Hi Deb,

The below comment is from our legal group. Can you assist in identifying if there are still security interests in Medicis assets from Wells? I believe these were released several years ago. Thanks for your help!

*A search of the US Patent and Trademark Office database showed that Medicis has granted a security interest in the SYNALAR trademark registrations to Norwest Bank Arizona N.A., on February 3, 1998, and on November 22, 1998. Medicis Finance should confirm the release since this document will need to be produced to the potential buyer as part of its diligence.*
