ASSIGNMENT OF SERVICEMARKS AND TRADEMARKS

THIS ASSIGNMENT OF SERVICEMARKS AND TRADEMARKS is made effective as of August 1, 2011 by Primis Holdings LLC, a Delaware limited liability company, and its direct and indirect subsidiaries: Primis Holdings, Inc., Primis Marketing Group, Inc., Primis Intermediate Holdings, Inc., AccuData Holdings, Inc., Hyphos360, Inc., and MarketModels, Inc., each of which direct and indirect subsidiaries is a Delaware corporation, each with its principal place of business at the address set forth by its signature below (Primis Holdings LLC and its subsidiaries referred to collectively herein as "Assignor"), to AccuData Integrated Marketing Inc., a Washington corporation, with its principal place of business at 7120 185th Avenue NE, Redmond WA 98052-0576 ("Assignee").

RECITALS

Assignee and Assignor are parties to an Asset Purchase Agreement dated July 25, 2011 (the "Agreement"), pursuant to which Assignor has agreed to sell to Assignee and Assignee has agreed to buy from Assignor the Assets (as defined in the Agreement), including without limitation the servicemarks, trademarks and trade names of Assignor. Pursuant to the Agreement, Assignor has agreed to execute such instruments as the Assignee may reasonably request in order to more effectively assign, transfer, grant, convey, assure and confirm to Assignee and its successors and assigns, or to aid and assist in the collection of or reducing to possession by the Assignee of, all of such assets.

In accordance therewith, Assignor desires to transfer and assign to Assignee, and Assignee desires to accept the transfer and assignment of, all of Assignor's worldwide right, title and interest in, to and under Assignor's registered and unregistered domestic and foreign servicemarks, trademarks, trademark applications and trade names, including without limitation the servicemarks, trademarks, servicemark and trademark applications and trade names listed on Schedule A annexed hereto and incorporated herein by reference (all of the foregoing being referred to herein as the "Marks").

NOW, THEREFORE, Assignor, for and in exchange for the payment of the purchase price set forth in the Agreement, the receipt of which is hereby acknowledged, does hereby transfer and assign to Assignee, and Assignee hereby accepts the transfer and assignment of, all of Assignor's worldwide right, title and interest in, to and under the Marks, together with the goodwill of the business associated therewith and which is symbolized thereby, and all future improvements thereon which may hereafter be granted on the same in the United States and all countries throughout the world, and further including income, royalties, and damages now and hereafter due and payable to Assignor including without limitation, all rights to sue for past, present and future infringement of any Mark, whether arising prior to or subsequent to the date of this Assignment of Servicemarks and Trademarks, and any and all renewals and extensions thereof that may hereafter be secured under the laws now or hereafter in effect in the United States, Canada and in any other jurisdiction, the same to be held and enjoyed by the said Assignee, its successors and assigns from and after the date hereof as fully and entirely as the same would have been held and enjoyed by the said Assignor had this Assignment of Servicemarks and Trademarks not been made.

Assignor further agrees that Assignor will, without charge to Assignee, but at Assignee's expense, (1) cooperate with Assignee in the prosecution of any pending applications and any improvements; (2) execute, verify, acknowledge and deliver or cause to be delivered all such further papers, including applications, registrations, and instruments of transfer; and (3) perform such other acts as Assignee lawfully and reasonably may request to vest title thereto in Assignee, or Assignee's successors and assigns.

Except to the extent that federal law preempts state law with respect to the matters covered hereby, this Assignment of Servicemarks and Trademarks shall be governed by and construed in accordance with the laws of the State of Washington without giving effect to the principles of conflicts of laws thereof.

IN WITNESS WHEREOF, Assignor has caused its duly authorized officers to execute this Assignment of Servicemarks and Trademarks as of the date first above written.
