WHEREAS, the Lender and the Pledgor by this instrument seek to confirm and make a record of the grant of a security interest in the Trademarks and the goodwill associated therewith (and the other collateral described herein).

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Pledgor agrees as follows:

1. The Pledgor does hereby grant to the Lender, as security for its obligations as "Guarantor" under the Credit Agreement, a continuing first priority security interest (subject to Permitted Liens) in all of the Pledgor's right, title and interest in, to and under the following (all of the following items (i) through (vi) being collectively referred to herein as the "Trademark Collateral"), whether now or hereafter existing and whether now owned or hereafter acquired: (i) each Trademark and all of the goodwill of the business symbolized by, or associated with, each Trademark, including, without limitation, each Trademark referred to in Schedule A annexed hereto; (ii) each Trademark license, including, without limitation, each Trademark license referred to in Schedule B annexed hereto; (iii) all means of manufacturing goods or offering services covered by the Trademarks, including, without limitation, Trade Secrets, formulas, recipes, database content, distribution rights, consumer and business customer lists, manufacturing processes, molds, designs, plans and prototypes, (iv) any income, royalties, damages, claims and payments now and hereafter due and/or payable with respect to the Trademarks, including, without limitation, payments under all licenses entered into in connection with the Trademarks and damages, claims, payments and recoveries for past, present or future infringement, (v) any rights to sue for past, present and future infringements of the Trademarks and (vi) all Proceeds, including all Cash Proceeds and Noncash Proceeds, and all products, offspring, accessions, rents, profits, income, benefits, substitutions and replacements of and to any and all of the Trademarks and the Licenses (including, without limitation, any Proceeds of insurance thereon and all causes of action, claims and warranties now or hereafter held by the Pledgor in respect of any of the items listed above).

2. The Pledgor agrees to deliver updated copies of Schedule A and Schedule B to the Lender at the end of any quarter in which the Pledgor registers or otherwise adopts or acquires any Trademark not listed on Schedule A hereto or enters into any Trademark license not listed on Schedule B hereto, and to duly and promptly execute and deliver, or have duly and promptly executed and delivered, at the cost and expense of the Pledgor, such further instruments or documents (in form and substance reasonably satisfactory to the Lender), and promptly perform, or cause to be promptly performed, upon the reasonable request of the Lender, any and all acts, in all cases, as may be necessary, proper or advisable from time to time, in the reasonable judgment of the Lender, to carry out the provisions and purposes of the Credit Agreement and this Trademark Security Agreement, and to provide, perfect and preserve the liens of the Lender granted pursuant to the Credit Agreement, this Trademark Security Agreement, and the other Fundamental Documents in the Trademark Collateral or any portion thereof.

3. The Pledgor agrees that (i) if any Person shall do or perform any act(s) which the Lender reasonably believes constitute an infringement of any Trademark, or violate or infringe any right therein of the Pledgor or the Lender or (ii) if any Person shall do or perform any acts which the Lender reasonably believes constitute an actual or threatened unauthorized or unlawful use of any Trademark, then and in any such event, upon thirty (30) days' prior written notice to the Pledgor (or if an Event of Default is at the time continuing, then without notice), the Lender may

and shall have the right to take such reasonable steps and institute such reasonable suits or proceedings as the Lender may deem advisable or necessary to prevent such act(s) and/or conduct and to secure damages and other relief by reason thereof, and to generally take such steps as may be advisable or necessary or proper for the full protection of the rights of the parties. The Lender may take such steps or institute such suits or proceedings in its own name or in the name of the Pledgor or in the names of the parties jointly. The Lender hereby agrees to give the Pledgor notice of any steps taken, or any suits or proceedings instituted, by the Lender pursuant to this paragraph and the Pledgor agrees to assist the Lender with any steps taken, or any suits or proceedings instituted by the Lender pursuant to this paragraph at the Pledgor's sole expense, except if the infringement or act is a continuation of an infringement or act occurring prior to the Closing Date, then the Lender shall bear the expense of any suits, proceedings, or actions instituted by the Lender.

4. This security interest is granted in conjunction with the security interests granted to the Lender pursuant to the Credit Agreement. The Pledgor does hereby acknowledge and affirm the representations, warranties and covenants of the Pledgor in the Credit Agreement with respect to the Trademark Collateral. The Pledgor and the Lender do hereby further acknowledge and affirm that the rights and remedies of the Lender with respect to the security interest made and granted hereby are subject to, and more fully set forth in, the Credit Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

5. This Trademark Security Agreement is executed and delivered by the Pledgor for the purpose of registering the security interest of the Lender in the Trademark Collateral with the USPTO or in any similar office or agency of the United States, any state thereof or any other country or any political subdivision of any thereof. At such time as all Obligations have been indefeasibly paid in full and performed, the Lender shall promptly execute and deliver to the Pledgor, at the Pledgor's request and expense, without representation, warranty or recourse, all releases and reassignments, termination statements and other instruments as may be necessary or proper to terminate the security interest of the Lender in the Trademark Collateral, subject to any disposition thereof which may have been made by the Lender pursuant to the terms hereof or of the Credit Agreement.

6. So long as no Event of Default shall have occurred and be continuing, and subject always to the various provisions of this Trademark Security Agreement, the Credit Agreement and the other Fundamental Documents to which it is a party, the Pledgor may use, license and exploit the Trademark Collateral in any lawful manner permitted hereunder, under the Credit Agreement and the other Fundamental Documents.

7. This Trademark Security Agreement shall be governed by, and construed in accordance with, the substantive laws of the State of California without regard to principles of conflicts of laws.

8. No modification, amendment or waiver of any provision of this Trademark Security Agreement, and no consent to any departure by the Pledgor herefrom, shall in any event be effective unless the same shall be in writing and signed by the Lender and acknowledged and agreed to by the Pledgor.

9. This Trademark Security Agreement, and any modifications or amendments hereto may be executed in any number of counterparts, each of which shall constitute an original, but all of

which taken together shall constitute one and the same instrument. A facsimile or pdf signature shall constitute an original signature.

10. If any conflict or inconsistency exists between this Trademark Security Agreement and the Credit Agreement, the Credit Agreement shall govern.
