RECITALS

- A. The Company owns and uses certain Trademarks (as hereinafter defined).
- B. The Lender has made and proposes to make certain loans to the Company pursuant to the Credit Agreement.
- C. Pursuant to the Credit Agreement, the Company has granted to the Lender, for its benefit and the ratable benefit of each Lender Party, a security interest in, the property described therein, including, without limitation, all of the Company's Trademarks (as hereinafter defined), whether presently existing or hereafter acquired or developed, as security for all of the Obligations; and
- D. As a condition precedent to the future extension of such financial accommodations pursuant to the Credit Agreement and in furtherance of the Credit Agreement, including, without limitation, for purposes of perfecting the security interests granted therein, the Lender has required that the Company grant to the Lender, for its benefit and the ratable benefit of each Lender Party, a security interest in all of the Company's Trademarks (as hereinafter defined).

NOW, THEREFORE, in consideration of the premises and of the mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

- 1. For purposes of this Agreement and in addition to terms defined elsewhere in this Agreement, the following terms shall have the meanings herein specified (such meaning to be equally applicable to both the singular and plural forms of the terms defined):

"Trademarks" means all of the following: (i) all trademarks and service marks, all registrations and recordings thereof, and all applications for trademarks and service marks, including, without limitation registrations, recordings and applications in the office or agency of the United States, any State thereof or any other country or any political subdivision thereof, including, without limitation, those referred to in Schedule I attached hereto, and (ii) all reissues, continuations, continuations-in-part or extensions thereof.

2. As security for the payment and performance of all of the Obligations, the Company hereby reaffirms its pledge, assignment, hypothecation, transfer and grant of a security interest to Lender, for its benefit and the ratable benefit of each Lender Party, in all of the Company's right, title and interest in, to and under the following (collectively, the "Property"):

- (a) each Trademark now or hereafter owned by the Company or in which the Company now has or hereafter acquires rights and wherever located, including, without limitation, each Trademark referred to in Schedule I hereto and any renewals of registrations thereof;
- (b) the goodwill of the Company symbolized by the Trademarks; and
- (c) all products and proceeds of the foregoing, including, without limitation, any claim by the Company against third parties for past, present or future infringement of any Trademark including, without limitation, any Trademark referred to in Schedule I hereto, and the Company grants and conveys a security interest to the Lender, for its benefit and the ratable benefit of each Lender Party, in all of the Company's right, title and interest in, to and under the Property.

3. The Company does hereby further acknowledge and affirm that the representations, warranties and covenants of the Company with respect to the Property and the rights and remedies of the Lender with respect to the security interest in the Property made and granted hereby are more fully set forth in the Credit Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

4. The Company agrees that (a) neither the Lender nor any other Lender Party shall have any obligation or responsibility to protect or defend the Property and the Company shall, at its own expense protect, defend and maintain the same in accordance with the terms and conditions set forth in the Credit Agreement and (b) the Company shall forthwith advise the Lender promptly in writing upon detection of infringements of any of the Trademarks being used in the Company's business which infringement could reasonably be expected to have a Material Adverse Effect.

5. Upon the occurrence and during the continuation of an Event of Default:

- (a) Solely for the purpose of enabling the Lender to exercise rights and remedies under this Agreement, the Credit Agreement and the Other Documents and at such time as the Lender shall be lawfully entitled to exercise such rights and remedies, the Company hereby reaffirms its grant and hereby grants to the Lender, to the extent it has the right to do so, an irrevocable (until the termination of this Agreement), nonexclusive license (exercisable without payment of royalty or other compensation to the Company), subject to sufficient rights to quality control and inspection in favor of the Company to avoid the risk of invalidation of the Company's Trademarks, to use, operate under, license or sublicense any of the Company's Trademarks now owned or hereafter acquired by the Company;

- (b) The Lender shall have the right (but not the obligation) in its sole discretion to bring suit or otherwise commence any action or proceeding in its own name or the name of the Company, to enforce any of the Company's Trademarks, in which event the Company shall, at the request of the Lender, do any and all lawful acts and execute any and all documents required by the Lender in aid of such enforcement and shall promptly, upon demand, reimburse and indemnify the Lender as provided in Sections 16.5 and 16.9 of the Credit Agreement in connection with the exercise of such Lender Party's rights under this Section 5(b). To the extent that the Lender shall elect not to bring suit to enforce any of the Company's

Trademarks, as provided in this Section 5(b), the Company shall, at its own expense protect, defend and maintain the same in accordance with the terms and conditions set forth in the Credit Agreement;

(c) Upon written demand from the Lender, the Company shall grant, assign, convey or otherwise transfer to the Lender an absolute assignment of all of the Company's right, title and interest in and to the Company's Trademarks and the goodwill associated therewith and shall execute and deliver to the Lender such documents as are necessary or appropriate to carry out the intent and purposes of this Agreement; and

(d) If (i) an Event of Default shall have occurred and, by reason of cure, waiver, modification, amendment or otherwise, no longer be continuing, (ii) no other Event of Default shall have occurred and be continuing, (iii) an assignment or other transfer to the Lender of any rights, title and interests in and to the Company's Trademarks shall have been previously made and shall have become absolute and effective, and (iv) the Obligations shall not then be due and payable, upon the written request of the Company, the Lender shall promptly execute and deliver to the Company, at the Company's sole cost and expense, such assignments or other transfer as may be necessary to reassign to the Company any such rights, title and interests as may have been assigned to the Lender as aforesaid, subject to any disposition thereof that may have been made by the Lender; provided, after giving effect to such reassignment, the Lender's security interest granted pursuant hereto, as well as all other rights and remedies of the Lender granted hereunder, shall continue to be in full force and effect; and provided further, the rights, title and interests so reassigned shall be free and clear of any other Liens granted by or on behalf of the Lender.

(e) The Company shall advise the Lender promptly in writing upon detection of infringement of any Trademarks being used in the Company's business.

6. This Agreement shall terminate upon termination of the Credit Agreement. At any time and from time to time prior to such termination, the Lender may terminate its security interest in or reconvey to the Company any rights with respect to any or all of the Property. Upon termination of this Agreement and following a request from the Company, the Lender shall, at the expense of the Company, execute and deliver to the Company all deeds, assignments and other instruments as may be necessary or proper in reasonable judgment of the Company in order to evidence such termination, subject to any disposition of the Property which may have been made by the Lender pursuant hereto or pursuant to the Credit Agreement.

7. If at any time before the termination of this Agreement, the Company shall obtain or acquire rights to any new Trademark, the provisions of Section 2 shall automatically apply thereto and the Company shall comply with the terms of this Agreement with respect to such new Trademark. The Company authorizes the Lender to modify this Agreement by amending Schedule I to include any future registrations or applications for registration of Trademarks covered by Section 2 or by this Section 7 or to delete any registrations or applications to which the Company no longer has or claims any right, title or interest.

8. THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, EXCEPT TO THE EXTENT THAT PERFECTION (AND THE EFFECT OF PERFECTION AND NONPERFECTION) AND CERTAIN REMEDIES MAY BE GOVERNED BY THE LAWS OF ANY JURISDICTION OTHER THAN THE STATE OF NEW YORK.
