RELEASE OF SECURITY INTEREST

On the terms and subject to the conditions of a certain Asset Purchase Agreement (the "APA") executed by and among National Utility Equipment Co., LLC, an Alabama limited liability company (the "Purchaser"), Crash Rescue Equipment Service, Incorporated, a Texas corporation (the "Seller"), and ACP Crash Holding, LLC, a Delaware limited liability company (the "Shareholder"), the Seller has agreed to sell, assign, transfer, convey and deliver and the Purchaser has agreed to purchase all of the Seller's right, title, and interest in and to the "Assets," as defined in Section 1.1 of the APA and the schedules referenced therein. The "Assets," as more particularly described in Section 1.1 of the APA, specifically excludes the "Excluded Assets," as defined in Section 1.2 of the APA and the schedules referenced therein.

Shuttlelift, Inc. (the "Assignee") holds a security interest, lien, or other right, title, and interest in and on that portion of the "Assets" set forth on Exhibit A hereto (such portion of the "Assets" is hereinafter collectively referred to as the "Marks"). As requested by the Seller in connection with its entry into the APA, the Assignee hereby relinquishes and releases any and all security interests, liens, or other right, title, and interest it has or may have in and to only the Marks (but no other assets, property or collateral), including but not limited to such security interests or liens created by (i) a certain Quitclaim Bill of Sale recorded with the United States Patent and Trademark Office on July 25, 2001, pursuant to which Pitman Engineering and Manufacturing, Co. and Wells Fargo Business Credit, Inc. jointly granted to Assignee its right, title, and interest in and to the Marks, or (ii) any other security agreement, pledge, assignment, instrument, or other document, to the extent, but only to the extent, same encumber the Marks.

In addition, the Assignee hereby authorizes the Seller and its counsel and agents, to file one or more UCC-3 Financing Statement Amendments and releases with the United States Patent and Trademark Office (the "Releases") as the Seller or its counsel or agents may deem necessary to fully and forever release the Marks from any a security interest, lien, or other encumbrance filed in favor of the Assignee or its predecessor in interest.
