ASSIGNMENT

This Assignment, effective as of April 9, 2008, is made by and between MIRATECH CORPORATION, a corporation organized under the laws of the State of Oklahoma, and MIRATECH SCR CORPORATION, a corporation organized under the laws of the State of Oklahoma, both of whom have an office at 420 South 145th E. Ave., Mail Drop A, Tulsa, OK 74108-1305 (herein referred to collectively as "ASSIGNORS"), and MIRATECH HOLDINGS, LLC, a limited liability company organized under the laws of the State of Delaware, and having an office at 420 South 145th E. Ave., Mail Drop A, Tulsa, OK 74108-1305 (herein referred to as "ASSIGNEE"),

WHEREAS, attached hereto as Appendix "A" is a schedule of U.S. patents, foreign patents, U.S. and/or foreign patent applications, trademarks, service marks, trademark or service mark applications, trademark or service mark registrations, copyrights, and copyright works which are solely and exclusively owned by one or both the ASSIGNORS.

WHEREAS, ASSIGNEE desires to acquire all right, title, and interest in and to (a) all of the trademark or service mark applications and trademark or service mark registrations listed or described in Appendix "A" and any and all other trademarks, service marks, and any applications or registrations therefore owned by either or both of the ASSIGNORS, (b) all of the good will symbolized by these marks, (c) all U.S. and foreign patents and patent applications listed in Appendix "A" and any and all other patents and patent applications owned by either or both of the ASSIGNORS (d) all inventions described or claimed in these patents or applications, and (e) all copyrights and copyright works listed or otherwise described in Appendix "A" and any and all other copyrights and copyright works owned by either or both of ASSIGNORS;

NOW, THEREFORE, for good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged by the parties, and in further consideration of the matters described above and of the mutual benefits and obligations set forth in this ASSIGNMENT, the parties agree as follows:

Assignment of Trademarks. ASSIGNORS hereby sell, assign, and transfer to ASSIGNEE all right, title, and interest in and to each and all of the trademarks, service marks, trademark or service mark applications, and trademark or service mark registrations listed or otherwise described in Appendix "A," and any and all other trademarks, service marks, and any applications or registrations therefore owned by either or both of ASSIGNORS, together with the goodwill of the businesses symbolized by each of the marks.

Assignment of Patents. ASSIGNORS hereby sell, assign, and transfer to ASSIGNEE all right, title, and interest in and to each and all of the U.S. or foreign patents and patent applications listed or otherwise described in Appendix "A" and any and all other patents or applications owned by either or both of ASSIGNORS, as well as all inventions described or claimed in the applications or patents and all reissues, divisions, continuations, renewals, extensions, and continuations-in-part of the patents and patent applications, the same to be held and enjoyed by ASSIGNEE for ASSIGNEE'S own use and enjoyment and for the use and enjoyment of ASSIGNEE'S successors, assigns, or other legal representatives, to the end of the term or terms for which any and all Letters Patent have been or are granted.

Assignment of Copyrights. ASSIGNORS hereby sell, assign, and transfer to ASSIGNEE all right, title and interest in and to each and all of the copyrights and copyright works listed or otherwise described in Appendix "A" and any and all other copyrights and copyright works owned by either or both of ASSIGNORS.

Issuance to ASSIGNEE. ASSIGNORS hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all Letters Patent of the United States resulting from any of the aforesaid patents, patent applications, or inventions to ASSIGNEE and to issue any and all trademark registrations of or resulting for any of the aforesaid marks, registrations, or trademark or service mark applications to ASSIGNEE. The ASSIGNORS also authorize the Register of Copyrights to issue any and all copyright registrations of or resulting from any and all of the aforesaid copyright works or applications to ASSIGNEE.

Past Infringements. ASSIGNORS further exclusively sell, assign, transfer, and grant to ASSIGNEE all claims for and the right to sue for any and all past, present, and future infringements of, and other torts or actions related to, any and all of the trademarks, service marks, trademark or service registrations or applications, patents or patent applications, inventions, copyrights and works assigned herein.

Counterparts. This ASSIGNMENT may be executed in any number of counterparts, all of which constitute one agreement.

IN WITNESS WHEREOF, the parties have executed this ASSIGNMENT, effective as of the date first written above.
