ISELI NURSERY, INC.

ASSIGNMENT OF TRADEMARKS/SERVICE MARKS

Whereas ISELI NURSERY, INC. ("Iseli"), an Oregon corporation, has adopted and used certain trademarks, trade names and/or service marks, including but not limited to the trademarks, trade names and/or service marks listed on Schedule A attached hereto (hereinafter collectively described as the "Marks"); some of which Marks may be the subject of pending applications with the United States Patent and Trademark Office, some of which Marks may be the subject of registrations with the United States Patent and Trademark Office, some of which Marks may be the subject of pending applications with foreign trademark offices and some of which Marks may be the subject of registrations with foreign trademark offices, as more specifically described on Schedule A; and

Whereas IGP Acquisition LLC, a Delaware limited liability company, with an office at 5100 Schenley Place, Lawrenceburg, Indiana 47025 (the "Assignee"), is desirous of acquiring said Marks and the goodwill associated therewith.

Now, therefore, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Iseli does hereby fully assign, transfer and release unto Assignee all of Iseli's right, title and interest in and to the said Marks worldwide, including, but not limited to, all of Iseli's right, title, and interest in and to any national, foreign and United States federal and state pending applications, registrations, renewals and extensions thereof, as well as all common law rights, for such Marks, together with the goodwill of the business symbolized by the Marks and all benefits relating to the foregoing whether before or hereafter accrued (including, without limitation, the exclusive right to apply for, maintain and renew any application and registration for the Marks), free and clear of all liens, claims, encumbrances and interests of any kind. For any United States federal trademark application for which a supported claim of use has not been filed with and accepted by the United States Patent and Trademark Office as of the effective date of this Assignment, Iseli also does hereby fully assign, transfer and release unto Assignee that portion of Iseli's business to which the applicable Mark(s) pertain.

Iseli further assigns, transfers and releases to Assignee any and all royalties, income, payments and proceeds, whether now accrued or accruing in the future, as well as all claims for damages by reason of past, present or future continuing infringement of said Marks, and the right to sue for and collect the same for its own use and benefit and that of its successors, assigns or other legal representatives.
