RELEASE OF SECURITY INTEREST
IN TRADEMARKS

This RELEASE OF SECURITY INTEREST IN UNITED STATES TRADEMARKS (“Release”) is dated as of July 12, 2011 by General Electric Capital Corporation, as Administrative Agent (“Assignor”), in favor of INC Research, LLC, a Delaware limited liability company (f/k/a INC Research, Inc.), with principal offices at 3201 Beechleaf Court, Suite 600, Raleigh, NC 27604 (“Assignee”).

WHEREAS, the Assignee entered into that certain Guaranty and Security Agreement, dated as of September 28, 2010 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”; capitalized terms used herein but not defined herein have the meaning assigned therein) in favor of Assignor, pursuant to which Assignee created in favor of Assignor a security interest in, and Assignor became a secured creditor with respect to the Trademark Collateral (defined below);

WHEREAS, subject to the terms and conditions of the Security Agreement, to evidence further the security interest granted by Assignee to Assignor pursuant to the Security Agreement, Assignor and Assignee entered into that certain Trademark Security Agreement, dated as of September 28, 2010, made by the Assignee in favor of the Assignor (the “Trademark Security Agreement”)

WHEREAS, the Trademark Security Agreement was recorded with the United States Patent and Trademark Office on September 28, 2010 at Trademark Reel 4285, Frame 0428;

WHEREAS, pursuant to the Security Agreement and the Trademark Security Agreement, Assignee granted to Assignor a security interest in all of Assignee’s right, title and interest in and to the following, in each case whether then or thereafter existing, whether then owned or thereafter acquired and wherever the same may be located (the “Trademark Collateral”):

(i) all rights, title and interest (including rights acquired pursuant to a license or otherwise but only to the extent permitted by agreements governing such license or other use) in and to all trademarks, service marks, designs, logos, indicia, tradenames, trade dress, corporate names, company names, business names, fictitious business names, trade styles and/or other source and/or business identifiers, owned by such Assignee, or thereafter adopted or used, in its business (including, without limitation, the trademarks set forth on Schedule A annexed hereto) (collectively, the “Trademarks”), all registrations and applications for Trademark registration that have been or may thereafter have been issued or applied for by Assignee thereon in the United States and any states thereof and in foreign countries (including, without limitation, the registrations and applications set forth on Schedule A annexed hereto), all common law and other rights in and to the Trademarks in the United States and any state thereof and in foreign countries, and all goodwill of such Assignee’s business symbolized by the Trademarks and associated therewith; and

(ii) all proceeds, products, rents and profits of or from any and all of the foregoing Trademark Collateral, to the extent not otherwise included, all payments under insurance (whether or not Assignor is the loss payee thereof), or any indemnity, warranty or

guaranty, payable by reason of loss or damage to or otherwise with respect to any of the foregoing Trademark Collateral. For purposes of the Trademark Security Agreement and this Release, the term “proceeds” includes whatever is receivable or received when Trademark Collateral or proceeds are sold, licensed, exchanged, collected or otherwise disposed of, whether such disposition is voluntary or involuntary.

WHEREAS, Assignor and Assignee desire that Assignor terminate and release its security interest in the Trademark Collateral;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

Assignor hereby terminates, releases and discharges fully its lien on, and security interest in and to, all of the right, title and interest of the Assignee in, to and under the Trademark Collateral, including but not limited to the Trademarks listed on Schedule A hereto, and reassigns and transfers any and all interest that Assignor may have in the Trademark Collateral to Assignee.

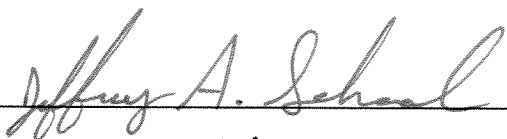

Assignor hereby authorizes Assignee or Assignee’s authorized representative to (i) record this Release with the United States Patent and Trademark Office, (ii) file UCC Financing Statements on Form UCC-3 or other financing statements with the applicable filing office in order to memorialize the release of any security interest of Assignor in the Trademark Collateral, and/or (iii) otherwise record or file this Release in the applicable governmental office or agency.

Assignor further agrees to execute and deliver to Assignee any and all further documents and instruments, and do any and all further acts which Assignee (or its agents or designees) reasonably request in order to confirm this Release and Assignee’s right, title, and interest in or to the Trademark Collateral.

[SIGNATURE PAGES FOLLOW]

IN WITNESS WHEREOF, Assignor has caused this Release to be duly executed and delivered by its officer thereunto duly authorized as of the date first written above.
