## TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Assignment") is entered into as of June 18, 2011 (the "Effective Date"), by and between iBeam Group LLC, a Delaware limited liability company ("Seller"), and Carbon 14 S.A., a company formed under the laws of Switzerland ("Purchaser").

WHEREAS, Seller is the sole and exclusive owner of the entire right, title and interest in and to the United States trademark registrations and trademark applications set forth on Schedule A attached hereto and the foreign trademark registrations and trademark applications set forth on Schedule B attached hereto, together with all goodwill associated with any of the foregoing (collectively, the "Marks"); and

WHEREAS, Purchaser wishes to acquire from Seller, and Seller wish to assign to Purchaser, the entire right, title and interest in and to the Marks.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Seller hereby sells, assigns, transfers and sets over to Purchaser, the entire right, title and interest in and to the Marks, for the United States and for all applicable foreign countries, including, without limitation, any registrations and applications therefor, any renewals and extensions of the registrations, and all other corresponding rights that are or may be secured under the laws of the United States or any applicable foreign country, now or hereafter in effect, together with all goodwill associated with any of the foregoing, and together with all income, royalties or payments accrued, due or payable as of the Effective Date or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Marks, with the right to sue for, and collect the same, in each case, for Purchaser's own use and enjoyment and for the use and enjoyment of its successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Seller if this Assignment had not been made.

Seller hereby requests the Commissioner of Patents and Trademarks, and the corresponding entities or agencies in any applicable foreign countries, to record Purchaser as the assignee and owner of the Marks.

Seller shall use commercially reasonable efforts to provide to Purchaser, its successors, assigns and other legal representatives, all such cooperation and assistance at Purchaser's request and expense to the extent any out-of-pocket costs are incurred by Purchaser (including, without limitation, the execution and delivery of any and all affidavits, declarations, oaths, samples, exhibits, specimens, assignments, powers of attorney and other documentation) to more fully and effectively effectuate the purposes of this Assignment, including, without limitation, with respect to: (i) Purchaser's preparation and prosecution of any application for registration, or any application for renewal of a registration, relating to any of the rights assigned herein; (ii) Purchaser's prosecution or defense of any interference, opposition, infringement, dilution or other proceedings that may arise in connection with any of the rights assigned herein, including, without limitation, testifying as to any facts relating to the rights assigned herein and this

Assignment; (iii) Purchaser's efforts to obtain any additional trademark protection relating to rights assigned herein that may be secured under the laws now or hereafter in effect in the United States or in any other country; and (iv) the implementation or perfection of this Assignment by Purchaser in all applicable jurisdictions throughout the world.

This Assignment shall inure to the benefit of and be binding upon the parties hereto and their respective successors and assigns. Nothing in this Assignment and, express or implied, is intended or shall be construed to confer upon, or give to, any person, firm or corporation other than the parties hereto and their respective successors and assigns, any remedy or claim under or by reason of this Assignment or any term, covenant or condition hereof, and all terms, covenants and conditions and agreements contained in this Assignment shall be for the sole and exclusive benefit of the parties hereto and their successors and assigns.

This Assignment may be executed in any number of counterparts and delivered by facsimile or other electronic means, all of which shall constitute one and the same document.

This Assignment may not be amended or modified except by an instrument in writing signed by, or on behalf of, each Seller and Purchaser.

This Agreement shall be construed in accordance with, and governed by, the laws of California without regard to principles of conflicts of law.

*[Remainder of page intentionally left blank]*

IN WITNESS WHEREOF, Purchaser and Seller have caused this Assignment to be signed by their respective duly authorized signatories as of the date first above written.
