TRADEMARKS ASSIGNMENT

This Trademarks Assignment ("Assignment") is entered into by and between Jabber LLC, a Delaware corporation ("Jabber"), and Cisco Systems, Inc., a California corporation ("CSI").

WHEREAS, pursuant to a prior Asset Transfer Agreement between Jabber and CSI (the "Asset Transfer Agreement"), certain intellectual property rights, including without limitation all rights, title and interest in and to the Jabber Marks (as defined below), were assigned previously to CSI.

NOW, THEREFORE, Jabber and CSI agree as follows and confirm that:

"Jabber Marks" means all of Jabber's trademarks, service marks, trade names, trade dress, logos, designs and slogans, in word mark, stylized and/or design formats, including without limitation Jabber's trademark registrations and applications (except for Jabber's Intent-to-Use U.S. applications for which Amendments to Allege Use or Statements of Use have not yet been filed with the U.S. Patent and Trademark Office) and any and all of Jabber's common law rights in the aforementioned items, together with all goodwill associated with and symbolized by the aforementioned items, including without limitation the marks identified in Schedule 1 attached hereto and all of the goodwill associated with and symbolized by such marks.

Jabber has assigned and transferred, and CSI has received and accepted, all of Jabber's rights, title and interest throughout the world in and to the Jabber Marks and all the rights, claims and privileges pertaining to the Jabber Marks, including without limitation: the registrations and applications pertaining thereto (except for Jabber's Intent-to-Use U.S. applications for which Amendments to Allege Use or Statements of Use have not yet been filed with the U.S. Patent and Trademark Office), together with all of the goodwill of the business associated with and symbolized by the Jabber Marks; and the right to sue and recover damages for past, present and future infringements thereof and to stand in the place of Jabber in all matters related thereto.

Jabber hereby authorizes and requested the United States Commissioner of Patents and Trademarks and the relevant officials of foreign countries to implement this Assignment.

IN WITNESS WHEREOF, Jabber and CSI have caused this Assignment to be made as of the date of the Asset Transfer Agreement referenced above.
