receivable and other intangible Collateral of each Grantor are and thereafter will be kept (and all billing and collection activities conducted by each such Grantor will at all times take place) at the address shown in the respective Schedule I pertaining to such Grantor as the chief executive office of such Grantor or as otherwise set forth in the Perfection Certificate (in each case subject to Section 5(a)).

(j) If any Collateral of any Grantor is at any time in the possession of a bailee, such Grantor shall promptly notify the Collateral Agent and, if requested by the Collateral Agent, the Grantors shall make commercially reasonable efforts to obtain an acknowledgment, in form and substance reasonably satisfactory to Collateral Agent, of any bailee having possession of any of the Collateral that such bailee holds such Collateral for Collateral Agent and shall act upon the instructions of the Collateral

Agent, without further consent of the Grantors. Such instructions shall only be given to a bailee following the occurrence and during the continuance of an Event of Default.

(k) Schedules II, III, IV, and V hereto, respectively, are true, correct and complete lists as of the date hereof of all Registered Proprietary Rights (Schedules II, III, and IV for registered or applied for Patents, Trademarks and Copyrights, respectively), top-level URLs for active Websites and Domain Names owned by (or in the case of Domain Names, registered to) the Grantors.

(l) Each Grantor is, and, as to the Patents, Trademarks, and Copyrights acquired by it from time to time after the date hereof, such Grantor will be, except as indicated on the schedules attached hereto, the sole and exclusive owner of or, as applicable, the exclusive or nonexclusive licensee of all such Patents, Trademarks, and Copyrights.

(m) The Grantors are the owners of the Websites and the holders of the Domain Name registrations listed on Schedule V hereto and have registered such Domain Names with the ICANN-accredited domain name registrar set forth opposite such Domain Name on Schedule V. The administrative contacts for each domain name registrar are set forth on Schedule V. Each Domain Name has not been registered by the Credit Parties with any other domain name registrar.

(n) As of the Closing Date, the Grantors have made and thereafter will continue to make all necessary filings and recordations from time to time and have used and will continue to use appropriate statutory notice to protect their interests in the Collateral, including, without limitation, registration of their Websites and Domain Names with the appropriate domain name registrars, and the appropriate recordations of their interests in the Registered Proprietary Rights in the United States Patent and Trademark Office and in the United States Copyright Office and in corresponding offices wherever they do business using such Registered Proprietary Rights throughout the world, but in any event, in a manner consistent with the Grantors reasonable business judgment and commercially reasonable business practices. The Grantors will properly maintain and protect all the Registered Proprietary Rights, Websites and Domain Names owned by the Grantors that are material to their business and in accordance with their reasonable business judgment and all laws, rules and regulations applicable to all of such Registered Proprietary Rights, Websites and Domain Names..

(o) In accordance with their reasonable business judgment, the Grantors will take all commercially reasonable measures customarily taken by companies engaged in the same or similar businesses, whether by action, suit or proceeding or otherwise, to prevent the infringement or counterfeiting by others of any of the Patents, Trademarks, Copyrights, Websites or Domain Names owned by the Grantors that are material to their business and for that purpose the Grantors agree to take commercially reasonable measures to diligently maintain any action, suit or proceeding against any Person so infringing as is necessary to prevent such infringement or as is necessary to protect such Patents, Trademarks, Copyrights, Websites or Domain Names. In accordance with their reasonable business judgment, the Grantors will not permit to lapse or become abandoned, settle or compromise any pending or future litigation or administrative proceeding with respect to any Patent, Trademark, Copyright, Website or Domain Name owned by the Grantors that is material to their business without the consent of the Collateral Agent, which shall not be unreasonably withheld, conditioned or delayed.

(p) If the Grantors file a Patent, Trademark, Copyright, Website or Domain Name application, then the Grantors will provide written notice to the Collateral Agent within 60 days of such application. In accordance with their reasonable business judgment, the Grantors shall file and prosecute diligently all applications for registration of Patents, Trademarks, Copyrights, Websites and Domain Names now or hereafter pending that would be necessary to the business of the Grantors to which any such applications pertain, and to do all acts, in any such instance, necessary to preserve and maintain all

rights in such applications and in all registered Patents, Trademarks, Copyrights, Websites or Domain Names material to their business. Any and all costs and expenses incurred in connection with any such actions shall be borne by the Grantors. Except in accordance with their reasonable business judgment, the Grantors shall not abandon any Patent, Trademark, Copyright, Website or Domain Name application or any pending Patent, Trademark, Copyright, Website or Domain Name application or any registered Patent, Trademark, Copyright, Website or Domain Name, in each case material to their business, without the consent of the Collateral Agent, which shall not be unreasonably withheld, conditioned or delayed.

(q) Each Grantor will, promptly following its becoming aware thereof, (but in no event later than 15 days after becoming aware thereof) notify the Collateral Agent of (i) any materially adverse determination in any proceeding in the United States Patent and Trademark Office or United States Copyright Office with respect to any Patent, Trademark or Copyright owned by a Grantor that is material to such Grantor's business (other than office actions issued in the ordinary course); (ii) any written claim received that such Grantor determines in its reasonable business judgment could materially affect such Grantor's claim of ownership in or right to use any of the Collateral, its right to register any of the Collateral, or its right to keep and maintain such registration in full force and effect, or (iii) the institution of any material proceeding or any materially adverse determination in any federal, state, local or foreign court or administrative bodies regarding such Grantor's claim of ownership in or right to use any of the Collateral, its right to register any of the Collateral, or its right to keep and maintain such registration in full force and effect.

(r) Without in any way limiting the obligation of the Grantors to obtain the consent of the Secured Parties to the opening of any deposit account if required in accordance with the Credit Agreement, within 30 days of establishing any deposit account or lockbox account with any depository institution, each Grantor will execute and deliver, and cause any such institution to execute and deliver, to the Collateral Agent a Control Agreement with respect to such deposit account or lockbox account and take, or cause to be taken, any other actions deemed reasonably necessary by the Collateral Agent to obtain "control" of such deposit account (as such term is defined in Section 9-104 of the UCC), except to the extent that a Control Agreement is not required to be obtained with respect such deposit account as expressly provided in Section 6.16 of the Credit Agreement.

(s) If any Grantor is at any time a beneficiary under a letter of credit now or hereafter issued in favor of such Grantor, such Grantor shall promptly notify the Collateral Agent thereof and, at the request and option of the Collateral Agent, such Grantor shall either (i) arrange for the issuer and any confirmer of such letter of credit to consent to an assignment to the Collateral Agent for itself and the benefit of the other Secured Parties of the proceeds of any drawing under the letter of credit or (ii) arrange for the Collateral Agent to become the transferee beneficiary of the letter of credit, with the Collateral Agent agreeing, in each case, that the proceeds of any drawing under the letter of credit are to be applied as provided in the Credit Agreement. In addition, if requested by the Collateral Agent, such Grantor shall deliver such letter of credit to the Collateral Agent.

(t) To the extent any Account or contract or other writing relating thereto held by any Grantor is evidenced by a promissory note or other Instrument or any Grantor otherwise holds or acquires possession of any promissory note or other Instrument or any tangible chattel paper, such Grantor will promptly deliver the same to the Collateral Agent to be held as Collateral hereunder, together with an endorsement thereof or other instrument of transfer reasonably satisfactory in form and substance to the Collateral Agent.

(u) If any Grantor shall at any time hold or acquire any investment property or Electronic Chattel Paper, such Grantor shall promptly notify the Collateral Agent and shall execute and deliver, or cause to be executed and delivered, such documents and agreements and take, or cause to be

taken, such other actions as the Collateral Agent may reasonably request for the Collateral Agent to obtain “control” of such investment property or Electronic Chattel Paper under the UCC.

(v) The Grantors shall at any time and from time to time execute and deliver, or cause to be executed and delivered, such other agreements, instruments, certificates and documents and take, or cause to be taken, such other actions as the Collateral Agent may reasonably request to insure the continued protection, perfection and priority of the Collateral Agent’s security interest in any of the Collateral. Notwithstanding the foregoing, nothing in this Agreement shall require any Grantor to make any filings or take any other actions to record or perfect the Collateral Agent’s security interest in any intellectual property outside the United States.

6. Fixtures, etc. It is the intention of the parties hereto that (except for Collateral located on real estate owned in fee simple by any Grantor that has been mortgaged to the Collateral Agent pursuant to a Mortgage) none of the Collateral shall become Fixtures and each Grantor will take all such action or actions as may be reasonably necessary to prevent any of the Collateral from becoming Fixtures. Without limiting the generality of the foregoing, each Grantor will make commercially reasonable efforts to obtain a Landlord’s Waiver and Consent in form satisfactory to the Collateral Agent, from each lessor of Material Leasehold Property on which any of the Collateral is or is to be located to the extent requested by the Collateral Agent.

7. Events of Default. As used herein, an “Event of Default” shall mean the occurrence of an Event of Default under the Credit Agreement.

8. Rights and Remedies of Secured Parties. Upon the occurrence and during the continuance of any Event of Default, the Collateral Agent and the other Secured Parties shall have the following rights and remedies:

(a) All rights and remedies provided by law, including, without limitation, those provided by the UCC;

(b) All rights and remedies provided in this Agreement; and

(c) All rights and remedies provided in the Credit Agreement, or in the Loan Documents, or in any other agreement, document or instrument pertaining to the Secured Obligations.

9. Royalty Free License. Upon the occurrence of, and solely during the continuance of any Event of Default, the Collateral Agent has the right to dispose of any of the Collateral which is subject to a Patent, Trademark or Copyright which any of the Grantors own, and such Grantor grants to the Secured Parties a non-exclusive royalty free license (to the extent such rights are assignable and with respect to Trademarks, subject to the quality control provisions in favor of Grantors such that Collateral Agent shall use the Trademarks in connection with goods and services of the same or higher quality as those provided by the Credit Parties) to use any such Patent, Trademark or Copyright, in addition to the grant of any security interest granted to the Secured Parties in such Patent, Trademark or Copyright to dispose of any such Collateral. Such royalty free license shall extend to any person or persons purchasing such Collateral from the Secured Parties.

10. Right of Collateral Agent to Dispose of Collateral, etc. Upon the occurrence of and solely during the continuance of any Event of Default, but subject to the provisions of the UCC or other applicable law (except as waived herein), the Collateral Agent shall have the right to take possession of the Collateral and, in addition thereto, the right to enter upon any premises on which the Collateral or any part thereof may be situated and remove the same therefrom. The Collateral Agent may require the

Grantors to make the Collateral available to the Collateral Agent at a place to be mutually designated by the Collateral Agent and the Borrower or transfer any information related to the Collateral to the Collateral Agent by electronic medium. Unless the Collateral is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, the Collateral Agent will give the Grantors at least ten (10) days' prior written notice in accordance with Section 19 hereof of the time and place of any public sale thereof or of the time after which any private sale or any other intended disposition thereof is to be made. Any such notice shall be deemed to meet any requirement hereunder or under any applicable law (including the UCC) that reasonable notification be given of the time and place of such sale or other disposition. The Collateral Agent may comply with any applicable state or federal law requirements in connection with a disposition of the Collateral and compliance will not be considered adversely to affect the commercial reasonableness of any sale of the Collateral. Notwithstanding anything to the contrary herein, the Collateral Agent shall not assign or otherwise dispose of any Trademark owned by any Grantor without assigning the assets and goodwill of the business associated therewith and any such assignment shall be null and void.

11. Right of Collateral Agent to Use and Operate Collateral, etc. Upon the occurrence of and solely during the continuance of any Event of Default, but subject to the provisions of the UCC or other applicable law, the Collateral Agent shall have the right and power to (a) take possession of all or any part of the Collateral, and to exclude the Grantors and all persons claiming under the Grantors wholly or partly therefrom, and thereafter to hold, store, and/or use, operate, manage and control the same and (b) grant a license to use, or cause to be granted a license to use, any or all of the Patents, Trademarks and Copyrights owned by the Grantors (in the case of Trademarks, along with the goodwill associated therewith, and in the case of Trademark licenses, subject to the quality control provisions of the original licenses) or any part thereof, in each case free of all rights and claims of the Grantors therein and thereto. Upon any such taking of possession, the Collateral Agent may, from time to time, at the expense of the Grantors, make all such repairs, replacements, alterations, additions and improvements to and of the Collateral as the Collateral Agent may deem proper. In any such case the Collateral Agent shall have the right to manage and control the Collateral and to carry on the business and to exercise all rights and powers of the Grantors in respect thereto as the Collateral Agent shall deem best, including the right to enter into any and all such agreements with respect to the operation of the Collateral or any part thereof as the Collateral Agent may see fit; and the Collateral Agent shall be entitled to collect and receive all rents, issues, profits, fees, revenues and other income of the same and every part thereof. Such rents, issues, profits, fees, revenues and other income shall be applied to pay the expenses of holding and operating the Collateral and of conducting the business thereof, and of all maintenance, repairs, replacements, alterations, additions and improvements, and to make all payments which the Collateral Agent may be required or may reasonably elect to make, if any, for taxes, assessments, insurance and other charges upon the Collateral or any part thereof, and all other payments which the Collateral Agent may be required or authorized to make under any provision of this Agreement (including legal costs and reasonable attorneys' fees). The remainder of such rents, issues, profits, fees, revenues and other income shall be applied as provided in Section 13.

12. Collection of Accounts Receivable, etc. Upon the occurrence and during the continuance of an Event of Default, each Grantor irrevocably authorizes the Collateral Agent at any time and from time to time in the sole discretion of the Collateral Agent and appoints the Collateral Agent as its attorney in fact (a) to endorse and collect any cash proceeds of the Collateral; (b) to apply the payments on and collections and proceeds of such Grantor's Accounts and accounts receivable in accordance with Section 2.6(b) of the Credit Agreement; (c) to endorse the name of such Grantor upon items of payment and/or proceeds of Collateral of the Grantors and upon any chattel paper, document, instrument, invoice or similar document or agreement relating to any Account or account receivable of the Grantors or goods pertaining thereto; (d) to take control in any manner of any item of payment or proceeds thereof; (e) to have access to any lock box or postal box into which any mail of such Grantor is deposited; (f) to open

and process all mail addressed to such Grantor and deposited in any lock box or postal box of such Grantor or otherwise; (g) to sell or assign any Accounts or account receivable of such Grantor upon such terms, for such amounts and at such time or times as the Collateral Agent deems advisable; (h) to notify any parties obligated on any of the Accounts and accounts receivable of such Grantor to make payment directly to the Collateral Agent of any amounts due or to become due; (i) to demand payment or enforce payment of the Accounts or accounts receivable of such Grantor in the name of the Collateral Agent or such Grantor; (j) to sign such Grantor's name on any invoice or bill of lading relating to the Accounts or accounts receivable of such Grantor, any drafts against any party obligated on any such Accounts or accounts receivable and any assignments and verifications of such Accounts or accounts receivable; (k) to exercise all of such Grantor's rights and remedies with respect to the collection of the Accounts of such Grantor and any other Collateral; (l) to settle, adjust, compromise, extend or renew the Accounts and accounts receivable of such Grantor; (m) to settle, adjust or compromise any legal proceedings brought to collect the Accounts and accounts receivable of such Grantor; (n) to prepare, file and sign such Grantor's name on a proof of claim in bankruptcy or similar document against any party obligated on any of the Accounts and accounts receivable of such Grantor; (o) to prepare, file and sign such Grantor's name on any notice of Lien, assignment or satisfaction of Lien or similar document in connection with the Accounts or account receivables of such Grantor; and (p) to do all other acts and things reasonably necessary to carry out this Agreement; and such Grantor agrees to reimburse the Collateral Agent on demand for any necessary payment made or any reasonable out-of-pocket expense incurred by the Collateral Agent in connection with any of the foregoing; *provided* that, this authorization shall not relieve such Grantor of any of its obligations under this Security Agreement or under the Credit Agreement. All acts of said attorney or designee are hereby ratified and approved. The powers conferred on the Collateral Agent, for the benefit of the Agents and Lenders, under this Section 12 are solely to protect the Collateral Agent's interests in the Collateral and shall not impose any duty upon the Collateral Agent or any Lender to exercise any such powers.

13. Proceeds of Collateral. Any proceeds of Collateral consisting of collections of or payments on Accounts or accounts receivable of the Grantors or proceeds from the sale, lease or other disposition of or realization on Collateral, in each case, received by the Collateral Agent after the occurrence and during the continuance of an Event of Default shall be applied to the payment of the Secured Obligations by the Collateral Agent in accordance with the terms of Section 2.6(b) of the Credit Agreement, and any surplus shall be returned to the Grantors or to any person or party lawfully entitled thereto (including, if applicable, any subordinated creditors of the Grantors). By way of enlargement and not by way of limitation of the rights of the Collateral Agent under applicable law or the Credit Agreement or the other Loan Documents, the Collateral Agent shall allocate the proceeds of the Collateral to the Secured Obligations (including without limitation, the Loans) in accordance with the terms of the Credit Agreement. In the event that the proceeds of any sale, lease or other disposition of or realization on the Collateral hereunder are insufficient to pay all of the Secured Obligations in full, the Grantors will be liable for the deficiency, together with interest thereon at the maximum rate provided in the Credit Agreement, and the out-of-pocket costs and expenses of collection of such deficiency, including (to the extent permitted by law), without limitation, reasonable attorneys' fees of outside counsel, expenses and disbursements in accordance with Section 10.3 of the Credit Agreement.

14. Credit Agreement, etc. Notwithstanding any other provision of this Agreement, the rights of the parties hereunder are subject to the provisions of the Credit Agreement, including the provisions thereof pertaining to the rights and responsibilities of the Collateral Agent. In the event that any provision of this Agreement is in conflict with the terms of the Credit Agreement, the Credit Agreement shall control. Unless the context shall otherwise clearly indicate, the terms "Secured Party" and "Secured Parties" as used herein shall be deemed to include the Collateral Agent acting on behalf of the Secured Parties pursuant to the Credit Agreement. The term "Collateral Agent" as used herein shall include THL Corporate Finance, Inc., or any other Person acting as Collateral Agent for the Secured

Parties pursuant to the terms of the Credit Agreement. Concurrently herewith, certain of the Grantors are executing and delivering to the Collateral Agent a Pledge Agreement of even date herewith pursuant to which such Grantors are pledging to the Collateral Agent for the benefit of the Lenders the Pledged Collateral (as defined in such Pledge Agreement). The pledge of the Pledged Collateral (as defined in such Pledge Agreement) shall be governed by the terms of such Pledge Agreement and not by the terms of this Agreement.

15. Waivers, etc. Each Grantor hereby waives presentment, demand, notice, protest in connection with this Agreement or the enforcement of the Secured Parties' rights hereunder or in connection with any Secured Obligations or any Collateral; consents to and waives notice of the granting of renewals, extensions of time for payment or other indulgences to the other Grantors or to any account debtor in respect of any Account, including without limitation, any account receivable or to any other third party, or substitution, release or surrender of any Collateral, the addition or release of persons primarily or secondarily liable on any Secured Obligation or on any account receivable or other Collateral, the acceptance of partial payments on any Secured Obligation or on any account receivable or other Collateral and/or the settlement or compromise thereof. No delay or omission on the part of the Collateral Agent or the Secured Parties in exercising any right hereunder shall operate as a waiver of such right or of any other right hereunder. Any waiver of any such right on any one occasion shall not be construed as a bar to or waiver of any such right on any future occasion. To the extent permitted by applicable law, each grantor further waives any right it may have under the laws of the State of New York, under the laws of any state in which any of the Collateral may be located, or under the laws of the United States of America, to notice (other than any requirement of notice provided herein) or to a judicial hearing prior to the exercise of any right or remedy provided by this Agreement to the Collateral Agent or the Secured Parties and waives its rights, if any, to object to, set aside or invalidate any sale duly consummated in accordance with the foregoing provisions hereof on the grounds (if such be the case) that the sale was consummated without a prior judicial hearing. Each Grantor's waivers under this section have been made voluntarily, intelligently and knowingly and after such Grantor has been apprised and counseled by its attorneys as to the nature thereof and its possible alternative rights, and shall be construed and enforced to the fullest extent enforceable under applicable law.

16. Termination; Assignment, etc. When all the Secured Obligations have been paid in full (other than contingent indemnification obligations which have not been asserted) and have been terminated and the Commitments of the Lenders to make any Loan under the Credit Agreement have terminated or expired, this Agreement and the security interest in the Collateral created hereby shall terminate automatically without any further action by any person. In such event, the Collateral Agent agrees to promptly execute appropriate releases of liens on the Collateral to evidence such termination upon the request of the Grantors and at the Grantors' expense. No waiver by the Collateral Agent or by any other holder of Secured Obligations of any default shall be effective unless in writing nor operate as a waiver of any other default or of the same default on a future occasion. In the event of a sale or assignment of part or all of the Secured Obligations by any Secured Party in accordance with the provisions of the Credit Agreement, each such Secured Party may assign or transfer its respective rights and interest under this Agreement in whole or in part to the purchaser or purchasers of such Secured Obligations, whereupon such purchaser or purchasers shall become vested with all of the powers and rights of the Secured Party hereunder.

17. Reinstatement. Notwithstanding the provisions of Section 16, this Agreement shall continue to be effective or be reinstated, as the case may be, if at any time any amount received by the Collateral Agent or any other Secured Party in respect of the Secured Obligations is rescinded or must otherwise be restored or returned by any Secured Party upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of any of the Credit Parties or upon the appointment of any intervener or

conservator of, or trustee or similar official for any Credit Party or any substantial part of any of their properties, or otherwise, all as though such payments had not been made.

18. Governmental Approval. Prior to or, where permitted, upon the exercise by the Collateral Agent of any power, right, privilege or remedy pursuant to this Agreement which requires any consent, approval, registration, qualification or authorization of any governmental authority or instrumentality, each Grantor will execute and deliver, or will cause the execution and delivery of, all applications, certificates, instruments and other documents and papers that the Collateral Agent, any Secured Party or any Grantor may be required to obtain for such governmental consent, approval, registration, qualification or authorization.

19. Notices. All notices, consents, approvals, elections and other communications hereunder shall be in writing (whether or not the other provisions of this Agreement expressly so provide) and shall be deemed to have been duly given if delivered in accordance with the terms of the Credit Agreement.

20. Joinder. Any other Person (including any new Subsidiary of any Credit Party that is required to become a party to this Agreement pursuant to Section 6.10 of the Credit Agreement) may become a party hereto by executing and delivering to the Secured Parties a joinder hereto substantially in the form of Exhibit A hereto and upon the execution and delivery of such joinder to the Collateral Agent shall become a Grantor hereunder and shall become bound by the terms and provisions hereof with the same force and effect as if originally named a Grantor herein. The obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor hereunder.

21. Amendment. No provision of this Agreement may be changed, modified, amended, restated, waived, supplemented, discharged, canceled or terminated orally or by any course of dealing or in any other manner other than by a written agreement signed by the Collateral Agent and the Grantors.

22. Entire Agreement. This Agreement and the other Loan Documents to which each Grantor is a party constitute the entire agreement between the Grantors and the Collateral Agent and the other Secured Parties with respect to the subject matter hereof and thereof, and supersede all prior agreements and understandings, if any, relating to the subject matter hereof or thereof. Any promises, representations, warranties or guarantees not herein contained and hereinafter made shall have no force and effect unless in writing signed by the parties hereto. Each party hereto acknowledges that it has been advised by counsel in connection with the negotiation and execution of this Agreement and is not relying upon oral representations or statements inconsistent with the terms and provisions hereof.

23. Miscellaneous. This Agreement shall inure to the benefit of and be binding upon the Secured Parties and be binding upon the Collateral Agent and each Grantor and their respective successors and assigns, *provided* that no Grantor may assign any of its rights or obligations hereunder without the prior written consent of the Secured Parties. The term "Secured Parties" shall be deemed to include any other holder of any of the Secured Obligations. The words "include", "includes" and "including" shall be deemed to be followed by the phrase "without limitation." The word "will" should be construed to have the same meaning and effect as the word "shall." In case any provision in this Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby. This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which shall be an original, but all of which together shall constitute one instrument.

24. Governing Law; Jurisdiction; Waiver of Jury Trial. This Agreement, including the validity hereof and the rights and obligations of the parties hereunder, shall be construed in accordance with and governed by the laws of the State of New York. Each Grantor, to the extent that it may lawfully

do so, hereby consents to service of process, and to be sued, in any state or federal court located in the State of New York, as well as to the jurisdiction of all courts to which an appeal may be taken from such courts, for the purpose of any suit, action or other proceeding arising out of any of its obligations hereunder or with respect to the transactions contemplated hereby, and expressly waives any and all objections it may have as to venue in any such courts. Each Grantor further agrees that a summons and complaint commencing an action or proceeding in any of such courts shall be properly served and shall confer personal jurisdiction if served personally or by certified mail to it in accordance with Section 19 hereof or as otherwise provided under the laws of the State of New York. Nothing in this Agreement shall affect any right the Collateral Agent or any Secured Party may otherwise have to bring an action or proceeding relating to this Agreement against any Grantor or its properties in the courts of any jurisdiction. EACH GRANTOR AND EACH SECURED PARTY IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY SUIT, ACTION OR OTHER PROCEEDING INSTITUTED BY OR AGAINST SUCH DEBTOR OR SUCH SECURED PARTY IN RESPECT OF ITS OBLIGATIONS HEREUNDER OR THE TRANSACTIONS CONTEMPLATED HEREBY.

W I T N E S S E T H:

WHEREAS, Firebirds International, LLC, a North Carolina limited liability company (the "Borrower"), has entered into a Credit Agreement dated as of May 17, 2011 (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among the Borrower, the guarantors from time to time party thereto (the "Guarantors"), the lenders from time to time party thereto (the "Lenders"), the Collateral Agent, and THL Corporate Finance, Inc., as administrative agent (the "Administrative Agent"), pursuant to which the Lenders agreed, subject to the terms and conditions set forth therein, to make certain loans to the Borrower;

WHEREAS, in connection with the Credit Agreement, the Borrower and certain of its Affiliates (other than the Additional Grantor) have entered into a Security Agreement, dated as of May 17, 2011 (as amended, supplemented or otherwise modified from time to time, the "Security Agreement"), in favor of the Collateral Agent for the benefit of the Secured Parties;

By executing and delivering this Joinder, the Additional Grantor, as provided in Section 20 of the Security Agreement, hereby becomes a party to the Security Agreement as a Grantor thereunder with the same force and effect as if originally named therein as a Grantor and, without limiting the generality of the foregoing, hereby expressly assumes all obligations and liabilities of a Grantor thereunder. In furtherance of the foregoing, the Additional Grantor, as security for the Secured Obligations, does hereby create and grant to the Collateral Agent for itself and for the benefit of the other Secured Parties a security interest in and lien on all of the Additional Grantor's right, title and interest in and to the Collateral (as defined in the Security Agreement) of the Additional Grantor. Schedule I attached hereto is added as an additional Schedule I to the Security Agreement and the information set forth in Annex 1 hereto is hereby added to the information set forth in the other Schedules to the Security Agreement. The Additional Grantor hereby represents and warrants that each of the representations and warranties contained in the Security Agreement is true and correct on and as the date hereof (after giving effect to this Joinder) as if made on and as of such date.

2. Governing Law. THIS JOINDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

IN WITNESS WHEREOF, the undersigned has caused this Joinder to be duly executed and delivered as a sealed instrument as of the date first above written.
