## TRADEMARK ASSIGNMENT AGREEMENT

This Trademark Assignment Agreement ("Agreement"), effective as of April 2, 2010, by and between NER Data Products, Inc., a New Jersey corporation ("Assignor"), and NER Data Corporation, a Delaware corporation ("Assignee").

WITNESSETH:

WHEREAS, Assignor owns certain pending or registered trademarks specifically set forth on Exhibit A attached hereto (the "Trademarks");

WHEREAS, Assignor has transferred certain assets, including the Trademarks, to Assignee pursuant to a Bill of Sale and Assignment and Assumption Agreement dated as of April 2, 2010; and

WHEREAS, Assignor desires to evidence the assignment and conveyance to Assignee of all of Assignor's right, title, and interest in and to the Trademarks.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the parties agree as follows:

1. Assignor has assigned, transferred and conveyed and does hereby assign, transfer and convey unto Assignee, and its successors, assigns and legal representatives, all right, title and interest in and to the Trademarks together with that part of the goodwill of the business connected with the use of and symbolized by the Trademarks, and all claims for damages by reason of past infringement of the Trademarks with the right to sue for and collect damages.

2. Assignor agrees that, when requested, it will sign all papers, take all rightful oaths, and do all acts which may be reasonably necessary, desirable or convenient for securing and maintaining the Trademarks in all countries and for vesting title thereto in Assignee, its successors, assigns and legal representatives or nominees.

3. Assignor covenants to Assignee, its successors, assigns and legal representatives, that the interest and property hereby conveyed is free from all prior assignment, grant, mortgage, license or other encumbrance.

4. This Agreement and the assignment of Trademarks shall be binding upon and inure to the benefit of the respective successors and assigns of the parties hereto.

5. This Agreement may be executed in several counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

6. None of the provisions of this Agreement may be waived, changed or altered except in writing by all of the parties hereto.

7. In the event of a conflict between the terms and conditions of Agreement and the terms and conditions of the Purchase Agreement, the terms and conditions of the Purchase Agreement shall govern, supersede and prevail.
