RELEASE OF SECURITY INTEREST IN INTELLECTUAL PROPERTY

WHEREAS, pursuant to that certain Intellectual Property Security Agreement, dated as of December 2, 2009 (the "IP Security Agreement"), VeriWave, Inc., a Delaware corporation ("Releasee"), granted to Silicon Valley Bank, a California banking corporation ("Releasor"), a security interest in all right, title and interest in, to, and under Releasee's intellectual property including, without limitation, the following items (a)-(j) (collectively, the "Intellectual Property"):

(a) Any and all copyright rights, copyright applications, copyright registrations and like protections in each work or authorship and derivative work thereof, whether published or unpublished and whether or not the same also constitutes a trade secret, now or hereafter existing, created, acquired or held (collectively, "Copyrights");

(b) Any and all trade secrets, and any and all intellectual property rights in computer software and computer software products now or hereafter existing, created, acquired or held;

(c) Any and all design rights that may be available to Releasee now or hereafter existing, created, acquired or held;

(d) All patents, patent applications and like protections including, without limitation, improvements, divisions, continuations, renewals, reissues, extensions and continuations-in-part of the same, including without limitation the patents and patent applications set forth on Exhibit A attached hereto (collectively, the "Patents");

(e) Any trademark and servicemark rights, whether registered or not, applications to register and registrations of the same and like protections, and the entire goodwill of the business of Releasee connected with and symbolized by such trademarks, including without limitation those set forth on Exhibit B attached hereto (collectively, the "Trademarks");

(f) All mask works or similar rights available for the protection of semiconductor chips, now owned or hereafter acquired (collectively, the "Mask Works");

(g) Any and all claims for damages by way of past, present and future infringements of any of the rights included above, with the right, but not the obligation, to sue for and collect such damages for said use or infringement of the intellectual property rights identified above;

(h) All licenses or other rights to use any of the Copyrights, Patents, Trademarks, or Mask Works and all license fees and royalties arising from such use to the extent permitted by such license or rights;

(i) All amendments, extensions, renewals and extensions of any of the Copyrights, Trademarks, Patents, or Mask Works; and

D: BENJAMIN J. SODEY COMPANY: 211 N. BROADWAY, SUITE 3600

(j) All proceeds and products of the foregoing, including without limitation all payments under insurance or any indemnity or warranty payable in respect of any of the foregoing;

WHEREAS, Releasor acknowledges and agrees that all of Releasee's obligations with respect to the IP Security Agreement have now been fully and completely satisfied and that the security interest granted has been and hereby is re-assigned, released, disclaimed, relinquished, discharged, and terminated in full, so that it is as if the security interest had never been granted by Releasee to Releasor;

WHEREAS, Releasor desires to fully, completely and formally release its security interest in, and all right, title, and interest of Releasor in and to, the Intellectual Property and any other intellectual property of Releasee, and to record such release with the U.S. Patent and Trademark Office; and

WHEREAS, Releasee has requested and Releasor has agreed to provide a document suitable for same.

NOW, THEREFORE, in consideration of and in exchange for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Releasor:

1. does hereby fully, completely and formally re-assign, release, disclaim, relinquish, discharge, and terminate its security interest and any other interest it may have in, to, or under the Intellectual Property and any other intellectual property of Releasee;
2. authorizes the recordation of this Release of Security Interest in Intellectual Property with the U.S. Patent and Trademark Office; and
3. agrees to perform, at Releasee's request, all additional acts reasonably necessary (including executing additional documents) to (a) terminate the IP Security Agreement and/or (b) confirm that Releasor has no interests of any type in, to, or under the Intellectual Property and any other intellectual property of Releasee.
