## TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this "**Agreement**") made as of this 1<sup>st</sup> day of July, 2011 by ASSISTIVE TECHNOLOGY GROUP, INC., a Delaware corporation ("**Grantor**"), in favor of MADISON CAPITAL FUNDING LLC, in its capacity as Agent for the Lenders (as defined in the Credit Agreement referenced below) (in such capacity, "**Grantee**");

### W I T N E S S E T H

WHEREAS, Grantor, as Borrower, the financial institutions party thereto from time to time as Lenders and Grantee have entered into a certain Credit Agreement dated as of July 1, 2011 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "**Credit Agreement**"), pursuant to which Grantor and Lenders have agreed, subject to the terms and conditions thereof, to make certain loans to, and other financial accommodations in favor of Grantor (collectively, the "**Loans**").

WHEREAS, pursuant to the terms of a certain Guarantee and Collateral Agreement of even date herewith among Grantee, Grantor, and certain Affiliates of Grantor (as the same may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "**Guarantee and Collateral Agreement**"), Grantor have granted to Grantee, for its benefit and the benefit of Lenders, a security interest in and lien upon substantially all the assets of Grantor, including all right, title and interest of Grantor in, to and under all now owned and hereafter acquired Trademarks (as defined in the Guarantee and Collateral Agreement including registrations and applications therefore), together with the goodwill of the business symbolized by Grantor's Trademarks, and all products and proceeds thereof, to secure the payment of all amounts owing by ATG under the Credit Agreement and guaranteed by Chesapeake under the Guarantee and Collateral Agreement.

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, Grantor agrees as follows:

1. Incorporation of Credit Agreement and Guarantee and Collateral Agreement. The Credit Agreement and Guarantee and Collateral Agreement and the terms and provisions thereof are hereby incorporated herein in their entirety by this reference thereto. All capitalized terms used herein but not otherwise defined herein shall have the respective meanings ascribed to such terms in the Guarantee and Collateral Agreement.

2. Grant and Reaffirmation of Grant of Security Interests. To secure the payment and performance of the Obligations (as defined in the Credit Agreement), Grantor hereby grants to Grantee, for its benefit and the benefit of Lenders, and hereby reaffirms its prior grant pursuant to the Guarantee and Collateral Agreement of, a continuing security interest in Grantor's entire right, title and interest in and to the following (all of the following items or types of property being herein collectively referred to as the "**Trademark Collateral**"), whether now owned or existing or hereafter created, acquired or arising:

- (i) each Trademark listed on Schedule A annexed hereto, together with any reissues, continuations or extensions thereof, and all of the goodwill of

the business connected with the use of, and symbolized by, each such Trademark;  
and

(ii) all products and proceeds of the foregoing, including without limitation, any claim by Grantor against third parties for past, present or future (a) infringement or dilution of each such Trademark, or (b) injury to the goodwill associated with each such Trademark.

3. Intent-To-Use Trademarks. Notwithstanding the foregoing, and solely to the extent, if any, that, and solely during the period, if any, in which the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law, the Trademark Collateral shall not include any intent-to-use United States trademark applications for which an amendment to allege use or statement of use has not been filed under 15 U.S.C. § 1051(c) or 15 U.S.C. § 1051(d), respectively, or if filed, has not been deemed in conformance with 15 U.S.C. § 1051(a) or examined and accepted, respectively, by the United States Patent and Trademark Office, provided that upon such filing and acceptance, such intent-to-use applications shall be included in the Trademark Collateral and automatically subject to the security interest granted herein.

4. Termination. Upon the termination of the Guarantee and Collateral Agreement in accordance with its terms, the Grantee shall, at Grantor's sole cost and expense, execute, acknowledge, and deliver to Grantor an instrument in writing in recordable form (and in form and substance reasonably acceptable to Grantee) releasing the grant and security interest in the Trademark Collateral under this Agreement, which instrument Grantor shall be authorized to record in any applicable filing offices.

5. Governing Law. This Agreement is made under and governed by the laws of the State of New York applicable to contracts made and to be performed entirely within such State, without regard to conflicts of laws principles.

- Remainder of Page Intentionally Left Blank; Signature Page Follows -

IN WITNESS WHEREOF, Grantor has duly executed this Agreement as of the date first written above.
