SUBSIDIARY TRADEMARK SECURITY AGREEMENT

THIS SUBSIDIARY TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement"), dated as of August 25, 2011, is made by each of the entities listed on the signature pages hereof (each a "Grantor" and, collectively, the "Grantors"), in favor of Bank of America, N.A. ("Bank of America"), as collateral agent (in such capacity, together with its successors and permitted assigns, the "Collateral Agent") for the Lenders (as defined in the Credit Agreement referred to below).

WITNESSETH:

WHEREAS, pursuant to the Revolving Credit and Guaranty Agreement, dated as of August 25, 2011 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among CIT Group Inc., as borrower, the Guarantors from time to time party thereto, the Lenders from time to time party thereto and Bank of America, as administrative agent and Collateral Agent for the Lenders, the Lenders have severally agreed to make extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein;

WHEREAS, all of the Grantors are party to the Collateral Agreement, dated as of August 25, 2011 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Collateral Agreement"), among CIT Group Inc., the Grantors, certain other subsidiaries of CIT Group Inc. party thereto and the Collateral Agent for the Lenders and each Secured Party, pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Lenders, the Administrative Agent (as defined in the Credit Agreement) and the Collateral Agent to enter into the Credit Agreement and to induce the Lenders to make their respective extensions of credit to the Borrower thereunder, each Grantor hereby agrees with the Collateral Agent as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Collateral Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. Each Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration, or otherwise) of the Subsidiary Obligations of the Grantor, hereby mortgages, pledges and hypothecates to the Collateral Agent for the benefit of the Subsidiary Secured Parties, and grants to the Collateral Agent for the benefit of the Subsidiary Secured Parties a Lien on and security interest in, all of its right, title and interest in, to and under the following (the "Trademark Collateral"): all United States, and foreign trademarks, trade names, Internet Domain Names, service marks, certification marks, collective marks, logos, other source or business identifiers, all registrations and applications for any of the foregoing including: (i) the registrations and applications referred to in Schedule 1 hereto, (ii) all extensions or renewals of any of the foregoing, (iii) all of the goodwill of the business connected with the use of and symbolized by the foregoing, and (iv) all proceeds of the foregoing, including licenses, royalties, income, payments, claims, damages, and proceeds of suit; provided, that notwithstanding the foregoing, the security interest created by this Trademark Security Agreement shall not extend to any trademark applications filed in the United States Patent and Trademark Office on the basis of such Grantor's "intent-to-use" such trademark to the extent that the creation of a Lien hereunder on any such asset would render such asset void, terminated, unenforceable or invalid.

Section 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the Collateral Agreement and the undersigned Grantors hereby acknowledge

and agree that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of a conflict between this Trademark Security Agreement and the Collateral Agreement, the provisions of the Collateral Agreement shall govern.

Section 4. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart. Delivery of an executed signature page of this Trademark Security Agreement by facsimile transmission or by electronic transmission shall be as effective as delivery of a manually executed counterpart thereof.

Section 5. Termination. This Trademark Security Agreement shall terminate upon the termination of the Collateral Agreement.

Section 6. Governing Law. This Trademark Security Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

Section 7. The Collateral Agent's address is:

Bank of America, N.A.
TX1-492-14-11
901 Main Street
Dallas, Texas 75202-3714
Attention: Nora Taylor
Telephone: 214-209-0592
FAX: 214-290-9673
Email: nora.j.taylor@baml.com

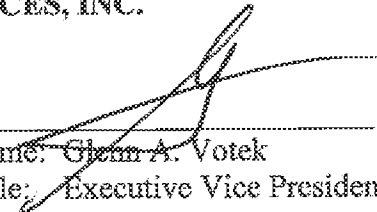

[Signature Page Follows]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security agreement to be executed and delivered by its duly authorized officer as of the date first set forth above..

Very truly yours,

GRANTORS
