In consideration of the value received and the mutual covenants of the parties, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee agree as follows:

1. Background. On or about December 21, 2009, Assignor assigned the trademarks set forth on Schedule A attached hereto (the "Trademarks"), together with the goodwill associated therewith, to the Assignee. Assignor now confirms its assignment of the Trademarks to Assignee and Assignee confirms that it accepted such assignment on the terms and conditions set forth in this Assignment.

3. Further Acts/Recordal. Assignor further covenants with Assignee to execute when requested such additional assignments, instruments and documents as may reasonably be necessary to effectuate this Assignment and to enable the Assignee to record the Assignment in the territories concerned, including recordations of assignment of trademark suitable for filing with the United States Patent and Trademark Office and equivalent foreign agencies. To the extent required under applicable law or otherwise necessary, Assignor herewith authorizes Assignee to apply for the recordal of the assignment of the Trademarks and to request the trademark offices in the territories concerned to issue to the Assignee any and all documents covering the Trademarks.
