## ASSIGNMENT OF TRADEMARKS

**Assignor:** Ab Initio Software LLC, a Delaware limited liability company

**Assignee:** Architecture LLC, a Delaware limited liability company

1. The subject matter of this Assignment of Trademarks (the "Assignment") is the following items, all of which shall be referred to herein as "Marks": (1) the marks identified in attached Exhibit TRADEMARK, (2) the goodwill symbolized by such marks and that portion of the business to which the marks pertain, and (3) all associated registration(s) and/or application(s) for registration for such marks.
2. By an agreement dated on or about July 16, 2008, **Assignor** became obligated to assign the Marks to **Assignee** once the Marks became assignable. Prior to the date of this Assignment, the Marks, originally filed as ITU trademark applications, have become registered and hence assignable.
3. Accordingly, for good and valuable consideration, the receipt and sufficiency of which is acknowledged by **Assignor**, **Assignor** hereby assigns to **Assignee** all of **Assignor's** worldwide rights, title, and interest (without reservation of any rights whatsoever) in and to (1) the Marks, and (2) any claims (known or unknown, suspected or unsuspected) of any nature that **Assignor** has or may have against any entity for infringement or misappropriation of the Marks.
4. **Assignor** agrees to sign all lawful papers, make all rightful oaths, communicate to **Assignee** or its representatives all facts known to **Assignor** with respect to the Marks, cooperate with **Assignee** and its representatives, and generally do everything deemed necessary by **Assignee** to:
  - a. complete and fulfill the terms of this Assignment;
  - b. enable **Assignee**, at **Assignee's** expense, to apply for, prosecute, and obtain registrations on any of the Marks, to maintain and renew any registration for any of the Marks, and to record this Assignment, including executing separate or additional assignments in connection with such recordation or applications, and generally secure and/or perfect legal protection for the Marks;
  - c. assist **Assignee**, at **Assignee's** expense, to apply for, obtain, and enforce legal protection for the Marks in all countries, whether in the name of **Assignor** or of **Assignee**;
  - d. assist **Assignee**, at **Assignee's** expense, with respect to any action, suit, or other legal proceeding relating to enforcement or defense of any of the Marks, including obtaining evidence and testifying in any such legal proceeding (in any such legal proceeding, **Assignor** will be represented by the same legal counsel as **Assignee**).
5. Each examining, registration, or recording office or agency (including, without limitation, the United States Patent and Trademark Office) is hereby authorized by **Assignor** to deliver to **Assignee**, its attorneys, agents, successors or assigns, all official documents and communications as may be warranted by this Assignment.
6. **Assignor** grants to **Assignee** the power to insert on this **Assignment** any further identification when known which may be necessary or desirable in order to comply with the rules of any examining, registration, or recording office or agency for recordation of this Assignment.

**Assignor:** Ab Initio Software LLC, a Delaware limited liability company
