SHORT-FORM TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Trademark Security Agreement") dated June 30, 2011, is made by the Persons listed on the signature pages hereof (collectively, the "Grantors") in favor of JPMORGAN CHASE BANK, N.A., as administrative agent (the "Administrative Agent") for the several banks and other financial institutions or entities (the "Lenders") from time to time parties to the Credit Agreement referred to below. All capitalized terms not defined herein shall have the meaning ascribed to them in such Credit Agreement.

WHEREAS, JBS USA, LLC (the "U.S. Borrower"), JBS AUSTRALIAN PTY LIMITED, the other Loan Parties, the Lenders and the Administrative Agent have entered into a Second Amended and Restated Revolving Syndicated Facility, dated as of June 30, 2011 (as amended, supplemented or otherwise modified from time to time, the "Credit Agreement");

WHEREAS, in connection with the Credit Agreement, the U.S. Borrower and the other Grantors have entered into the Security Agreement (Other Collateral), dated as of June 30, 2011 (as amended, supplemented or otherwise modified from time to time, the "Security Agreement (Other Collateral)") in favor of the Administrative Agent for the ratable benefit of the Secured Parties;

WHEREAS, under the terms of the Security Agreement (Other Collateral), the Grantors have granted to the Administrative Agent, for the ratable benefit of the Secured Parties, a security interest in, among other property, certain trademarks and trademark applications of the Grantors, and have agreed as a condition thereof to execute this Trademark Security Agreement for recording with the U.S. Patent and Trademark Office and other governmental authorities.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

SECTION 1. Grant of Security. Each Grantor hereby grants to the Administrative Agent for the ratable benefit of the Secured Parties a security interest in all of such Grantor's right, title and interest in and to the following (the "Collateral"):

- (i) the trademark and service mark registrations and applications set forth in Schedule A hereto (provided that no security interest shall be granted in United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable federal law), together with the goodwill symbolized thereby (the "Trademarks");
- (ii) all Proceeds and products of the Trademarks; and
- (iii) all rights to sue at law or in equity for any infringement, unfair competition or other impairment thereof, including the right to receive all proceeds and damages therefrom.

SECTION 2. Recordation. Each Grantor authorizes and requests that the Commissioner for Trademarks and any other applicable government officer record this Trademark Security Agreement.

SECTION 3. Execution in Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Trademark Security Agreement by facsimile or an electronic transmission of a .pdf copy thereof shall be effective as delivery of an original executed counterpart of this Trademark Security Agreement.

SECTION 4. Grants, Rights and Remedies. This Trademark Security Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the U.S. Patent and Trademark Office. The security interest granted hereby has also been granted to the Administrative Agent, for the benefit of the Secured Parties pursuant to the Security Agreement (Other Collateral). Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Administrative Agent with respect to the Collateral are more fully set forth in the Security Agreement (Other Collateral), the terms and provisions of which are incorporated herein by reference as if fully set forth herein. The Security Agreement (Other Collateral) (and all rights and remedies of the Administrative Agent thereunder) shall remain in full force and effect in accordance with its terms. In the event of any conflict between the Security Agreement (Other Collateral) and this Trademark Security Agreement, the terms of the Security Agreement (Other Collateral) shall control.

SECTION 5. Termination. This Trademark Security Agreement shall terminate concurrently with the termination of the Security Agreement (Other Collateral) in accordance with the terms thereof.

SECTION 6. Governing Law. This Trademark Security Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

[Signature Page Follows]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.
