TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (this "Assignment") is made effective as of July 22, 2009, by Perrin Manufacturing Company, a California corporation ("Assignor") in favor of EDCO Plastics, Inc., a California corporation ("Assignee").

WHEREAS, Assignor is the sole and exclusive owner of all right, title and interest in and to the trademark registrations and applications for registration, and all related goodwill, identified and set forth on Schedule A attached hereto (the "Marks");

WHEREAS, Assignor, Assignee and Assignee's shareholders are parties to the Asset Purchase Agreement, dated as of the date hereof (the "Purchase Agreement") pursuant to which Assignor has sold, and Assignee has purchased, certain assets of Assignor, including, without limitation, the Marks;

WHEREAS, Assignee is the successor to that portion of the assets of the business of the Assignor to which the Marks pertain and such business is ongoing; and

WHEREAS, pursuant to the Purchase Agreement, Assignor wishes to assign to Assignee, and Assignee wishes to acquire from Assignor, all right, title and interest in and to the Marks.

NOW, THEREFORE, for good and valuable consideration, the receipt, adequacy and sufficiency of which are hereby acknowledged, Assignor and Assignee agree:

1. Assignor hereby sells, conveys, assigns, transfers, delivers and sets over to Assignee, free and clear of any and all liens and encumbrances, the right, title and interest in, to and under the Marks, together with the goodwill of the business associated therewith, including any registrations, applications, renewals or extensions thereof, together with all rights to collect income, royalties, damages, products, proceeds and payments with respect to any of the foregoing, including all claims against third parties for past, present or future infringement or misappropriation thereof or other conflicts therewith, and all rights to sue and recover for past, present or future infringement or misappropriation of or other conflicts with any of the foregoing, and all rights to recover damages or lost profits in connection therewith.
2. Assignor hereby requests the Commissioner of Patents and Trademarks to record Assignee as the assignee and owner of the Marks and to deliver to Assignee, and to Assignee's attorneys, agents, successors or assigns, all official documents and communications as may be warranted by this Assignment.
3. This Assignment shall be governed by and construed in accordance with the laws of the State of California.
4. This Assignment may be signed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
